

CLYDE LEAVITT IS THE MAN CHOSEN

Gifford Pinchot Names Him as District Forester With Ogden Office.

FOR DISTRICT NUMBER FOUR.

Junction City Afforded Convenience And Economy of Living in the Opinion of Chiefs.

Special Correspondence.

Washington, D. C., Oct. 8.—The district forester, who will be in charge of the six field districts of the forest service, beginning Jan. 1, 1908, have been selected by United States Forester Gifford Pinchot. They are as follows: District 1, W. B. Greeley, Missoula, Mont.; district 2, Smith Riley, Denver, Colo.; district 3, A. C. Ringland, Albuquerque, N. M.; district 4, Clyde Leavitt, Ogden, Utah; district 5, F. E. Olmstead, San Francisco, Cal.; district 6, E. T. Allen, Portland, Oregon.

It was the original intention to locate the headquarters of district 4 at Salt Lake. The change to Ogden was made on account of advantages as regards convenience and economy of living afforded by that city.

All the district foresters are men of technical training and tried practical ability in forest matters. Most of them have been members of the forest service for several years. They have risen in the service through successful promotions. They are familiar with national forest work, with the west, and with the western people. Recently they have been dealing in their daily work with the technical and business problems of the forest, and will have larger and more responsible supervision under the new assignments.

WORKED HIS WAY UP.

Mr. Greeley was born in New York in 1872 and in 1890 moved to California, which is still his legal residence. He is a graduate of the University of California, and of the Yale Forest school, receiving the degree of master of forestry from the latter, in 1904. After working with the United States geological survey he entered the forest service through civil service examination July 1, 1904. His last position was that of supervisor of the Sequoia national forest, California.

Mr. Riley was born in Maryland in 1878. He received his education in the Sherwood Friends' schools in Montgomery county, and in the public schools of the District of Columbia. He entered the forest service in 1900, and has since held successively the positions of forest assistant, forest inspector, forest supervisor, and associate chief of the office of forest management.

Mr. Ringland was born in New York in 1882. After graduating from the Montclair high school he became a student assistant in the forest service in 1900. He has since held the positions of assistant forest expert, forest assistant, chief of the section of forest management, chief of the office of lands, and assistant forester.

MR. LEAVITT'S RISE.

Mr. Leavitt is a native of Michigan where he was born in 1879. He entered the forest service as a student assistant in 1903, and has since passed through the grades of forest assistant, assistant chief of the office of organization and chief of the office of organization.

STARTED AS RANGER.

Mr. Allen entered government service as a ranger under the general land office in 1898, the first year that the "reserves" as they were then called, were under administration. In 1899 he entered the forest service as a student assistant and became a field assistant through civil service examination in 1900. In 1901 he was transferred to the department of the interior to become special inspector of timber sales and trespass controversies in the Black Hills, South Dakota. In 1903 he was transferred back to the forest service, where he became assistant chief of the section of reserve boundaries. In July of the same year he accepted the position of state forester of California. He returned to the forest service in July, 1906, as district inspector, afterwards called chief inspector, for Oregon, Washington and Alaska.

WOULD MORTGAGE THE FARM.

A farmer on Rural Route 2, Empire, Ga., W. A. Floyd by name, says: "Bucklen's Arnica Salve cured the two worst sores I ever saw; one on my hand and one on my leg. It is worth more than its weight in gold. I would not be without it if I had to mortgage the farm to get it. Only 25c at Z. C. M. I. drug store, 112-114 Main St."

POLITICAL POINTERS

The "American" party chiefs have filed with the county clerk their "Taft Liberal" and "Bryan National" tickets, through which they hope to elect their Salt Lake county ticket by working for straight lever votes for Bryan and Taft with the "American" ticket as a county ticket.

Charles Holm for justice and Andrew White for constable, is the ticket now in the field, backed by the Republicans for Murray. A similar ticket backed by the Democrats contains the names of Henry W. Brown for justice and F. H. Peterson for constable.

Chairman Samuel A. King of the Democratic state committee, has named the following committee: James H. Mayne, G. W. Powers, W. H. King, S. H. Thurman, Fisher Harris, J. W. Burton, Mathonihah Thomas, F. S. Fernstrom, J. H. Paul, Ashby Snow, George A. Whitaker, of Salt Lake; H. H. Rolapp, Alexander Brewer, C. J. Humphries, E. N. Conroy, Ogden; George Barber, Robert Anderson, Joseph Monahan, Logan; J. L. Shephard, J. Evans, Grant C. Bagley, Provo; W. F. Lehti, E. H. Snow, St. George; W. F. Olson, Price; J. W. Tolson, R. T. Rannap, Provo; John Franchini, George W. H. Segmiller, Richfield; George H. Bern, Mercer; A. W. Foreman, Bingham; Olen Stohl, Brigham; Walt-

er Henry, Eureka; James P. Sweeney, Park City; B. H. Roberts, Centerville. Finance committee—George E. Alder, Frank E. Stephens, John Dorn, Samuel Newhouse, C. B. Stewart, Joseph Hyde W. F. Armstrong, E. A. Smith, J. S. Salt Lake City; Allen, D. L. Provo; E. S. Rolapp, M. J. Brown, Joseph Scowcroft, Ogden; Moses Thatcher, George H. Champ, Logan; L. D. Peters, E. H. Murdock, Heber City; William M. Raybaker, Jesse Knight, Provo; H. T. Reynolds, Springfield; J. G. N. Barnes, Kayville; Ed. Tribble, Green River; William Howard, Huntington; L. W. Allen, Panguitch; Hadden Bannion, Vernal; G. M. Whitmore, Nephi; Alma Greenwood, Fillmore; Hans Tuft, Monroe; Hall Gear, Eureka.

The "American" party will make an assault upon Park City tonight, in the hope of putting in the field an "American" county ticket. A similar attempt, made in the last campaign, met with failure. Lippman, Weber and Sullivan are to tell how they hate the hierarchy.

The finance committee of the Republican county committee will meet Thursday evening in the Atlas block headquarters. Friday evening the fourth precinct district chairman will meet at the same place.

Woman Interrupts Political Speaker.

A well dressed woman interrupted a political speaker recently by continually coughing. If she had taken Foley's Honey and Tar it would have cured her cough quickly and expelled the cold from her system. The genuine Foley's Honey and Tar contains no opiates and is in a yellow package. COURT NEWS.

RILEY A POOR SHOT.

While Firing Upon a Thief He Hits Man Across Street and Is Sued.

John J. Riley, formerly a special officer in the police department of this city, was made defendant in a \$15,000 damage suit filed in the district court yesterday afternoon by Ernest W. Smedley. The plaintiff is a dentist living at Bountiful, and in his complaint he alleges that on Aug. 4 last he was hit by and received payment of injuries from a bullet fired from a gun held by Riley.

The occurrence was a very peculiar one. Dr. Smedley and his wife were walking westward on South Temple street, with the intention of taking a train for home. They were on the north side of the street, and at the same time Officer Riley was chasing a thief on the opposite side of the street. The policeman fired to scare the man, and Dr. Smedley was hit by the bullet. The ball struck the left leg between the knee and the thigh, and is still in the member, proving failing to find it. At the time he was shot Dr. Smedley was carrying a child in his arms. The suit is brought on the grounds of careless use of firearms.

DORAN FILES ANSWER.

Frank Doran has filed an answer in the third district court to the complaint of Leroy G. Dinwiddie, charging the defendant with trespassing and with the exception of the statement that a contract was entered into as alleged. The plaintiff charged that defendant unlawfully executed a contract for plastering the house of plaintiff at 161 North State street, in consequence of which the plaster fell from

the walls to the damage of plaintiff in the sum of \$800.

HUSBAND DESERTED HER.

Grace L. Bondurant Files Action for Divorce.

Grace L. Bondurant has filed an action in the Third district court for divorce from her husband, Leo L. Bondurant, charging him with desertion. The couple were married in Salt Lake City, March 29, 1905, and according to the complaint, the defendant abandoned plaintiff July 4, 1907. There is one child, a daughter a year and a half old, of which the mother asks the custody. The plaintiff asks for counsel fees and alimony, as well as the restoration of her maiden name, Grace L. Richardson.

LETTERS IN NEILSON ESTATE.

S. D. Evans has filed a petition in the probate division of the Third district court for the admission to probate of the will of Peter Neilson, who died in Salt Lake City, July 5, 1908, and for the issuance to him of letters testamentary with the will annexed. The deceased left property in Salt Lake county to the value of \$2,000, and several brothers and sisters in Sweden are named as heirs, deceased having left no wife, children, father nor mother.

SUIT ON PROMISSORY NOTE.

Andrew P. Anderson has filed suit

in the Third district court to recover from David Margetts and Hattie Margetts the sum of \$1,500 alleged to be due on a promissory note dated Jan. 1, 1907. The plaintiff claims no part of the note has been paid, and interest only until July 1, 1908. Plaintiff asks judgment for the amount of the note, interest at 6 per cent, \$150 attorneys fees and decree foreclosing a mortgage on certain real property in Salt Lake county given to secure the payment of the note.

BREWERY IS ANSWERED.

Gus Triantos and Anargyros have filed an answer to the complaint of the Salt Lake Brewing company, charging them with selling other beers than that brewed by plaintiff, and to recover the

sum of \$1,708.20 alleged to be owing for beer purchased from plaintiff. The defendants claim in their answer that they owe only \$1,400, and deny that they have sold other beers until they were refused any more by the plaintiff corporation. They ask that judgment be only for the sum of \$1,400.

DAVID LOGAN HELD.

David Logan, colored, charged with the murder of Richard Hawkins, another colored man, in "Candy Bill's" saloon on Commercial street about a month ago, has been bound over to the district court by Justice J. M. Bishop, on the charge of murder in the second degree. S. A. King was present to represent the accused man, but no plea was entered.

Viola Brown, arrested Saturday night for street walking, was sentenced by Justice Bishop to 30 days in the county jail.

WIFE ENTERS SUIT.

Charging her husband with drunkenness and cruelty, Mrs. Nellie Vance filed suit yesterday afternoon in the district court asking for a divorce from David A. Vance. In addition to the wrongdoing indicated, Vance is accused of having deserted his wife more than a year ago. There is one child, a daughter Fay, four years old, whose custody the mother wants, and she also wishes to have her maiden name, Kilpatrick, restored to her. The couple married in this city Sept. 14, 1898.
