## Out of Work.

There be those who say that there need be none unemployed—that there is work for all, if they will but do it. What we say, is, let every one who has a cough or cold take Hall's Balsam at once. It is the only reliable remedy, that never fails to cure. dead w

## Various Causes—

Advancing years, care, sickness, disappointment, and hereditary predisposition—all operate to turn the hair gray, and either of them inclines it to shed prematurely. AYER'S HAIR VIGOR will restore aged or gray, light and red hair to a rich brown or deep black, as may be desired. It softens and cleanses the scalp, giving it a healthy action, and removes and cures dandruff and humors. By its use falling hair is checked, and a new growth will be produced in all cases where the follicles are not destroyed or glands decayed. Its effects are beautifully shown on brashy, weak, or sickly hair, to which a few applications will produce the gloss and freshness of youth. Harmless and sure in its operation, it is incomparable as a dressing, and is especially valued for the soft lustrous richness of tone it imparts. It contains neither oil nor dye, and will not soil nor color white canaries; yet it lasts long on the hair, and keeps it fresh and vigorous. For sale by all dealers. dsw

## Solid Merit will Tell.

For all the bitter opposition of jealous rivals, no better illustration could be had of this fact than the immense sale already attained by the great Throat and Lung Remedy, Dr. Aug. Kaiser's German Elixir. For the cure of Coughs and Bronchial Affections, it is truly wonderful, even those suffering from Consumption in advanced stages find great relief, and numbers of patients have found, to their delight, not only relief but cure. It being perfectly harmless, makes it at once popular with mothers, who of all others have felt the necessity of such a medicine. The genuine bears the Prussian Coat of Arms, the fac-simile signature of Dr. Aug. Kaiser, and has his name blown on every 75 cent bottle. A trial size may be had for 25 cents.

For sale, wholesale and retail, by the Z. C. M. I. Drug Department at Moore Allen & Co., Salt Lake City. d226 w29

## It is Abominable.

To go through life with "snags" in the mouth. Abominable, not more to the sufferer than his friends. Buy SOZODONT and cleanse the teeth, which remain, or, better still, use it now and save your teeth. SOZODONT is economical. eod s&w

## THE SUN for 1880.

The SUN will deal with the events of the year 1880 in its own fashion, now pretty well understood by everybody. From January 1 to December 31 it will be conducted as a newspaper, written in the English language, and printed for the people.

As a newspaper, THE SUN believes in getting all the news of the world promptly, and presenting it in the most intelligible shape—the shape that will enable its readers to keep well abreast of the age with the least unproductive expenditure of time. The greatest interest to the greatest number—that is the law controlling its daily make-up. It now has a circulation very much larger than that of any other American newspaper, and enjoys an income which it is at all times prepared to spend liberally for the benefit of its readers. People of all conditions of life and all ways of thinking buy and read THE SUN; and they all derive satisfaction of some sort from its columns, for they keep on buying and reading it.

In its comments on men and affairs, THE SUN believes that the only guide of policy should be common sense, inspired by genuine American principles and backed by honesty of purpose. For this reason it is, and will continue to be, absolutely
