

Correspondence.

Conference—Marriage Festivity,

GRANTSVILLE,
March 25th, 1875.

Editor Deseret News:

Permit me to represent our quiet little city through the columns of your valuable paper.

First, I will speak of our branch conference, held on last Saturday and Sunday, March 20th and 21st. On Saturday the Saints assembled in the meeting house at 2 o'clock p.m. Nearly all the time was occupied in reading the various financial reports, all of which were satisfactory, and proved beyond a doubt that everything was in a prosperous condition.

Next in order was the sustaining of the authorities of the Church, which was done with that spirit and willingness that manifested that "Mormonism" was alive and active.

Bishop Rowberry made a few timely and appropriate remarks before closing, setting forth the necessity of sustaining every institution of learning, and liberality in all donations.

Sunday, at 11 o'clock a.m., the house was well filled, and the congregation was agreeably entertained by Elders James E. and Micklejohn of Tooele city.

In the afternoon Bishop Rowberry occupied most of the time in a very able discourse, portraying to the minds of the Saints the many blessings in store for them, and closed in a very eloquent and brilliant manner upon the United Order.

The meetings were all well attended, and a good spirit prevailed generally.

I cannot close this correspondence without referring briefly to an interesting and elegant bridal festivity at this place on the 24th inst., on the occasion of a matrimonial alliance between Mr. Ormus E. Bates (a son of Cyrus Bates) of the first part, and Miss Augusta Ealison, of the second part. The festal gathering was at Bro. Cyrus Bates' residence, consisting of a number of prominent citizens, including our much beloved Bishop Rowberry, Bro. Stephen S. Worthington, and the friends and relatives of the newly wedded twain. Much rejoicing took place on the occasion, including various amusements, appropriate toasts and sentiments, and last, but not least, a sumptuous supper, well and ably furnished by Bro. Cyrus Bates.

While in the height of enjoyment a rare occurrence took place. The bride's brother-in-law, Mr. S. S. Worthington, placed in the hands of Cyrus Bates what appeared to be a legal document. The latter read the contents, the substance of which was as follows:

"I, Stephen S. Worthington, do hereby present to the bridal pair, as a bridal gift, four large American cows and one share in the Tooele and Grantsville Grist Mill."

Many thanks were expressed and much applause was given, and the company separated, hoping that in the actions of the happy couple on the stage of life each scene would be eventful in much good, and when the last act in earth's drama was performed they would meet again in a joyous paradise, on the heavenly shores of eternity. J.

Boys, Go to School.

JACOB CITY,
March 25th, 1875.

Editor Deseret News—

Hail! hail! boys! The good news of improvement. Mechanical drawing and calculations school about to be established for those who wish to learn mechanics. It has been the prayer of many a boy, who has wished to ascend the rounds of the mechanic's ladder, to see such a school started at Salt Lake; and I trust that all those who wish to avail themselves of this opportunity, now offered, will do so readily, so as to establish it upon a sound foundation. Mr. Wm. J. Silver is a man of great mechanical ability and judgment. Mr. John McLean, secretary of this enterprise, is a man of great ability, both in mechanics and in calculations of a scientific nature. I speak from personal knowledge, and feel satisfied that the officers of this school are men qualified to hold such positions and fit for such a laudable enterprise as they have undertaken. So, boys, put your shoulders to the wheel.

Opposite Deseret Telegraph Office,
23 East Temple Street.AYER'S
SARSAPARILLA

For Purifying the Blood.

THIS compound of the vegetable alteratives, Sarsaparilla, Dock, Sillingia and Mandrake with the Iodides of Potassium and Iron makes a most effectual cure of a series of complaints which are very prevalent and afflicting. It purifies the blood, purges out the lurking humors in the system, that undermine health and settle into troublesome disorders. Eruptions of the skin are the appearance in the surface of humors that should be expelled from the blood. Internal derangements are the determination of these same humors to some internal organ, or organs, whose action they derange, and whose substance they disease and destroy. AYER'S SARSAPARILLA expels these humors from the blood. When they are gone, the disorders they produce disappear, such as Ulcerations of the Liver, Stomach, Kidneys, Lungs, Eruptions and Eruptive Diseases of the Skin, St. Anthony's Fire, Rose or Erysipelas, Pimples, Pustules, Blotches, Boils, Tumors, Tetter and Salt Rheum, Scald Head, Ringworm, Ulcers and Sores, Rheumatism, Neuralgia, Pain in the Bones, Side and Head, Female Weakness, Sterility, Leucorrhoea arising from internal ulcerations and uterine diseases, Dropsy, Dyspepsia, Emaciation and General Debility. With their departure health returns.

PREPARED BY
DR. J. C. AYER & CO.,
Lowell, Mass.,Practical and Analytical Chemists,
Sold by all Druggists and Dealers in Medicine.

THIS standard article is compounded with the greatest care. Its effects are as wonderful and satisfactory as ever. It restores gray or faded hair to its youthful color. It removes all eruptions, itching and dandruff; and the scalp by its use becomes white and clean. By its tonic properties it restores the capillary glands to their normal vigor, preventing baldness, and making the hair grow thick and strong. As a dressing, nothing has been found so effectual or desirable. Dr. A. A. Hayes, State Assayer of Massachusetts, says of it: "I consider it the best preparation for its intended purposes."

BUCKINGHAM'S DYE,
For Whiskers.

This elegant preparation may be relied on to change the color of the beard from gray or any other undesirable shade, to brown or black, at discretion. It is easily applied, being in one preparation, and quickly and effectually produces a permanent color which will neither rub nor wash off.

Manufactured by

HALL & CO., Nashua, N. H.

Sold by all Druggists and Dealers in Medicine. Sold at the Z. C. M. Institution.

I guarantee all I sell to give Satisfaction, and I sell at the Most Reasonable Prices.

FIRST WAGON DEPOT SOUTH OF THE THEATRE.

Address,

HOWARE SEBREE, Salt Lake City.

Notice to the Public!

THREE YEARS' EXPERIENCE HAS TAUGHT US THAT WE CANNOT DEAL IN TWO different makes of wagons with satisfaction to the manufacturers, ourselves and the public.

Therefore, we shall hereafter only buy and sell the

FISH BROTHERS WAGONS.

They have been so steadily and deservedly growing in favor, that we find it next to impossible to sell any other wagon. Ask any person who has bought one for the last two years, and he will tell you he has never had a tire or spoke loose, or a wheel broken or out of repair. He will tell you that the Fish Brothers Wagons run the easiest, and are the best in all respects.

The balance of our stock of Mitchell Wagons on hand we offer for sale at cost.

We thank the public for its generous patronage in the past, and shall try to deserve your kind favors in the future. We know from the letters written us, and the thousands of words of commendation received from purchasers, that in offering you the FISH BROTHERS WAGON we offer you

The Best Wagon on Wheels!

NOTICE TO AGENTS.

We sell no wagons on commission. Fish Brothers' Wagons don't need to go round the country begging for purchasers. We can sell outright all the wagons the manufacturers can furnish us and supply their other demands, and when a wagon leaves our yard, it is sold.

Yours very respectfully,

JOHN W. LOWELL & CO.

Salt Lake City, March 4th, 1875.
