eral reduction, provided for in the bill son, Jr., not to attempt the passage of as it now stands, will be adhered to. On the opening of the Supreme Court, to-day; Judge Strong presented a commission from the Associate Justice, bellow or roar was heard, betokening administered by the clerk, when he took his seat on the bench. The court decided that President Lincoln's provisional courts in Louisiana and elsewhere were legal tribunals. The House committee on mines and emitting at the same time a loud screech immediate passage through before the alligators had time to summon their

Bidding the elephant enter, she stepped boldly in, at the same time isshing the water furiously with her as much as if 500,000 people had been added to its population. During the combustion of oil, tallow, gas, etc., water is produced as well as carbonic acid; in cold weather we see it condensed on the windows. By the burning of gas twenty-four hours in London, more water, it is estimated, is produced than would supply an emigrant ship on her voyage from Engiand to Australia.

Charles D. Kirk, one of the editors of the Louisville Sun, died suddenly in Soon a fearful roar was heard from the large Bactrian camel, who had, at that moment, been attacked. The water seemed alive with alligators. The roaring, bellowing and screeching of elephant, camels and alligators was terrific. They would throw their ponderous laws over and took have been alied.

took no measures to preserve the lives vous, and upon reaching the scene of action, unexpectedly encountered both food A vessel from Togel, Feb. 26, reports and opposition at the same time, for, that up to date, nothing had been heard simultaneous with the meeting of the seemed as if the colt would escape and before the poor creature would reach the land, some monster, more ravenous than brave, would leave the melee, pursue and TWO drag it back into deep water, until finally it became exhausted, and fell an denote that her machinery was broken blanched and terrified looks, wholly unhis steps towards the place where he left the remaining animals, he counted the cost. He had made the passage, but at a terrible sacrifice. He had started with an elephant, two camels, twe dogs and two horses. He came out with an elephant, one camel and one horse. The phant, one camel and one horse. The phant, one camel and one horse. The his steps towards the place where he left the remaining animals, he counted the cost. He had made the passage, but at a camel was valued at \$5,000, and very rare. The colt Mr. Robinson had repeatedly refused \$1,000 for. It will be many a long year before Houston will forget the horrors of passing through a Florida swamp at night. — Cor. Fort Gaines Mirror.
