SESSION OF CITY COUNCIL

Central Heating Plant Under Con-
sideration—Bills and Pay-
rolls Allowed.

CELEBRATE GOLDEN WEDDING

Mr. and Mrs. John F. Fife Observe
Happy Anniversary—Marriage
Licenses—News Briefs.

Ogden, Aug. 11.—The building of a
central heating plant on the city hall
square in the near future was con-
sidered by the city council last even-
ing and bids for the erection of the
same were received and opened. They
were as follows: A. W. Meek,
\$3,511; Charles A. Halverson, \$3,400.
The bids were not acted upon
owing to the fact that the condition
of the city's finances at the present
time would not permit the building of
the plant. The plant would furnish
heat for the city hall, the jail, fire
station and the library, and it is the
prevailing opinion among the members
of the council that it can be built
later in the fall.
Upon recommendation of the police
committee, the petition for an in-
crease in the price of the meals paid for
the city prisoners from 10 to 12 1/2 cents,
was denied. The council approved the
committee's recommendation.
A petition was received from the

residents of Harrison avenue protest-
ing against the condition of the com-
munications on Twenty-second street
above that avenue. The petitioners
ask the city to either complete the
building of the sidewalk or fix it in
such shape that it can be used. The
petition was referred to the sidewalk
committee.
The monthly payroll and bills,
amounting to \$3,095.54, were allowed
and the auditor instructed to draw
warrants for the respective amounts.
Interest on the 4 1/2 per cent gold bonds
of the issue of 1898, amounting to
\$2,057.87, was ordered paid.
The city engineer reported recom-
mending the opening of Quincy
avenue between Thirty-first and
Thirty-second streets, stating that the
street was set apart as a street by
the city several years ago, but had
never been opened. He recommended
that the petition of the residents on
that street for the opening of the same
be granted.
The sum of \$1,500 as the second
partial estimate on the work of Wil-
liam Doyle upon the bridge at the
mouth of the canyon, was ordered
paid.

During the past month, the
sanitary inspector reported that there
were four cases of diphtheria, four
of measles and two of scarlet fever.
He also reported that during the
month, there were 38 births and 19
deaths. Report filed.

A bill amounting to \$2,532 for the
sprinkling of the streets for the past
month was allowed and the auditor
instructed to draw warrants for the
respective amounts.
The clerk of the municipal court re-
ported that he had collected \$26.15
in fines and forfeitures during the
past month, and the same had been
deposited with the city treasurer.

A petition was received signed by F.
J. Hendershot and 24 others asking
for the creating of a sidewalk on
Monroe avenue between Twentieth
and Twenty-ninth streets. Referred
to the sidewalk committee.

FIVE GOLDEN WEDDING.
At the family residence in this city
at No. 300 Twenty-first street last
evening, the fiftieth anniversary of the
marriage of John F. Fife and Janet
Kiddle Fife was celebrated by a large
number of relatives and friends. Of
the 12 children of the venerable couple
seven, who survive, were present at
the Fife home last evening, together
with 20 grandchildren.

delphia and Miss Jessie L. Lickie of

PEACH DAY AT BRIGHAM.
The Commercial club of Brigham
City has commenced the advertising
of its annual event—"Peach day."
This is the event of the year in
Boxelder county and is participated in
by the people of Ogden and Salt Lake
each year. The event has proven to
be one of the best methods of adver-

Melt the millions of
cakes of Ivory Soap
which were sold last
year into one gigantic
cake and it would be
bigger than the biggest
battle-ship that floats.

"Isn't that wonder-
ful?" you say. "Shows
what advertising will
do, doesn't it?"

Yes. And it also
shows how great is the
demand for a pure soap
that sells at a fair price.

tising that the Boxelder country could
receive.
E. Echstone, the crack eastern

noon, Joseph Seltz was arraigned on

placed under \$500 bonds awaiting a
future hearing, date not set.

On complaint of Percy Branting, a
warrant was issued this forenoon for
the arrest of Nels Herrick, who is
charged with assault and battery.

DISTRICT COURT CASES.
In the district court this morning
H. L. Stoner was arraigned and
pleaded not guilty to the charge of
practising dentistry without a certifi-
cate from the state board of dental
examiners. This is an appeal case
from the municipal court, where Stoner
was convicted about two weeks ago.

Judge W. W. Maughan of the First
district, held court here today to re-
hear the motion for a new trial in the
case of Annie Bowe vs. Annie Palmer. Case
taken under advisement.

PROVO.
SESSION OF CITY SOLONS.

Death of Albert C. Kirkwood, Popu-
lar O. S. L. Brakeman.

Provo, Aug. 11.—The city council met
in regular session last night and trans-
acted considerable routine business.

Edward S. Hinekey, asked that the
street leading south from Center street
to connect with Sixth South on the
west part of town be widened. Referred
to committee on streets and alleys.
Superintendent J. M. Halloway of
the waterworks department reported
that he had installed a flush tank at
the head of sewer district No. 1, and
recommended that a number of flush
tanks be placed throughout the city.
Mayor Decker reported that he had
conferred with Mr. Nunn of the Tel-
luride Power company in regards to
the right of way for pipe line and re-
commended that the city enter into an
agreement with the said company.
Upon the invitation of Chairman
Giles of the waterworks committee, the
council members will visit the proposed
line of waterworks extension in Provo
canyon today.

The semi-monthly payroll of \$388, of
the waterworks extension, was allowed
and amount appropriated.
City Engineer Jacob submitted speci-
fication for the curbing and guttering
of district No. 11 and there being no
complaint against the said district, the
specifications with a few minor changes
were adopted and the recorder author-
ized to advertise for bids to construct
the said work. The bids will be opened
Sept. 8 and the work be paid for by
special warrants.

LOGAN.
PEACE SOCIETY ORGANIZED.

Large Meeting Held by W. H. King,
Samuel Newhouse and J. M. Sjoahl.

Special Correspondence.
Logan, Aug. 10.—At the suggestion
of J. A. Hendrickson, a peace meet-
ing was held at the tabernacle last evening
with the following well known men
from Salt Lake in attendance: J. M.
Sjoahl, editor of the "News"; Judge
W. H. King and Samuel Newhouse.
The party arrived here during the after-
noon in an automobile in company
with the wife and two daughters of
Mr. Sjoahl.
Mr. Hendrickson introduced the visitors
to the congregation, which was a large
one. Mr. Sjoahl spoke first, sub-
ject being the formation of peace or-
ganizations in America and throughout
the world.

Mr. King's talk was along the line
of condemning the idea of building
stronger navies and forts and held that
man's destiny should be worked out in
peace.

A peace society was organized with
John A. Hendrickson, president; G. H.
Champ, vice president; Dr. George
Thomas, Henry G. Hayball and H. E.
Hatch as directors. A constitution was
adopted. The meeting was a lengthy
one.

Messrs. Newhouse, Sjoahl and King
had an enjoyable day in Logan, tak-
ing in the beautiful Logan canyon
also. It was Mr. Newhouse's first
visit to the college city and he was
very favorably impressed with the
possibilities of Cache's capital.
Through his friendliness to the Agri-
cultural college in years past, Mr.
Newhouse has a warm place in the
hearts of the people here, and the
citizens of all classes were not slow
in showing their kindly feelings to-
wards the mining magnate. He won
all by his affable, democratic ways.
This afternoon he was driven nine
miles up Logan canyon to the camp
of Moses Thatcher.
