Stan. .25 .26 Demijohn .07	Mountain Lake Ext.	ter devoted to the detailed description of the copper mines. In it he has mines from all parts of the globe and no less than 6.767 mines are mentioned, as com- pared with 4.627 in the former edition. This new book is certainly a monu- ment to Mr. Stovens' efforts and it is hard to realize the vast amount of in- formation contained in the work. There are chapters devoted to mining, mili- ing, smelting, leaching, refining, geolo- gy and mineralogy. And it is all told in commonplace terms. The final chap- ter is devoted to statistics and is de- clared to be the most complete ever la- sued either officially or privately. It is such work as this that has made Mr. Stevens an authority on copper. In speaking of the various companies, Mr. Stevens has evidently been careful of his ground when he denounces them as frauds. In all his former editions he has gone after the companies he did not believe fair and it is said that in not one case has a libel suit been brought into court. Mr. Stevens' ef- forts in the world of copper are such that he deserves groat credit. SEEK CORNER ON COPPER.	moved within a very parrow range and was extremely irregular. Canadian Pa- cific advanced \$\[5] and American Loco- motive and Pressed Steel Car \$\[5]. Oth- erwise the changes were limited to tri- vial fractions and the market showed no pronunced tendency either way. The market continued to show hesita- tion, some of the industrials advancing vigorously while the grain carriers re- ceded. Reading spurted to above 147 ise- fore it fell back to yesterday's closing. At 11 o'clock some of the specialties were advancing but the railroads were reac- tionary. The rise in a faw special stocks and the irregular course of the general list did not disguise the realiz- ing in progress in Harriman stocks. Reading, U. S. Steel and other specula- tive leaders. Bonds were firm. Room operators stopped selling when Reading becau to move up in a resolute way. That stock rose 1% above yester- day's price, but the balance of the val- road list did not vally more than a small fraction from the low price. Re- puble Steel rose 2 and St. Louis South- western preferred 1. The market closed easy. Except for a rise in United Railway & Investment of 2 and in St. Louis & San Francisco second preferred and Railway Steel spring of L prices sagged during the inal hour. Reading lost nearly all of its advance. Union Pacific and Atlantic Coast Line declined by end Rio Grando.
