KLEM IS ACCUSED OF ROBBING CUBS

Chicago, Sept. 9.—Charges that Umpire Klem acted as a conspirator in robbing the Cubs of any reasonable chance for victory at Pittsburgh Tuesday night, were made yesterday in a lengthy statement by President Murphy of the National League.

Not only did the owner of the West Coast team question the honesty of Klem, but he also questioned the honesty of the umpire who officiated at the game. Murphy said that Klem was "deliberately robbing the Cubs of the game" and that he was "a conspirator in the robbery."

ATHLETICS COMMITTEE OF SCHOOLS MEET.

Chairman Combs of the executive committee of grade school athletics has called a meeting of the committee for this afternoon at which time the work of the committee for the year will be taken up. There has always been a great deal of interest in grade school athletics, especially in the baseball and basketball series and track events. The race last season for the championship in basketball and baseball was a most interesting one and brought out the best kind of rivalry. The committee will decide this afternoon just what is to be done the present season.

CLUB MAKES MISTAKE.

Philadelphia, Sept. 9.—That the Philadelphia National League club owners have committed a mistake recently when they refused to ratify the Donlin-Beggs-Murray deal seems to be indicated by their efforts to arrange another deal. It is asserted that a settlement was made with Manager Murray this week by which he gives up his three-year contract and steps out at the close of the season. His payment in return has been chosen, but his name is kept a secret. Offers of substantial deals have been made for Mager by three National League clubs.

OFFERS TO PLAY BALL.

Liberal Proposition to Managers of Deseret League Teams.

Imperial, Cal., Sept. 9.—Managers of the Deseret League baseball teams of Imperial, Brawley, El Centro, Calexico, Holtville and Yuma, are being swamped with offers to play during the winter season. Last year Scott of the Chicago White Sox, Eastern of the Cleveland team and several members of the Pacific Coast league teams played here. They were impressed with the advantages of this valley as a training ground. They are preparing to return and bring many others from the major and coast leagues. It is expected that the league as a result, will present better ball during the winter than is often seen to any part of the country.

Now McLaughlin has filed suit to regain possession of the property, asserting that, by a clause in the original bill of sale, the owner failed to deliver the race track to Cooper and that the latter had no right to use it for other purposes than racing.

THOUSANDS OF MEN RETURN TO WORK.

Pittsburg, Sept. 9.—More than 4,000 men were at work at the plant of the Pecos River Coal Company today. A thousand others were waiting their chance to secure their old positions. By Saturday morning the entire force, numbering over 6,000 men, will be back at work.

Early today all of the imported men, estimated at 500, were taken across the Ohio river to Bellevue and placed on trains for Chicago and New York. It is expected that the state troopers and other armed guards will be withdrawn by Saturday.

United States District Atty. Jordan and Special Agent Houghton are in Washington today. They have seen the evidence secured in the postage investigation in connection with the strike.

Berlin, Sept. 9.—Crown Prince Frederick and the crown princess visited the Tempelhof parade ground early today to see Orville Wright. Hart O. Wright, the Egyptian business manager of the Wright brothers, explained the workings of the machine to the royal visitors, after which the crown prince and the princess talked with Mr. Wright and his sister Katherine, asking many questions.

Mr. Wright then made a flight of 20 minutes duration in a biplane which, when he descended the crown prince and the princess applauded and congratulated him. Mr. Wright then went up again with a passenger, Capt. Engelhardt, his German pupil, and remained in the air for 15 minutes.

Mr. Wright continued his public flights this afternoon.
