Gen. Sumner Reports Failure of the Negotiations.

**SOUTH LUZON INSURGENTS.**  
Disappointment Felt in Manila Over Conditions - A Number of Camps Discovered and Destroyed.

Manila, June 12.—The fall of H. W. Haplo, postmaster of the commissary department, charged with receiving in monthly installments money from a storekeeping company, began today. The defense is that the money received was for extra services. The alleged receipts appear on the company's books and it is claimed that Haplo signed under an assumed name.

D. M. Carman, the former California D. M. Carman, in February last on the charge of furnishing supplies to the insurgents, but whose prosecution was abandoned last month and has the United States shortly and has asked for his appearance when summoned to trial. Gen. Sumner has declined to order the return of the money, but probably it will be returned after the insurance is over.

Gen. Sumner has returned here and has reported to Gen. MacArthur the failure of negotiations for the surrender of Calles, the insurgent leader in Laguna province. The Filipino apparently believes he can hold out now that the rainy season has begun.

Disappointment is felt here at the backward conditions in southern Luzon. Some insurgent camps have been discovered and destroyed. Lieut. Cowen with a detachment of fifty men killed five insurgents near Jorlar.

The United States Philippine commission today began the consideration of the case of civil procedure. The American lawyers argued against the provision making Spanish the court language.

Admiral Kitching, of the German navy, who is on his way to Australia and China, called on Gen. MacArthur and the United States Philippine commission today. The island of Parana has been occupied by the Tenth infantry.

The Twenty-ninth, Thirtieth, Thirty-second and Thirty-third batteries of coast artillery probably will go home June 20th on the transport Indiana.

**DANCERS INJURED.**  
Were Having a Good Time in a Grassy field when a Storm Demolished it.

Lamberton, Minn., June 12.—Reports have just been received that during the storm of Tuesday in Redwood county the new granary of Fred Schultz in Waterbury township, in which a large party of young people were enjoying a social dance, was demolished and five dancers severely injured. The injured are John Notting, John Bittner, Charles Long, Ed. Bittner, and others.

The granary was lifted from its foundations and hurled against a barn, demolishing both buildings. A number of buildings were destroyed by the same storm at Echo, Revere and Randolph, and additional reports of further damage are coming in.
