Mrs. Annie McKay, Chaplain Sons of Temperance, 326 Spadina Ave., Toronto, Cured of Severe Female Troubles by Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM :--- Being a mother of five children I have had experience with the general troubles of my sex. I was lacerated when one of my children was born and from that hour I date all my afflictions. I found that within a few months my health was impaired, I had female weakness and serious inflammation and frequent flooding. I became weak and dizzy but kept on my feet, dragging through my work without life or pleasure. A neighbor who had been helped by taking Lydia E. Pinkham's Vegetable Compound insisted that I take at least one bottle. I did so and felt so much better that I kept on the treatment. For seven months I used the Compound faithfully and gladly do I say it, health and strength are mine once more. I know how to value it now when it was so nearly lost, and I appreciate how great a debt I owe you. The few dollars I spent for the medicine cannot begin to pay what it was worth to me. Yours very truly, MRS. ANNA MCKAY, Chaplain Sons of Temperance."

Farmers' Meeting -- General W. B. Pace Honored-Lecture on Social Economics-News Briefs.

Special Correspondence. Provo, Feb. 11 .- A special meeting

of the city council was held last evening for the purpose of considering matters connected with the refunding waterworks bonds. Last fall the council passed resolutions providing for the sale of one hundred \$1,000 four per cent waterwork bonds, payable in twenty years, to refund the 6 per cent bonds now outstanding. The bid of S. A. Kean, of Chicago, for \$100,000, less a 2 per cent commission to Mr. Kean, was accepted October Sth. Mr. Kean, under the provisions of the was required to deposit a certified check for 5 per cent of his bid, as a guarantee of good faith. This Mr. Kean has

Catarrh has become such a common disease that a person entirely free from this disgusting complaint is seldom met with. It is customary to speak of Catarrh as nothing more serious than a bad cold, a simple inflammation of the nose and throat. It is, in fact, a complicated and very dangerous disease ; if not at first, it

very soon becomes so. The blood is quickly contaminated by the foul secretions, and the poison through the general circulation is carried to all

parts of the system. Salves, washes and sprays are unsatis factory and disappointing, because they do not reach the seat of the trouble. S. S. S. does. It cleanses the blood of the poison and eliminates from the system all catar-

rhal secretions, and thus cures thoroughly and permanently the worst cases.

SSS is the only purely veg-etable blood purifier known, and the great-est of all blood medi-cines and tonics.

If you have Catarrh don't wait until it becomes deep-seated and chronic, but begin at once the use of S. S. S., and send for our book on Blood and Skin Diseases and write our physicians about your case. THE SWIFT SPECIFIC CO., ATLANTA, GA.

At the meeting of the county commis

sioners held yesterday, the deputy as sessors of the county were all presen and were instructed in regard to th mode of procedure which the missioners desired them to pursue in making assessments. Among other things they were directed to make it plain to the taxpayers that the law makes the land hable for the tax, and makes the county records the source of information for assessments, so that land owners who have failed to place their deeds on record may do so and prevent difficulties arising from land being assessed to some former owner in cases where the present owner has failed to place his deed on record. And they were further instructed to inform the taxpayers that next year the law would be strictly followed; this year there will be some exceptions to the ule, and when the assessor knows the wher, whether the evidences of owner-hip is recorded or not, the owner will assessed. This will be done for the

convenience of the taxpayers. The matter is one of great importance to the taxpayers as in case the deed of the owner is not recorded, the land may be assessed and sold for delinquent taxes without the owners' knowledge, by be ing assessed to some former owner.

The assessor was instructed to mee with the board of equalization, Wednesday, Feb. 12, at Salt Lake City. He was requested to bring up at that time

the question of assessing live stock under one year old.

A birthday surprise was precipitated last Tuesday upon Mrs. Greenloaf Blo-gett, Sr., by her relatives and friends in honor of her 70th birthday. She was made the recipient of many presents by her children.

Many of our people greatly fear that the peach and apricot crop was killed by the late fog and frost, though other fruits seem good. W. H. Crandall recently had a close

call to being severely injured by a bal-er, through one foot falling in while it was in motion, but fortunately the team was stopped before the plunger

reached his foot. A movement is being inaugurated by North Ogden parties and others looking to the erection of a farmers' flouring mill. 'A meeting will be held in the office of A. L. Brewer next Saturday. The annual meeting of the North Og-

den social and public park association will be held next Monday at 2 p. m. A birthday party is being held in Steven's hall this evening in honor of the 52nd birthday of Gideon Alvord of this place, the time being spent in the social dance, feasting and general festivities.

Wm, Spackman, an aged and highly respected citizen of this place, has been suffering for some time with general debility. Sister Elizabeth Evans, a surviving member of handcart com-pany fame, is also confined to her bed

with sickness. The next monthly meeting of the Thirtieth quorum of Seventy will be held in the Pleasant Viewward the 24th inst. at 7.30 p. m. Two returned El-ders are yet to report their labors to the quorum.
