EVENING NEWS

Wednesday, Nov. 2, 1881.
The regular quarterly conference of the Box Elder Stake was held in the afternoon of Monday, October 25th, at the residence of Elder J. H. Snow, and was attended by the following members: L. Snow and Moses Thatcher of the Twelve Apostles, O. G. Snow and E. A. Box of the Stake Presidency, several Bishops and leading Elders.

After the opening exercises the clerk read the statistical report. A Brother Peter Nebeker, remarked on his experience in the Church, and addressed the young Elders in a considerable length in a very instructive manner.

After singing and prayer, Elder J. H. Snow, of the Twelve Apostles, read a paper on the glorious principle of salvation. The address was highly interesting and was listened to with much interest.

One store here belonging to John W. Young, but he has been compelled to leave it, and the property of the store has been sold. The store was located at the freight siding here, and the freight cars, which will be daily observed, are being used for the purpose of storing goods, but will facilitate mail communication with our beloved at home, (and no thanks to the railroad company for this purpose.)

In this connection I may state that a freighter to whom I had some bread 99 days ago, made the road to the freight siding here, through this line of the country, three years ago, and if anybody had informed him that he would have called the baker a damned fool. But it so happens that I, the baker, can hold my own in Holbrook, and serve everybody as they come along.

BUCKINGHAM'S DYE,
For the Whites.
The easiest preparation may be relied on to change the color of the beard from gray or any other undesirable shade, to brown or black, at discretion. It is easily applied, being in one preparation, and quickly and effectively produces a permanent color which will neither rub nor wash out.
By its tonic properties it restores the capillary glands to their normal vigour, prevents dandruff, and makes the hair grow thick and strong.
In a dressing nothing has been found as effective or desirable.
Dr. A. Hayes, Chief Assayer of Massachusetts, says of it: "I consider it the best preparation for its intended purpose."

TUTT'S PILLS!
AS AN ANTI-BILIOUS MEDICINE, are incomparable. They stimulate the system, give tone to the digestive organs, create perfect digestion and regular movement of the bowels.
AS AN ANTI-MALARIAL, they have no equal; acting as a preventive and cure for Malaria, Intermittent, Typhoid Fever, and Fever and Ague. Upon the healthy action of the Stomach and Liver depends, almost wholly, the health of the human race.
It is the cure of this disease and its attendant, BILIOUS HEADACHE, NERVOUSNESS, DEPENDENCY, CONSTIPATION, PILES, &c., that these Pills have gained such a wide reputation. No remedy was ever discovered that acts so powerfully and gently on the digestive organs, giving them tone and vigor to assimilate food. This accomplished, the NERVES are ENLARGED, the BRAIN ENRICHED, and the BODY RE-NOURISHED. Try this Remedy fairly and you will gain a Vigorous Body, Pure Blood, Strong Nerves, and a Cheerful Mind.
Price 25c. 55 Murray St., N. Y. C.
