Burlington Route. Why? Of course you have heard of the Burlington. Everybody has, and unless you will be surprised when you see the train, it is a wonder, and the dinner is immense, the meals cannot be excelled, the neatness of the interior, the courteous waiters, cleanliness and improvements in track, have made the Burlington almost perfect. You eat sleep in a sleeper, dine in a diner, smoke in a smoker, read in a library car and ride over the roof. And to make this all go the Burlington have the latest engines in the West. They are as big as a house, as fast as a whirlwind, and cover this road in such and ride better than any other.
