GREENSBURG, Pa., June 14.—Eight hundred strikers stopped a coal train on the Youngwood branch of the Pennsylvania road last night and with guns forced the engineer to take the train back to the Strickler mines. They then partly demolished the Hecla and Youngwood bridge and attacked the non-union workmen, badly beating

two. Eleven carloads of negroes have been brought into this region.

CHICAGO, June 15.—The Cosmopolis Clothing Association, a voluntary organization of labor unions, has signed a contract with the Land Sunshine company for 25,660 acres near Merced, Cal. The tract will support 108 families, who will have houses on a street in the form of a circle. Within the circle will be the public buildings and a park. Outside will be a square plot of 360 acres, for pasturage, stables and vegetable gardens. Outside will be 109 farms of nineteen and a half acres each, devoted to fruit culture.

COLUMBUS, June 15.—The officials of the United Mine Workers have received from Erwin, Pa., where 3,000 miners are employed, a message endorsing the action of the national board. Secretary Patrick McBride said today the officials had learned a strike was never won by violence. The first act of violence destroyed the hope of making a national settlement. The mass meeting of miners at Obiston last night voted not to accept 60 cents. A motion to request the national officers to resign was voted down, pending further investigation. President Adams condemned the national officers.

TROPAU, Austrian Silesia, June 15.—An explosion of fire damp occurred at the Johann and Franziska mines at Karwin. Over 150 miners are said to have been killed. The elevator shafts were destroyed and the fire is spreading in all directions. The mines are owned by Count Von Lawisch.

It is believed that at least 200 miners were killed. An explosion took place at 10 o'clock in the pit of the Franziska mines and resulted in the death of 120 miners.

This explosion was followed by a series of others, the most disastrous being in Johannes pit where fifty miners were killed. The rescue party which descended into one of the pits at 5 o'clock this morning also perished.

The official report places the number of killed at 135; fatally injured, 30. Fourteen bodies have already been recovered. There were five distinct explosions. The galleries of the mines are on fire and it is believed the majority of the bodies will be consumed.

GLASGOW, Mo., June 15.—William Bibb was killed by lightning yesterday while plowing in a field near his house. The lightning tore the hat of the unfortunate man to shreds and split the handles of the cultivator with which he was working.
