A Wonderful Cure.

DR. C. W. HIGGINS

Is gaining a wide reputation for his skill as an OCUList.

AMONG his most recent cures is that of an infant daughter of Mr. J. DeSpain, living at Deep Creek, Utah. The child is six years old, and during the last three years she has suffered greatly with her eyes. Fearing total blindness, the father, about a month ago, placed the child under the care of Dr. Higgins, and his skillful treatment has restored soundness to her sight. A little weakness is apparent, a bright light produces pain; but all inflammation and signs of disease have been removed, and in another week or two the doctor expects to have the child's vision restored to perfect strength. This is a very gratifying cure, and speaks highly for the attention and skill of the Doctor.

TESTIMONIALS.

DR. C. W. HIGGINS:
Dear Sir.—I have been afflicted with fits for many months past, and have suffered everything but death. After trying many remedies that the doctors ordered me, and the various remedies that filled the papers seemed to do me no good. Then I gave up in despair, until I saw your advertisement in the Salt Lake Tribune. I was so impressed with your new and simple theory of diseases that I determined to call and see you at once. Thank God I did; words cannot express my gratitude and joy, and I wish to make it known, as I deem it a duty to all afflicted with this awful malady to do all in my power to make known to mankind a true physician as one that cures.
J. G. WIGGIN.
Ogden, Utah, July 19, 1874.

DR. HIGGINS:
Dear Sir.—I took your medicines according to your directions, and I feel that they have done for me what medicines never done for me before. I feel really well, better than I have before for many years. I shall ever feel grateful to you for these blessings, and take pleasure in recommending your treatment to the afflicted ones of Utah. Your medicines had the desired effect at once, having removed all the moth patches from my face, and the yellow and sallow complexion has gone as it were by magic. I feel none of those bad headaches or any pain whatever. Having only used your medicines three weeks, I am grateful. Hoping others may receive as much benefit as I have. I remain your friend,
MRS. S. J. RUSSELL,
14th Ward, Salt Lake City.
