NOTICE TO
FARMERS.

THRASH your grain as soon as it is harvested. Past experience has proven to all, that wheat that is put up in a stack to stand until winter has been mostly destroyed by cattle and mice. Having selected and brought through a machine that is well adapted to the grain raised here, and having had long experience in the business, I hope to merit a liberal share of public patronage. Brethren in the adjoining valleys can see me at my residence on Big Cottonwood, or in the 12th ward in G. S. L. City. As there has been much waste of grain by improper feeding of animals, I will be responsible for all unnecessary waste. 13-19

LEATHER! LEATHER!! WE take this method of informing the Citizens of this place and surrounding country, that the 15th ward Tannery is now in operation, and design keeping on hand a large and well assorted stock of leather of every description, which shall not only surpass anything heretofore manufactured in the Territory, but shall equal, if not surpass anything brought into this market for sale.

The mechanical branch of this business will be carried on under the direction of A. L. Toussiz, who, having been engaged for years in the manufacturing of leather in Austria, Russia, France, England and the United States, has thoroughly satisfied himself by trial, that the very best article of leather can be furnished from the material with which this country abounds. Call at Townsend's building, East Temple st., 24 doors above Kimball's store, and satisfy yourselves by a thorough examination of the article. Hides of every description purchased. We the undersigned workmen of leather, take pleasure in recommending to the public, the article furnished by the 15th ward tannery of this city, and pronounce it equal if not superior to any leather, domestic or imported, ever offered for sale in this market.

L. W. HARDY & GEO. GODDARD,
LICENSED

Auctioneers and Commission Merchants

For Great Salt Lake City,

WISH TO INFORM the inhabitants of this Territory that they intend to establish a Weekly Auction at Goddard's Auction Mart, every Saturday at 10 o'clock, for the sale of all kinds of property, including Horses, Mules, Wagons, Harness, Cattle, Merchandise, Furniture, Cooper Ware, &c.

We will either take any of the above named articles or Stock and sell them at public sale on commission, or purchase them for cash and take the risk of the auction ourselves.

The advantages that may be realized by the public from such an establishment are too obvious to need comment. Suppose for instance, you have a wagon, or harness, or anything else that you have no particular use for, and you really need a set of chairs, a churn, wash-tub, or some other useful furniture, but you've no money to purchase them with—what's to be done? Bring your ox, wagon, harness, or horse, and have it sold by auction; and the? It may not realize more than one third its real value, with that means you may buy your chairs, tables, churns, tubs, &c., (which are also sold by auction) at about one third their real value. In this way you may exchange useless articles for useful ones, and if to obtain them you had to SELL cheap, others have given you the privilege of BUYING cheap.

Many more samples might be given to illustrate the utility and benefit of such an establishment to the community at large; but a hint to the wise is sufficient.

All persons having property for us to dispose of, by giving timely notice, may have the benefit of an advertisement in the "News" free of charge.

FLOUR! FLOUR!! FLOUR!!!

May soon be obtained for six dollars per cwt, and we advise you to bring on your articles for sale, that you may be ready with Cash in hand to purchase, when it comes. LEONARD W. HARDY, GEORGE GODDARD, Auctioneers.
