SPANISH FORK.

Patent of Bogus Smallpox is "Recovering"—Hotel Proprietress Only Suffered.

Special Correspondence.
Spanish Fork, Utah Co., Dec. 15.—Mr. Palmquist, the man who is quarantined on suspicion of having the smallpox, is in a decidedly healthy condition. Since his isolation he has spent most of his day time rehearsing comic selections, singing merry songs and occasionally sparring a la Jeffries with his attendant. On his face and body are found no scars nor pits nor signs of the disease. Both he and the lady, Lindsey, of which he is a member, will leave here about Sunday next.

It will be remembered that the John Lindsey troupe was quarantined at the Boyack house at this place because of its members having been in immediate contact with the patient Palmquist. The act of the board of health in taking immediate steps to prevent, if possible, the spread of the disease, is most commendable, although, as it now seems, there was no danger as no one of the members of the troupe has shown the least symptom of the smallpox. The only sufferer in the case is Mrs. Boyack, of the Boyack house, because of the temporary stay at her house of the troupe. Justice to Mrs. Boyack it can now be stated affirmatively that the infection never entered her house, and if it had in the most hidden way, her premises have been so thoroughly fumigated and disinfected that no germ could live after the ordeal.

Mrs. Mary F. Mellor, so widely known as an active business woman, is just recovering from a serious attack of sickness.

We know a pair of these shoes for little men would just please him. They're made just the same as we make our men's shoes. Of course, if you want a pair of shoes for your wife, we have them; \$3.00 buys more shoe value than you ever saw before.

ABOUT

Grape-Nuts.

"It seems to me I would have starved but for Grape-Nuts. I have had stomach trouble for a long time, and the last few months been obliged to diet so carefully that I could use none of the starchy food, like bread, potatoes, beans, etc., but Grape-Nuts and Postum Cereal Coffee have helped me out.

"Our family buy Grape-Nuts a dozen boxes at a time. One never tires of them. I have never seen a food that equalled Grape-Nuts." Mrs. J. H. Cooper, Santa Ana, Calif. (Wife of the Pastor of the Congregational Church.)

(People never tire of Grape-Nuts. If they don't eat too much at a time. Stick to a limit of three heaping teaspoons and you will look forward to the meal as a lover does to a tryst with his sweetheart.)

ATHLETIC FEATS

AT Y. M. C. A.

Entertainment Was Well Attended—Audience Greatly Pleased.

THE BASKET BALL GAME.

During the Exhibition a Heavy Twelve-Foot Ladder Fell Upon the Heads of the Spectators.

The gymnastic exhibition at the Y. M. C. A. last night was a splendid one and was a flattering tribute to the excellent training powers of Athletic Director J. A. Augustus.

But one incident occurred to mar the pleasure of the occasion, and that was of sufficient consequence to cause, for a time, considerable alarm.

While moving some bars to one side, the boys pushed the heavy frame upon which the bars were hung, against a huge ladder extending horizontally with a connecting ladder. A number of small boys were sitting upon the ladder which was directly above a number of ladies. Suddenly the ladder and boys came down with a crash. For a moment it was feared that some one was killed, but beyond a few contused heads and little Grace Pratt having her head bruised, no damage was done.

Eighteen young men took part in the bar-bell drill and parallel-bar exercises which was very interesting. Mr. Augustus did several very skillful and difficult swings. The illuminated Indian club swinging was extremely well performed and pleased the visitors very much. In the game of basket-ball the Blues were defeated by a score of 25 to 7, two twenty minute halves being played.

During the first half the Reds scored six baskets by interfering throws. The Blues scored one point by a foul, which gave them a free throw. In the second half, the Reds scored seven baskets against the Blues' three baskets. C. Clark made 16 of the 26 points for the Reds.

The individual scores were as follows: Reds—Demming, 6; Tuckett, 4; Clark, 16; Rasmussen, 6; Cheshire, 1 foul; Blues—Miller, 2; Johnson, 2 fouls; Miller, 4; Wright, 0; Johnson, 5 points and 3 fouls; Madsen, 0.

BILLY STIFF THE VICTOR.

Lands Heavily on McCormack and Wins in Sixth Round.

A dispatch from Chicago says: Billy Stiff, the Chicago middleweight, was given the decision over Jack McCormack, the Philadelphia heavyweight, at the end of six rounds.

McCormack was fairly twenty pounds heavier than Stiff. Both men went at it hammer and tongs as soon as they toed the mark. Stiff was put to the floor near the end of the first round by a right swing on the head. He lay about ten minutes in the next by sending Mac down twice. Mac was down again in each succeeding round, and in the final one had all he could do to stand on his feet as Stiff landed some desperate swings on the jaw without a return.

INTERNATIONAL RACE.

Held in the Madison Square Garden Today.

An international cycle race meet will be held in Madison Square gardens, New York, this afternoon and tonight. Among the competitors will be Giovanni Tommaselli, Harle Meyers, Geo. Banker, Edouard Taylore, Pierre Chevalier, John Fischer and Albert Champion, of Europe.

Some of the best amateur and professional riders in America will take part. The meet, it is announced, will be the last held in the garden this season.

In the afternoon the feature was a fifteen mile motor-raced match between Ray Duer, Buffalo, and A. R. Ross, of Newark, N. J., for the indoor amateur paced championship. Both riders are world's record holders. The preliminary heats of the international open sprint races were also run.

At night one of the most important matches of the year will be decided. Harry Elkes, the professional middle distance champion of America, will meet Edouard Taylore, the middle distance champion of Europe in a motor-paced race of one hour's duration. Elkes held the world's record for the hour until it was beaten by Taylore. These men will not meet again until they race in Berlin, Germany, in May next. Consequently both are eager for the victory tonight. Elkes is a slight favorite for the race.

Fischer and Chevalier whose plucky struggle in the recent six day race won them many friends, will appear in a match pursuit race against two American riders. The finale of the sprint race will also be run tonight. Tommaselli, Banker, Meyers and other foreign stars who have been in Boston during the week, returned last night in good condition for today's racing. They will return to Europe early in the new year.

DUMMY ROWAN WINS.

He Puts Big Jim Daley to Sleep in the Fourth Round.

The flat contest at Mercus last night between Jim Daley and Dummy Rowan resulted in the latter meeting out to the former a crushing defeat.

In the third and fourth round Dummy nearly sent his friends into spasms of delight by his fast and deadly work. Considerable clinching was done in the third and all the telling blows were landed by the mute.

He was simply "awfully" lively in the last round and easily demonstrated his superiority over his antagonist.

In the latter part of the fourth round, Dummy landed left an Daley's jaw which sent him to the floor. He staggered to his feet only to catch a vicious uppercut which ended the fight.

SPORTING NOTES.

As a result of the arrangement for a game of football between the University team and a team composed mostly

of Y. M. C. A. men, Manager John T. Axton has resigned. Some of his men insisted on playing and he would not give his consent and finally sent in his resignation.

The gymnastic program at the Y. M. C. A. last evening was a decided success. Each number was well rendered and the audience was greatly pleased.
