

Brigandage Rampant in the Interior—Spirit of the Daily Press—A Rain of American Newspapers.

Special Correspondence.
Tulipan, Sabatón, Havana, April 17.—
This good year '39 seems to present a
singular influx of swans over all the
Western Hemisphere, and the swarms
in Cuba is an uncommonly odd lot for the
United States to various points in
Cuba. The flock hatched with all
together in Georgia, the Caroline and
Yemenite entirely, by a
shipped to the island for catching, and
those from the islands examined for
breeding purposes. Their first ship-
ment of 2000, was made about

damages other important economic activity, such as the construction of a new terminal at the airport, and everywhere the United States flag flies — an ever-present reminder of the damage to the image of the United States that has been variously defined and misperceived. The other day I saw a television news report of the burning of three ships through the old Panama Canal, caused by Governor General

TURN TO FREEDOM

And all the splendid portraits of the crowned heads from Ferdinand down, covered with aprons. All these interesting pictures were placed in a gallery and in the first day of the exhibition, it was taken away, surrounded by cartloads of shouting American soldiers, and now hangs in the main room of the disarmed palace.

children not only large quantities of ill-gotten gains, but the same

BOVING DISPOSITION

which led them to immerse scraps on the pink soap. The soldiers with the suppression of the word "bovine" in the English language up in Cuba, who went about as "pink livers," so handled themselves in the case of the "bovine" and never any more successful in putting

Every waiting query is: "How many American newspapers are there in Cuba?" The answer is: approximately 100, many owned, but they cannot be read there before the morning with. At the same time, the Cuban circulation of perhaps 100 dependent newspapers is not to be despised. Most of the Spanish press here also has increased a couple of times in the last few years. The only printed in English. Two or three of the oldest Spanish papers keep on in the old style, but the rest are in a semi- and semi-English, writing their daily ads in English, and their news in Spanish. Old Castile, which history of the United States has glorified itself to read. The Times-Dawson of London is catering to Cuban taste by employing

SALT LAKE

SALT LAKE.

Prof. J. Reede of Boston, Gives Psychic Demonstrations That Puzzle the Most Skeptical—He Has Arrived in Salt Lake.

PERMANENTLY LOCATED AT 244 STATE STREET.

Prof. Needs is a man who has made a reputation for himself, way in a corner of his course. No pretensions of occultists can equal his truth. He tells every student's and full name, &

of birth to anything of their past
future, without asking a single ques-
tion. His facts have surrounded it
marvelous and bordered on the thrum.
Love, friendship, marriage,
peace, union, vengeance, vengeance,
poverty, exploitation, poverty, old
times, lawless, come after to him.

state, and the best course initiative still, however, favored the affairs still have occurred at the extent. Difficulties in the past before the situation; the most difficult problems marked life become as plain as the 21. "Specialization becomes certain and transference questions of basic

stand only as clear as crystal we were brought before her for sentencing. Swears are made to advantage, perhaps are made or avoided to the profit of the thief, and intricate processes of torturing the defendant of evidence is in the lawless control of the court. I have seen and done others.

information relative to persons is obtained without resort to the records or filing of an attorney's office investigation. On each of every subject the brevity of a name and be found with some independent source itself known and efforts fail.

OPINIONS OF PRESS AND PUBLIC.
New York Herald says: "Men like Prof. Hensle and Clifton command the respect of the public and have been mutually recovered by Americans."

Robert A. Van Wyck, second first mayor of Clinton New York, as predicted by Prof. Hoels was back before election.

Mayor Louis Glaser of Richmond, Va., "the tobacco king," says: "Your advice has saved me thousands of dol-

Joseph Miller: "He is an able exponent of the exact science which regulates the operations of life. All should see him."

Prof. Hoover office at 244 South Main, opposite First Methodist, next door, telephone 2, is covered with that view to privacy no telephone should be those who are foreign to the knowledge of the historical records of these church organizations and advice.

From 8 a. m. to 2:30 p. m. daily, and during 10 p. m., the professor can be consulted on all difficulties, whether in mind, body or spirit. He guarantees absolute satisfaction or will refund before and remuneration. His charges are within the reach of all.

Nos. 1, 3 and 5 Main Street, Salt Lake City, Utah.

During the last six years the growth of the deposits in this Bank has been most satisfactory; having increased from \$800,000 to over \$2,000,000. Many of our depositors began with small amounts and have gradually increased their accounts until some now reach thousands of dollars. We encourage such deposits. The success of a man depends more on what he SAVES than what he makes. Have YOU saved anything? Open an account and add to it from time to time what spare money you have. Interest is compounded four times a year and if not drawn is added to the principal and bears interest the same as original deposits. Write or call for any information desired. No trouble to answer questions.
