LAST NIGHT'S DISPATCHES

EASTERN.

BOSTON, 19.—D'Atalle, Barnum's iron-jawed man, died to-day, at Fall River.

Proceedings have been instituted in the United States Bankruptcy Court by Warren & Co., the largest sufferers by the forgeries of James A. Coe, against the estate of that individual.

MILWAUKIE, 19.—The report from Green Bay says the woods are on fire around Big Cedar, and running alongside the track. The hotel and store at Big Cedar were burned on Saturday. A big fire is reported at Ishpeming and fears are entertained of the destruction of the town.

FORTRESS MONROE, 18.—John W. Williams, a mulatto boy, born a slave, seventeen years old, has been appointed a cadet to the West Point academy.

CHICAGO, 18.—Late last night Lars Larsen and his wife engaged in a drunken quarrel and the woman stabbed her husband fatally.

NEW YORK, 19.—The jury in the Train case was procured and the trial begun to-day.

The Crispins claim that they are entirely successful, only one shop holding out against them, and will discontinue their daily sessions.

Work has been suspended on the public parks in consequence of the failure of the legislature to appropriate the necessary money to keep the laborers busy. Over 700 men are thus thrown out of employment.

Seven hundred and eighty-five emigrants landed at Castle Garden to-day.

In an interview to-day, J. Sutherland, restaurateur, stated that about a year ago Gen. Van Buren called on him and offered him a good site in the Vienna Exposition building to open a restaurant and told him that he could make enormous profits, adding, "We will expect, of course, that you will do something for us in return for giving you such a good site." Sutherland answered, that he could not accept the proposition.

HUDSON, N. Y., 19.—Joseph Waltz has made a full confession of his part in the murder of Harman Hulcher, the scissor grinder, whom he killed for $82.

NEW YORK, 19.—Dr. Harris, physician of the Blatchford family, says the six domestics of that family, who were poisoned, undoubtedly obtained the poison in corned beef. It is supposed that the butchers at the market where the beef was purchased used arsenic to kill rats and some spilled into the pickle which contained the beef. All the poisoned are recovering.

The grand opening festival of the New York Schweitzer corps commenced this p. m. on Union Hill. It will last four days.

PHILADELPHIA, 19.—A special from Washington says the committee of stockholders of the Northern Central Railway report in favor of leasing the line to the Pennsylvania Railway Company.

POUGHKEEPSIE, 19.—The coroner's jury in the case of Gerret, killed by the falling of the gallery of Sing Sing prison, would express the conviction that the legislature of the State of New York exhibited culpable negligence in refusing the necessary appropriation to remedy the insecurity of the galleries.

WASHINGTON, 19.—The court of claims to-day rendered judgment for some $500 in favor of retired Major Gen. Eli Long, as commutation of fuel and quarters while he was serving as professor of military science at the Indiana State University under detail of the war department. The decision of this last case establishes the principle that retired officers assigned to such duty are entitled to receive the full pay and emoluments of their work.

TOLEDO, 19.—The Wabash Elevator Company's elevator number 2, was destroyed by fire this p.m., together with its contents, consisting of about 135,000 bushels of oats, and 75,000 bushels of corn. Cure for All!—Never Despair!

E. L. PLANT.

Bronchitis, Diptheria, Coughs, Colds, and all Derangements of the Throat and Chest.

In any of the above diseases, immediate and permanent relief is obtained by effectually rubbing this detergent Ointment twice a day upon the neck, chest and back, and in all stages of influenza, settled coughs, and wheezing at the chest, the same treatment may be followed with efficiency and safety.

Bad Legs, Bad Breasts, Old Sores, Wounds, and Ulcers.

By rubbing this Ointment persevering ly upon and around the affected parts twice a day, it will penetrate to the tissues beneath, and exert the most beneficial influence: the inflammation soon diminishes, the pain becomes less intolerable, the matter thickens, and a cure is soon effected. In all long standing cases Plant's Pills should also be taken, as they greatly assist in expelling all depraved humors from the body.

Skin Diseases of all Kinds.

In this class of complaints, no matter the name, the seat, the place, or under what name the disease may be classified, immediate ease, and ultimate cure, may with certainty be procured, if this Ointment be plentifully rubbed upon the part affected, while Plant's Pills are taken in appropriate doses, night and morning, to purify the blood.

Gout, Rheumatism and Glandular Swellings.

Every one suffering from these excruciating complaints should have recourse to these purifying remedies, as they have rescued thousands from a life of torture, after all other means had failed to give them relief. The Ointment and Pills used conjointly will act so exactly and certainly, as to effect cures in the most hopeless cases.

Piles, Fistulas, and Internal Inflammations.

Persons afflicted with these distressing complaints will find in this wonderful Ointment instant means of relief, and all can effect their own cure without exposing their infirmity to any one. Plant's Pills, if taken in small doses, greatly assist the Ointment, as they purify the blood and regulate the stomach in an extraordinary manner.

Both the Ointment and Pills should be used in the following Complaints:

Bad Legs, Bad Breasts, Burns, Bunions, Chilblains, Chapped Hands, Contracted and Stiff Joints, Corns (soft), Fistula, Gout, Glandular Swellings, Lumbago, Piles, Rheumatism, Sore Nipples, Scalds, Sore Throats, Skin Diseases, Scurvy, Sore Heads, Tumours, Ulcers, Wounds.

The Ointment and Pills are sold at Professor Plant's.

The Ointment is sold in pots at $1 and $5; the smallest Pot of Ointment $1; the smallest Box of Pills $1, which contains four dozen. Sent to all parts. Full printed directions are affixed to each Pot and Box.
