Testimonial to Dr. E. L. Plant.

About six weeks ago I was perfectly cured of a cancer in my tongue.

The suffering through which I passed previous to its removal cannot be described.

The cure was effected without any surgical operation, and I gradually experienced great relief from the commencement of Dr. Plant's skillful treatment.

The entire cure was performed in six weeks. I am sixty-one years old, and am prepared to answer any or all enquiries in relation to the matter.

But the case, to myself, seems so wonderful that I think it my duty to take the present means of communicating the fact for the benefit of others.

ORIGINAL AND OTHER NEWS.

STILL later the people met in fact and prayer meeting in the numbers, in the fine new sandstone tabernacle, when many of the people were present.

The hymns were sung by the choir. Before closing, a number of affectionate addresses were made by the Elders.

G. B. Clark and Sister Susan Y. Dunford. The President then closed with a most interesting and powerful exhortation to all the Latter-day Saints.

I do not recollect ever hearing him speak with greater freedom or more to the point.

At 3 p.m. the President met with some forty old gentlemen and ladies, and old time members of the Church, at the Snow House, where Elder MacDonald's family and others had previously prepared an excellent collation of cake, wine, etc.

The band was also in attendance, and a hearty good feeling prevailed throughout. On President Young's return to his home, he was met at the gate by a number of young misses, dressed in white, who sang a touching song, composed for the occasion, and singing the action to the word showed flowers from the gate to the house for him to walk on.

The weather is cool again, but dry. All is peace in these parts.

A. M. MUSSER.
