

ferred much from apprehension of personal harm, and since his removal to his new cell has expressed himself to Warden Crocker as much relieved in mind and body. He has little light now and not much air, but he prefers these conditions, coupled as they are with greater safety to his person.

DENVER, 19.—Gredy D. Poole was this morning shot and instantly killed by R. P. Abbey. The shooting was the result of a quarrel regarding a bill owed by Abbey to Poole.

CHATTANOOGA, 19.—The city is crowded with strangers from the North and South to attend the reunion of the Army of the Cumberland and witness its reception by ex-Confederates. Public and private houses are being gaily decorated. The local commanders, Federal and Confederate, at a meeting this afternoon, decided if the worst should happen at Long Branch, appropriate memorial services shall be the leading feature of meeting.

CHICAGO, 19.—The Tribune's comprehensive reports of the drought and its effects show it has almost ruined the pasture in the northwest, made plowing for winter wheat almost impossible, caused a great decrease in the prospect for the wheat acreage for 1882, potato crop nearly a total failure everywhere, and all kinds of vegetables will be scarce and prices of living be high this winter.

In Minnesota, Dakota and Wisconsin there has been too much rain.

In Southern Illinois corn is being imported to supply the home demand, and people are shipping away all their stock in order to better meet the winter. Eight counties in this State report the crop equal to 1880. Fifty-two counties report it damaged 25 to 50 per cent, and 55 counties report the damage from 70 per cent to a failure.

In Missouri two-thirds of the corn is damaged from 20 to 50 per cent.

Kansas though more favored by rain, reports corn from 20 to 75 per cent damaged.

Ohio and Indiana, out of 67 counties, reports in 24 the corn damaged from 50 to 75 per cent, and in 33 from 10 to 40. It can be readily seen the condition of corn is no better than in other portion of the corn belt.

In Iowa, thirty-three counties, reports show corn damaged from ten to 75 per cent, and the general average of damage is 62 per cent.

Nebraska is greatly reduced. The recent rains all over the north-west have greatly helped fall seeding.

CINCINNATI, 19.—Aubrey Winslow, confidential agent for M. S. Forbes, pork merchant, has left with a shortage of \$15,000 to \$20,000, caused by wheat speculations. He left a letter owning up.

COLUMBUS, Ohio, 18.—The following was published to-day:

Geo. K. Nash, Chairman of the Republican State Executive Committee:

Dear Sir:—During the week a long list of appointments for the able and distinguished speakers of the republican party have been announced for Ohio, beginning the 20th inst. The democratic com-

loved and advocated with all his great power. From his lifelong and magnificent record we know their triumph is most earnestly wished for by him. Whether by the will of Providence, President Garfield lives or dies, it is the sacred duty of republicans to use all proper means to maintain these principles.

President Garfield, a soldier for the Union, never faltered because an eminent and useful commander fell on the field of battle. If Garfield's voice could be heard he would say to his old comrades, "Do not abandon principle because I suffer." In contending for his and their principles the republicans will follow his example and obey his command. Whether it is proper at this time to advocate principles which the President always believed to be injurious to the country, is a question for your committee to determine for itself.

In conclusion let me assure you, that no one could feel greater sorrow over the critical condition of President Garfield than I do. I am proud by him and vindicated his honor and good name from all attacks less than one year ago.

Very respectfully,
GEO. K. NASH,
Chairman of the Republican State Executive Committee.

Skin Diseases, Biliousness,
Liver Complaint,
Dropsy, Tetters, Tumors and Salt Rheum,
Worms, Gout, Neuralgia, as a Dinner Pill,
and Purifying the Blood, are the most congenial
purgative yet perfected. Their effects
abundantly show how much they excel all
other Pills. They are safe and pleasant to
take, but powerful to cure. They purge out
the foul humors of the blood; they stimulate
the sluggish or disordered organs into action;
and they impart health and tone to the whole
being. They cure not only the every day
complaints of everybody, but formidable and
dangerous diseases. Most skillful physicians,
most eminent clergymen, and our best citizens,
send certificates of cures performed,
and of great benefits derived from these
children, because "not only as an effectual
being sugar coated, they are easy to take;
and being purely vegetable, they are entirely
harmless."
