his colleagues some trouble to explain.

Experience has, however, taught him many lesson on these points, and the committee of five was appointed to make an appropriation will, doubtless, make him more cautious in his utterances. He will have cautious in his utterances. He will have every opportunity of carrying out his cattle disease. Reynolds' report policy, as he goes into office with a heavy majority in the Commons. Mr. Disraeli has taken the right step

in resigning. It saves himself and party from the mortification which they to hold office until the meeting of Parliament; and it relieves the Queen from all embarrassment and leaves her free to choose a new Prime Minister.

There has been a rumor of an intrigue on the part of the old Whig families to Nov. 16th. He says the population of the part of the old Whig families to Nov. 16th. He says the population of the part of the old Whig families to Nov. 16th. He says the population of the part of the old Whig families to Nov. 16th. He says the population of the part of the old Whig families to Nov. 16th. He says the population of the part of the old Whig families to Nov. 16th. He says the population of the part of the old Whig families to Nov. 16th. must have experienced had he continued

on the part of the old Whig families to Nov. 16th. He says the population of form a Conservative Ministry under the Territory has increased during the premiership of the Earl of Granville.
But if such an attempt was made, it has fallen through. Mr. Gladstone is the the Apache raids continue. He comfallen through. Mr. Gladstone is the the Apache raids continue. He compliants a cknowledged as the most fitting exponent of liberal principles. The party would not have been content with any man more conservative than he; and to have made the Earl of Grauter. The Territorial debt is \$20,000 in ville Premier because of his being a noble and well-connected, and thus kept third before the close of the year. The mously by the Military Committee at Hooker DC Mr. Gladstone from the position which Wickenburg and Cobabi mines pay he had fairly won, would have aroused the indignation of the country.

tion, is remarkable. This is not viewed rested. Several roughs have been arrested. The chief was always noted for without apprehension by the Tories and being biendly and strictly honorable. Conservatives. They dread the growing power of the people, and the elevation to office of the party which advocates extended suffrage. There is every prospect that the next few years will witness important changes in Great Britain "Berelations never to back Boston.—Yesterday, ayoung man, who Secretary McCullough's report was Chapman ward." The clearent of democracy is had just cashed a check for sixteen telegraphed yesterday, which is now Clark K. working, and the perpetuity of the power of the eristocracy and of the timeseriously menaced by the growing spirit of liberalism which prevades the masse of the people.

TRIAL OF JEFF, DAVIS.

SINCE the close of the rebellion teles graphic dispatches have been circulated which they took train for Beston. Many every few months all over the country stores and residences were profusely deevery few months all over the country respecting the trial of Jeffemon Davis. For a time there was considerable inter- Clem for the murder of Young and his est felt in the matter: but the public wife, Judge Chapman issued an order have heard so much about it, and known of so little being done that they have begun te look upon the whole proceeding as a farce; and believing that it was a foregone conclusion that, after the excitement had died away respecting him he was to be discharged, they have ceased to take interest in what was done with him. If he had only died, it would have been a relief to many who had this test the justice of the case. This morn-matter in hand; but Mr. Davis is tough, ing, the counsellor for the defence, who he has a better constitution than he has had applied for an order suppressing that the credit of having, and he still tion, whereupon the Judge resounded lives to plague his keepers. If he had the order, and the community became even run away, it might have ended the calm again.

thinks, with Davis' counsel, that the that Fisk is about to sue the papers indictment against him should be his Erie railread trip, for damages. His quashed, and the District Judge, Underwood, thinks that it should not be. We cured an attachment against one jourshall bear no more of this, probably, Richmond.—In the Davis trial, the until it comes up before the Supreme motion to quash the indictment, Dana, Court. If Davis had been executed for the government, opened this mornwhen captured, or directly afterward, the act would have met with general approval. Then the people's blood was not a penal statute, but was merely a warm. But to hang him now would change in the political system, to seem in the eyes of many like an act lie. He argued that the 14th amendment which had been pleaded, in bar of punishment, by the defendant, was not a penal statute, but was merely a change in the political system, to see m in the eyes of many like an act lit tle better than cold-blooded murder.
