A SURE CURE FOR THE PILES.—You need not suffer from this most distressing disease again in all your life. Email's Balm acts as a poultice and lubricator, absorbs the tumors and allays the intense itching at once. No caustic, no acid, no pain. A. McGibbons Esq., 19 Poplar street, Allegheny, Pa., writes: "I had itching and bleeding piles so bad I could not sit, stand or walk without intense suffering. I doctored with many physicians, and tried all the (so called) cures that I ever heard of, in vain (paying out hundreds of dollars), until I used Email's Magic Balm, or Ointment. After the first application I enjoyed the best night's sleep I had for ten years, and two boxes have cured me completely." ☞ Wherever introduced Dr. Email's Balm takes the lead, and has the largest sale of any Pile remedy in the world. Depew Would Sacrifice a Princely Fortune for Presidential Honors.

By Telegraph to the NEWS.

Depew's Solicitude.

CHICAGO, June 17.—Depew has been busy sounding the representatives from the west on the advisability of his candidacy. He has sent for many of the leading men of Wisconsin, Minnesota, Kansas, Nebraska and other agricultural states, and the result of his inquiries has not been reassuring.

Mr. Ballard telegraphed to the New York *World*, tonight a long interview with Chancey M. Depew. In the course of which he said, "If it should happen that I should be nominated as a candidate of the republican party for President, within one week from the day of my return to New York, I should write a letter to every institution of which I am president, director or trustee, resigning my position in each. this would be due to the obligation I would owe to the people, for the office of President of the United States is one which can have no allegiance. I am president of the New York Central and of the West Shore railroad, director in many other railroads and trustee of many public institutions. I may add that I am trustee for more private fortunes than any 50 lawyers in the world. In the 25 years that I have been building up a position that has thus come to me, I have had no time to accumulate the private fortune that perhaps I might have acquired, had I given more attention to my own private affairs. The income, however, which I derive from these various offices and trusts is equal to the income from an investment of $2,000,000 With my nomination for the Presidency this income would absolutely cease within two weeks from the date at which the republican convention should name me as its candidate.

General Sheridan.

WASHINGTON, June 16. — General Sheridan has had a fairly good day. His desire for food and his capacity for taking and assimilating it appears to be increasing. No more official bulletins will be issued tonight unless a decided change for the worse occurs in the condition of the patient. A bulletin will be issued tomorrow evening at the usual hour.

WASHINGTON, June 17.—The following was issued this morning: General Sheridan slept well and naturally the greater part of the night, broken occasionally by attacks of coughing. The pulse has gained force and volume and his appetite is improving. Respiration regular.

Terrific and Fatal Storms.

PRINCETON, N. J., June 16.—A thunderstorm, accompanied by hail, passed over this town today. The house of Harrison Voorhees was struck by lightning and both he and his wife were instantly killed.

NEW YORK, June 16.—Advices to the Associated Press from various points in New York and New England show that the worst thunder storm in many years visited that section yesterday afternoon and last evening. Many houses were struck by lightning and the value of property destroyed will be very large. But few towns report any loss of life.

Destructive Fires.

VERMILLION, Ills., June 16.—The business portion of the town was destroyed by fire this morning. The Odd Fellows Hall and opera house were destroyed.

Fatal Explosion.

ZANESVILLE, Ohio, June 16.—The warehouse of Bartley Bros. & Co.'s wholesale druggists, was destroyed by an explosion this morning. Two people were fatally injured and several seriously wounded.

At the time of the explosion five men were working in and about the building. W. N. Miner, drayman, and his assistant, John Swingle, were loading a dray at the rear door. George Bailey, Wm. Grayson and Jess Porter, the latter two colored porters, were in the building. Miner and his assistant were buried beneath the ruins. The two men were recovered, but one is seriously injured. Miner's injuries are considered dangerous. Grayson and Jess escaped badly bruised. The body of George Bailey was recovered.

Roaring Floods.

ST. PAUL, June 16.—Brainard and Aitkin specials report the Upper Mississippi higher than ever before known and still rising. Many settlers in the lowland have been driven from their homes. A few inches more will stop the Brainard water works. Enterprising Aitkin saloon keepers are running skiffs to their bars.

Montana Train Robbery.

HELENA, Mont., June 17.—Last night the west bound train on the Northern Pacific, when near Junction City station, near Billings, Montana, was stopped by eight masked men. The engineer was compelled to act as guide for the robbers, who broke into the express car and received packages containing $400. The mail and passengers were robbed, but only about $600 was secured. Sheriff Harris of Yellowstone County and posse are in pursuit.

A Bloody Fewd.

CONSTANTINOPLE, June 17.—During the Barrim feast here today Albanians and Kubians of the imperial guard fought an ancient fewd. Eighteen negroes and three Albanians were killed and a dozen on both sides were wounded.

HOUSE.

WASHINGTON, June 16.—The House went into committee of the whole on the army appropriation bill.

On motion of Rowell (Illinois) an amendment was adopted appropriating $300,000 for beginning the construction of a new military post near Chicago.

Ford (Michigan) moved an amendment for appropriating $300,000 for the purchase of powder to fire morning and evening salutes at military posts. Adopted.

Tracy (New York) offered a resolution appropriating $126,000 for the enlargement of the Watervliet Arsenal, New York, and $400,000 for the manufacture of cannon and carriage projectiles for torpedo experiments and the expenses of the ordinary officers.

Tracy and Spinola (New York) set out the public den and for adequate coast defences, and argued that the fortifications appropriation bill might again fail of passage, leaving the great cities on the coast exposed another year to attack.

Randall made the point of order against the amendment. He said science had so advanced that had the last fortification bill become a law the money would have been absolutely wasted.

Chairman Springer sustained the point of order and the amendment was ruled out.

On motion of Laird of Nebraska a provision was added to the paragraph relating to post supplies, requiring that they be purchased where they can be purchased cheapest, the quantity and cost of transportation considered.

The committee then rose and the bill passed.

Mr. N. H. Frohlichstein, of Mobile, Ala., writes: I take great pleasure in recommending Dr. King's New Discovery for Consumption, having used it for a severe attack of Bronchitis and Catarrh. It gave me instant relief and entirely cured me and I have not been afflicted since. I also beg to state that I had tried other remedies with no good result. A MINISTER'S STATEMENT.

I Expect to be Believed in all I am about to say—I write for the good of others.

"I am now at an age when a man should speak words of truth and soberness, having reached the alloted term of three score years and ten, and having devoted my time in the pulpit impressing lessons of wisdom to my fellows. Mine is a common story of physical suffering and how I was delivered from it; and my desire is to mention the facts as though no one were interested save myself and those who may read these lines. I was long troubled with a stubborn affection of the kidneys and bladder. I had painful gravel deposits, and at times enlargement of the prostrate gland. Despite all the professional help I could get I grew steadily worse. In this extremity I first learned of Dr. David Kennedy's Favorite Remedy, made at Rondout, N. Y. I took the wise course. I privately inquired into Dr. Kennedy's personal character and professional standing at his home in Rondout, N. Y. The result was more than satisfactory. I discovered him to be a highly educated and experienced physician and surgeon, respected and trusted at home and abroad—a man whose career has been a long and open success. I bought a bottle, however (the price being only $1.00,) taking nobody into my confidence. The good effects cheered and emboldened me. I bought another, following the clear directions; and now I want to make known the good it has done me. The disease has relaxed its hold and I look forward to spending the balance of my life free from bodily torture, and with a heart grateful for this medicine which affords me so pleasant a prospect."
