When Helena was here a couple of weeks ago we walloped the Senators three out of five. Butte was the next victim and our Skyscrapers have made it has straight. Had it not been for a beeky Texas leaguer in the fourth inning of yesterday's game Annis might have made a world's record for no run games. He pitched 39 innings without a run being made off nim, but in yesterday's game with a couple of bases in the fourth Hoon landed a hit scoring gordon, putting a stop to the ne runs record of Annis and preventing Salt lake from scoring another shut out.

The one run Butte managed to force over was the only one they got. Salt Lake second nine. Marshall was in the box for the visitors and was hit freely. In Saturday's game Bert Whaling, the big Salt Lake catcher, started a home run record, pounding out two of them.

POLICE COULDN'T HIT BIG FLOCK OF BARNS

For some time the police, or some of them, had an idea they could shoot straight. After cleading their rusty old "smoke irons" so the cylinders' would revolve once in a while, they lined up against the battery boys for a rovolver shooting contest. Judging by the way the bluecoats handled the weapons they couldn't hit a flock of barns. To say they were no match for the battery boys is giving them a whole lot the best of it. Here is the score:

Martin McPherson fell into convulsions when the umpire called it a foul. Thinking the hit a home run, McPherson gave a yell like a maniac, and rolled from the top row of the bleachers' stand, head first to the ground, and lay there writhing. A physician at the game took McPherson in charge and had him rushed to the bospital, it is feared he will die, having burst a blood vessel.

Touts, Trainers and Jockeys Leave Salt Lake on Special.

They're off,

Horse owners, horses, some officials, bookmakers, touts, trainers, stable boys. bookmakers, touts, trainers, stable boys, jockeys and the riff-raff that always hangs about a race course, have shaken the dust of Salt Lake from their feet and have gone to Butte, for the 20-day meeting there.

A special train of 40 cars carrying 200 horses pulled out at 4 o'clock yesterday afternoon. Some of the horses at the late meeting are still at the track because the owners could not land getaway money. Some who went to Batte had ticket money but there were many stowaways. The train is in charge of Jimmy Hanby and he had his hands full keeping out the cars scores of langers on who wanted to go.

Many of the fastest horses that raced here are now in the Montana town. Glorio and Jack Nunnally, two fast ones, who did not face the barrier here, are among the collection. These horses had been saved for the big stake events which did not come off. Boggs, Capewell, Red Leaf, Salvage, Sevenfull, King of Yolo, Meddling Hannah and many others have gone. TERRIBLE STRUGGLE

"Resolved. That we, the honorable members of the Ad club, do hereby protest against the tactics of the so-called Press club in attempting to convey the idea that certain well known professional players of baseball in the country are members of that organization and will be present at the grand representation of the national game which is to form so large a part of the attraction of the Salt Lake Ad club are, of course, perfectly willing to play against these distinguished professional gentlemen, but they resent the suggestion made by the Press club." Needless to say, of course, the above was issued by that the Ad men are not fit to associate with members of the Press club."

Needless to say, of course, the above was issued by the Ad club. If there is not bloodshed at Lagoon on Thursday next then we miss a guess. The feeling stirred up between the Press club and Ad club has now reached an acute stage and something will have to be done.

The two organizations have had the brazen herve to issue the following alleged program:

Baseball game, Ad club versus Press club. Receints to be donated to home for the feeble-minded.

Prizefight for the featherweight championship of North Salt Lake, Kid Critchlow versus Peanut McAllister. All bets will be declared off in andvance of the fight, owing to the bad reputation of the principals.

Marathon race, M. E. Mulvey versus Fat Schuler. Course shaded the entire distance. Receipts go to the needy inter-Mountain Republican. This is to be a selling race, weight for age, and speedballs to be absolutely barred.

Tubmarine race, Sister O'Connor versus Mother Hubbard. The public is warned against betting on this race, as neither of the contestants is entitled to win on form. Receipts go to the deserving poor.

Farmers' sack race for members of Salt Lake Press club and Ad club. Race follows course of miniature railway. Observation cars immediately after the start. The loser will receive 1,000 shares of Emma Copper stock.

PERMANENT SITE OF GRAND AMERICAN

Chicago, June 28.—Chicago probably will become the permanent site of the grand American handicap. Although Secy, Shaner, of the Inter-State association would not commit himself on the point, it is regarded as practically assured that the big shooting event will come here each year, as the city has shown that it can draw a larger crowd than any other locality.

"No two tournaments in the history of American target shooting have drawn as well as the two Grand Americans held in Chicago," sald Mr. Shaner, "and when the Inter-State association meets in the fall, this city is certainly going to be the strongest candidate."

"IKE COOK" DESIGN.

"IKE COOK" DESIGN.

Chicago, June 28.—The design for the Henry Graves fountain at the head of the speedway in Washington park by Charles J. Mulligan in honor of the old ruce horse, "Ike Cook," the money for which was left in the will of Henry Graves an oldtime resident of Chicago, and one of the first of the well known horsemen of the west, has been accepted by the South Park board. The work consists of a likeness of the old horse, with a fountain playing at the animal's feet. The statute of the horse will be looking east upon the scene of Ike Cooks many victories, then known as the Garden City race track. Upon the base of the fointain will be the simple inscription: "Ike Cook. One mile track. Time—2:39."

RICH STAKE WON BY ROTHSCHILD'S HORSE

Paris, June 27.—Baron Maurice fle Rochschild's chestnut colt Verdun, with Barat up, today won the Grand Prix de Patis over the Longchamps course in a driving finish, with Mme. N. G. Cheremeteff's Rebelle second, and Edmond Blanch's Union third. The value of the stake was \$74.185, the distance one mile and seven furlongs.

The classic event was contested over a sodden track in a drenching rain in the presence of 200,000 persons, among whom were thousands of Americans, who had come here from England and all ports of Europe.

ANOTHER JIU JITSU FAKE.

Eddie Robinson, Formerly of Salt Lake, Turns Trick in Los Angeles.
Los Angeles, June 27.—A difference of opinion between the Japanese and the American referee over the decision in the jiu jitsu match between Shosha Kokoyama, claiming to be the Japanese world's champion, and Eddie Robinson, a former prize fighter, here last night, resulted in no decision being given, althought it was the opinion of the majority of the speciators that the Japanese had the better of the contest. The American referee announced that Robinson had won, but the Japanese referse vehemently claimed a victory for his countryman. The general opinion was that the American contestant did not confine himself strictly to the rules of the game and used his elenched fists, when he should have struck with the open hand. The affair was announced as being for the championship of the world. Lake, Turns Trick in Los Angeles.

calt Lakers will recall that some years

ago this same Robinson pulled off a similar stunt at the Salt Lake Theater. On this occasion the Jap was about twice as small as Robinson and the latter "won." The pair had relieared the stunt several times but in spite of this fact the affair was anything but spectacular. This was not the only shady transaction Robinson was mixed in. He came here with Clarence English, the fighter, but the latter threw Robinson over. After the chief of police here had a heart to heart talk with him Robinson went to the coast.

ALFRED NOBLE SOLD.

New York, June 28.—Alfred Nobic, the 4-year-old bay golding which ran second in the Suburban handleap, has been purchased at a reported price of \$10,000 by James Gaffney, brother-in-law of Chas. F. Murphy, leader of Tammany Hall. Mr. Gaffney's entry of the turf field as an owner last week caused much surprise but he said that he had such condence in the racing situation that he proposed to establish a high class stable.

BIG ENTRY LIST.

For Eleven Stakes 329 Horses Are

Listed to Run. New York, June 28.—The biggest entry list received this season by any of the tracks in the Metropolltan district has been made for the Empire Jockey club stakes for the summer meeting.

The nominators include many voralment horsemen from the west and Canada and the horses represent all the important stables of the American turf. For the 11 stakes which close on June 15, a total of 229 entries came in The promise for the meet is so good that the managers expect to conduct racing six days a week from July 14 to July 21.

SUCCESSOR TO JONES.

Chicago, June 28.—Baseball followers are discussing a report that President Complexy of the Chicago American league team has found a successor to Flelder Jones in Joe Cantillon, manager of the Washington, American league team, who will replace Billy Sullivan as manager at the close of the season. It is said that "Jiggs" Donotiue, the former Chicago player, will manage the Washingtons if Cantillon leaves.

TO RE-ENTER RING.

Chicago, June 28.—Harry Forbes, former bantamweight champion of the world, is preparing to re-enter the ring. He will meet Monte Attel before the Columbia Athletic club of Hammond, July 12, if the latter will agree to terms.
