The county commissioners have con firmed the appointment of Charles Bell as night jailer at the county jail to succeed Jonathan Roe, resigned. The Credit Men's association met last

night at the Commercial club, but postponed action on matters that were brought up until a meeting could be held with more members present. It has been found that the damage to the west wall of the D. F. Walke building has been such, on account o

the fire, that it must be rebuilt, and the insurance companies will be asked for damages to cover cost of same. Eugene Traughber arrived last eve-

A. B. Troth, a workman engaged in tearing down the Atlas block walls narrowly escaped death yesterday af-ternoon. The western half of the front wall suddenly toppled, and Troth was in the way. His fellow workmen yelled to him, and he jumped just in time to save himself. However, a brick hit him on the head, cutting quite a gash.

Now that the Sharp Walker estate, as already noted in the "News," is preparing to erect a five-story, fire proo-building on the site of the burned At las block, the owners of the Centra block are thinking seriously of doing the same thing. It has been suggested that the two structures be joined over the alley way, making practically one great building of both.

The bydrographic bureau of the geo logical coast survey will give special attention to underground water currents, and the country is being divided up into districts, with each section in charge of a geologist. This work will particular interest to Utah and other intermountain states, and the ological survey is preparing a report work done at Bingham and Park City during the past season.

Secretary Wells of the street car company remarked this morning his satisfaction with the fender adopted by his company for the cars. In the two instances lately in which the fender has come into play it had worked all right, and in the case of Mrs. Wag staff the test was as complete as could have been desired. Mr. Wells believe this fender is the best that has ye been made. The cars are now pretty well equipped with it, and all will be

"BABY" ROULETTE DOOMED. Its Career in Salt Lake is of Rather Short Duration.

For several weeks a number of saloons in Salt Lake have been doing a good business with a little device known as the "baby" roulette. It's a new thing in Salt Lake, but it is said be easily shoved out of the way if a po liceman should happen to enter. But it will have to go; in fact has already gone. Last night Acting Chief Bur-bidge gave orders to saloon men and teepers of cigar stands that the "baby" would have to be removed, and the orow to the owners of them, as some of the small wheels have been known t make for their owners from \$10 to \$3

TO PUT GIRLS IN UNIFORM Plan of Principal Nelson of the Fre mont School.

Principal David A. Nelson of the Fremont school proposes to adopt the custom of the eastern schools and require all the girls in the upper grades to dress in uniform during the school hours. At least this is the proposition he will submit to the parents of the girls at a meeting to be held this evening, and if they concur the plan wil Prof. Nelson says the uniform will

answer several good purposes. It will do away with the disparity in dress be tween the rich and the which often so humiliates the latter and it will also have some efficacy p preventing truancy, as the uniform on the street will be a tell tale,
