

PARENT SCHOOL.

THE Parent School commenced on Monday Nov. 11th, at Mrs. Pack's house, 17th ward, under the direction and supervision of Professor Orson Spencer. The board of regents have employed Dr. Collins, A. M., for the present, who will instruct in all branches taught in high schools. The prospect is favorable for a rapid advancement in the sciences.

Terms, for one quarter, \$8, half in advance.

Samuel W. Richards, has been appointed committee to make preparation and give any information necessary, regarding this department.

W. Woodruff has a large and well selected assortment of school books; the different wards would do well to procure a supply, that their children may be rapidly advanced in the various branches which will be taught the present winter.
