ROLLER COMPOSITION,

The Best Material in the World for the Manufacture of PRINTERS' ROLLERS, we are prepared to supply the trade in quantities to suit, and on the Lowest Possible Terms. We will also CAST ROLLERS of any size, on receipt of cores, with Promptness and at most Reasonable Rates. Persons ordering should state definitely size of rollers required.

This Composition is made specially for this DRY CLIMATE—the hardest climate in the world on Printers' Rollers-and those who have used it unhesitatingly pronounce it the Best in all respects they have ever tried. It is equally well adapted for Hand Press, Job Press or Cylinder Machine, and for slow or rapid work, and the printer who uses to once will never want any other kind.
