## BY TELEGRAPH.

PER WESTERN UNION TELEGRAPH LINE.  
FORTY-SEVENTH CONGRESS.

WASHINGTON, 5.—The Senate re-  
ceded from its amendment to the  
deficiency bill for mileage of sen-  
ators at the special session.

Bayard then submitted a joint  
resolution for such mileage. Passed  
unanimously.

The tax bill was laid aside infor-  
mally, and Miller, of New York,  
spoke on knit goods.

Bayard advocated the amend-  
ment to the bill which he desired  
to continue in force until general  
reformation of the tariff would be  
made increasing the duty on wool-  
en manufactures from 45 to 50 per  
cent.

The committee report on amend-  
ments was concurred in.

The Bayard amendment was vot-  
ed down—yeas 23, nays 28.

Harris moved a substitute for  
the bill providing for duty on im-  
ported wool at 25 per cent. Re-  
jected without discussion, yeas 12,  
nays 35.

Bayard desired to have an ex-  
pression of the sense of the Senate  
as to whether the range of tariff duties  
shall exceed 50 per cent and inasmuch  
as he offered an amendment limiting  
the duty accordingly upon mechan-  
ical described in the bill.

Wilson, from the conference on  
the bill for the publication of the  
agricultural report, announced an  
agreement by which the Senate  
amendment was retained in the bill,  
which contemplates the printing of  
300,000 copies.

The pending amendment of Bay-  
ard was voted down—yeas 20, nays  
28.

Tate offered an amendment plac-  
ing salt on the free list.

Rejected 21 to 23.

The tax reduction bill then came  
up as unfinished business, but was  
laid aside informally.

The House bill extending fees to  
certain officers over the Territories  
of New Mexico and Arizona passed.

A recess was taken until eight  
o'clock, in order that the conference  
report on the sundry civil bill might  
be presented.

Allison presented a conference  
report on the sundry civil bill.

Wilson, of West Virginia, from  
the committee on foreign affairs,  
submitted a report upon the powers  
of the House to compel shipping to  
answer certain questions which he  
had declined to answer, and to pro-  
duce certain evidence. The report  
was referred to the House calendar.

The death of Harburt and Kil-  
patrick prevent any further proceed-  
ings there. From the fact that  
Blaine is not an officer of the United  
States it is believed that any at-  
tempt at impeachment as Blaine  
is not a member of the House and it  
has no jurisdiction over any of the  
supposed conduct of his.

A recess was taken until eight  
o'clock, in order that the conference  
report on the sundry civil bill might  
be presented.

The Speaker laid before the House  
a message from the President trans-  
mitting the report of the Secretary  
of State respecting American citi-  
zens imprisoned in Ireland. Re-  
ferred.

The Secretary states that the per-  
sons alleged to be American citizens  
still in prison in Ireland are O'Ma-  
ley, McSwiney, Slattery and Gan-  
non; that McSwiney and Slattery  
produced regular certificates of nat-  
uralization, Cannon establishing his  
claim to American birth, and O'Ma-  
ley was irregularly naturalized on  
the ground of service in the navy.

The report further states that it  
appears from a note from Master  
Lowell, that Her Majesty's Govern-  
ment does not entertain at present  
the intention of bringing these per-  
sons to trial, but it offered them a  
discharge on condition that they  
leave Ireland for America, which  
was refused. Lowell has again been  
instructed to give a speedy trial.

Recess till 8 o'clock to await con-  
ference on the sundry civil bill.

After a long debate the report was  
adopted without division, and the  
Senate adjourned until Monday.

HOUSE.

WASHINGTON, 5.—The Senate  
amendment to the resolution for the  
establishment of diplomatic rela-  
tions with Persia was concurred in.

The concurrent resolution was  
agreed to, giving the use of the ro-  
unds and adjacent rooms in the  
Capitol to the Garfield monument  
committee of the Society of the Army  
of the Cumberland from Novem-  
ber 26th to December 30th, to hold  
a bazaar and reception to raise  
funds for the statue to Garfield's  
memory.

The Senate amendment to the bill  
amending the statute relating to  
steam vessels was agreed to.

The Senate conference reported an  
agreement on the naval appropria-  
tion bill, and the bill passed.

Joint resolutions were passed for  
a court of inquiry on the loss of the  
Jeanette, and also for a committee  
of three Senators or Representatives  
on the wants of American ship-  
building.

The conference report on the naval  
bill was agreed to.

At the evening Session Oakes  
submitted a conference report on the  
bill to relieve certain soldiers of the  
late war from a charge of desertion;  
agreed to. The bill was agreed to  
except its provision for technical de-  
serters who served more than six  
months in the army.

Hiscock pointed to conference re-  
port upon the sundry civil appropria-  
tion bill. He stated:

After debate the conference report  
was agreed to and thus the last  
general appropriation bill was passed  
by the House.

After several recesses during the  
evening, the House at 12:50 a.m.  
took further recess until Monday, at  
1 o'clock.

AMERICAN.

Long Verrage.

PHILADELPHIA, 5.—The Ameri-  
can ship *Shoebat*, which left this  
port December 10, 1881, with mis-  
cellaneous cargo for San Francisco,  
and was supposed to have been lost,  
no tidings having been received of  
her since January last, has, accord-  
ing to a letter received in this city  
from the ship's mate, Anderson, ar-  
rived at Callapa, Peru, 205 days out,  
The vessel was short of provisions,  
having encountered heavy weather  
for the entire voyage, particularly  
off Cape Horn. All are well, and  
her cargo is in good condition. The  
ship and cargo had been insured in  
Boston offices for \$15,000.

## Cutting on Freight.

CHICAGO, 5.—The general freight  
agent of the *Abraham*, *Topaka*, &  
Santa Fe Railroad, announces a re-  
duction of five cents per hundred on  
freights from the Missouri River to  
El Paso, and points on the Southern  
Pacific between Deming and  
Yuma, and on the Santa Fe, three  
cents on fifth, to take effect at once.

This is said to be the first step in re-  
lief for the section on the roads  
running to Missouri River points,  
making Council Bluffs and Kansas  
City rates the same as the Omaha  
rates.

Sanctified Thieves.

The Reading family, consisting of  
mother and two daughters and  
three adopted girls of tender years  
who were recently arrested for shop-  
lifting, have turned out to be the  
nucleus of a very bad crowd who,  
through their confessions, have  
been unearthing and appear to have  
stolen extensively from all over the  
city. Mrs. Reading was rapidly be-  
lieved to be the center of the pilfering  
of her brood.

Tornado in Arkansas.

LITTLE ROCK, 5.—Information  
was received to-night of a tornado  
which passed over a portion of Ouas-  
hita county Wednesday evening.

The wind traveled in a south-westerly  
course at the rate of 50 miles an  
hour. Near Lone Tree ferry on the  
Anchita river, a tree was blown  
across a main containing a man  
named Wilson, his wife and four  
children. The wife was killed and  
one child badly hurt.

The Eight Hour Rule.

WASHINGTON, 5.—It is stated that  
the President has urged the strict  
enforcement of the eight hour law.

The matter has been discussed, how-  
ever, entertain different views on  
this subject. The Attorney Gen-  
eral in a recent opinion held that the  
present law was sufficient and its  
proper enforcement would require  
additional legislation. The Sec-  
retary of the Navy demands that the  
existing law be strictly enforced.

A recess was taken until eight  
o'clock, in order that the conference  
report on the sundry civil bill might  
be presented.

ship and cargo had been insured in  
Boston offices for \$15,000.

## LENA, MEXICO, R. MARIN, THE CASHIER

of the custom house, and Major  
Artes, fought a duel with pistols this  
morning. Neither were hurt, but a  
boy spectator was shot and killed by  
Marin.

Washington, 5.—Ex-U. S. Deputy  
Marshal R. C. Howell shot and  
killed Sandy Ryrum, colored, the  
most prominent leader of the repub-  
licans in Madison County, at the in-  
dependent rally to-day. A mob of  
negroes congregated, vowing they  
would kill Howell, but were pacified  
with great difficulty. Hewitt fled,  
but it is rumored that he was arrest-  
ed late last night.

Little Rock, Ark., 5.—On Thurs-  
day night Constable Applegate and  
a posse went to the house of John  
Doe, in Lafayette County, who with  
Will Agers was suspected of mur-  
dering a negro named John Wesley,  
early in the week. In the house  
were both the men wanted and two  
others. They resisted and killed  
Applegate and two of the posse and  
escaped. Wesley, the murdered neg-  
ro, was a large landowner in La-  
fayette County.

Chillicothe, Ohio, 5.—A man  
named Geddings, to-day, if circum-  
stantial evidence counts for anything  
murdered Wilshire, a farmer, with  
Whose wife he (Geddings) had eloped.  
The recent wife returned and  
Geddings followed. He is now miss-  
ing again.

Horrible Butchery.

GRANADA, Miss., 5.—Capt. Tho-  
mas Kirkman, a wealthy planter, went  
last night to his plantation and  
brained a colored woman with whom  
he had been on intimate terms for  
some years, and her four children  
with an axe, then took a dose of  
morphine and lay down in the same  
room. At last accounts he was still  
alive. It is said he was father of  
three of the children.

FOREIGN.

The Suez Canal.

ALEXANDRIA, 5.—The greater  
part of the German press, referring  
to the occupation of Suez by the  
British, acknowledges that the Eng-  
lish acted wisely in occupying a  
position which is now of great im-  
portance to her.

The Khedive and the Canal.

In consequence of a telegram re-  
ceived at Paris from De Lesseps at  
Ismailia, the Suez Canal Company  
passed a special resolution declaring  
that as the Khedive could not au-  
thorize the making of the Suez  
Canal without the sanction of the  
Sultan, he has not power to inter-  
fere with it.

Coteway Set Aside.

DURBAN, Africa, 5.—At a mass  
meeting a resolution was passed  
against the restoration of Coteway  
was almost unanimously adopted.

French Ministry.

PARIS, 5.—The Bureau of the Left  
has rejected the proposal to invite  
Bismarck to visit Paris, and decided  
in support of a minority of appeasement  
and conciliation. Merange,  
of the extreme Left, protested  
against any expedient which would  
rehabilitate the late ministry.

Tender Solicitude.

LONDON, 5.—A confidential cir-  
cular has been addressed to the  
county inspectors throughout Ire-  
land requesting them to report  
whether any large number of per-  
sons from the districts are arriv-  
ing to visit Dublin on the occasion  
of the opening of the exhibition  
and the unveiling of the O'Connell  
statue, whether Irish or English.  
Leaguers or Fenian suspects are ex-  
pected to be present.
