S. rupt and bad as they were represent-ed their enemies would not be per-mitted to live have been by Manager Harris, has labored mitted to live here, as they now arduously to prepare the children do, in perfect security, and heap in-sult upon injury continually. It was better to suffer wrong than do other reason, his work should be wrong, and the time would soon rewarded by the patronage of an come when all would be set right. appreciative public. But aside Great changes were near. Our appreciative public. But aside wrongs only made us more famous from this, we are assured that the in the world, and great interest was performance this evening will be being taken in our history. We pleasing and meritorious. The were becoming better understood. One great good which would result from the Saints being trodden down children have been carefully trained and are well prepared for the ocand oppressed, was the experience they would gain by their suffering, so that when the time came, as it certainly would, that judgment wound be given into their hands and their turn came to govern, they might temper their ludgment with mercy, and by remembering the tyranny and injustice they had ex-

perienced, avoid falling into simi-iar errors. Virtue and chastity should be cherished among the Grand Celebration Rehearsal .-Yesterday morning a rehearsal of Saints and required of both sexes the programme for the grand celeeverywhere with equal rigidness. Seduction was a crime next to bration on the 24th inst., took place Seduction was a crime next to murder. The speaker then con-trasted the social evil and celestial marriage. It was a bad policy to make martyrs of religionists. George Reynolds, by being sent to prison for the sake of his religion, had been made a hero. Why was government so shortsighteo? If this work was of God their sitempts to crush it were in vain, if not of God, why not let moral agencies God, why not let moral agencies aided over by its leader or superin-correct the evil, instead of employ- tendent, the whole under the direcing law and force which al-ways had and would now, but perpetuate it. But the Saints Professor J. J. Daynes accompany hould expect these things, and be ing at the organ.
