TAKE NOTICE.

STRAYED from the subscriber, on or about the 18th of October, three cows and two heifers. The oldest cow was red, and a white spot in her forehead—white on the flanks, and expected to come in about the 10th or 15th of Nov.

The next oldest was a pieded cow, of the same size, and larger horas; and the other a three year old cow, dark speckled sides, black nose and teats, and very short little crooked horns. The heifers are two years old; one black, with white on the flank. and black specks in it, and a white spot in the fore-head. The other is a red line back, with a star in

ATTENTION: THE 21st Quorum of Seventies. Being desirous to know the situation of the Quorum, and not knowing what has become of my seniors, I take the responsibility (having been advised by the first Presidency of the Seventies) of calling upon the members of the Quorum to report themselves to me Having had fif-hy letter, at Fillmore city; hoping I may meet you a herding sheep, at the next April Conference; and if there are any who formerly belonged to the Quorum, and have

been promoted, or otherwise left the Quorum, they would confer a favor on me to report the same.
