Goshen conducting the service, and the remains were deposited in a vault at Mt. Olivet, preparatory to shipment to Newburg, N. Y., for interment. Edward Gridley of New York, cousin of Dr. Garrison, arrived yesterday, to be pres-ent at the funeral, and to look after matters connected with the estate of the deceased.

Building Inspector F. W. Lewis says that he intends to strictly enforce the ordinance of the city in regard to the onstruction of buildings with a view to decreasing the fire risks. Chief Bywater of the fire department will assist the building inspector in keeping a watch on buildings in process of construction to see that there is no faulty construc tion work going on. Contractors would probably save considerable trouble by reading up on the building ordinances of the city if they are not already familiar with them.

Ex-Sheriff Virgil Kelly of Millard county, is here from Filimore. He says there have been refreshing ains in that section of the state in the last two weeks, but that up to that time was extremely dry; and to the south t has been bone dry all winter. He re. ports an extended feeling of discouragement all over the southern part of the state, and farmers, ranchmen and stockmen are getting ready to remove to Idaho and Alberta, where more favorable conditions obtain, and where the fight for life is not so hard. There is no snow in the southern mountains.

At yesterday afternoon's meeting of the world's fair commission the secre tary was directed to pay \$1,208 to Di rector General Whitaker for Utah building furniture, and to wire Mr. Whitaker for plans for the educational department for approval by the com-mission. A letter from Mr. Whitaker stated that work was at a standstill be cause the painters were on a strike, and Naming a directhe lack of furniture. tor for the educational department was with the state board of education. and the appointment of other employes was left until April 6 next.

Dun's Review, after giving Salt Lake a rest of several months, has concluded to restore it to its place in the weekly trade report, and says of business conditions here, for the week end ing last Saturday evening, "Trade, both wholesale and retail, is rather quiet, and to some extent is retarded by continued unfavorable weather and bad roads. Some country buyers also with hold orders, pending their visit to market during conference the early part of next month. Collections are slow, but compare fairly well with last year. Money is tight and in good demand," The Elks held their annual election

last night, with some 300 members pres-ent, and the following officers were chosen: Exalted ruler, P. P. Christen. sen: esteemed leading knight, W. W. Hall; esteemed loyal knight, J. C. Barthell; esteemed logar knight, J. C. Dar-thell; esteemed lecturing knight, D. F. Halm; secretary, A. W. Raybould; treasurer, J. N. Sharp; tyler, A. A. Headberg; trustee, W. H. Dale; repre-sentative to the grand lodge, J. C. Leary: alternate, A. W. Raybould, A list of 50 delegates to the Provo convention was selected by the exalted ruler. There was a lunch and social at the close of the evening.
