LAST NIGHT'S DISPATCHES.

EASTERN.

Republican Convention.

CHATTANOOGA, Tenn., 16.—The Republican State Convention met this morning in an informal caucus lasting two hours. The white delegates opposed making any nominations and opposed the civil rights bill; the colored delegates insisted on nominations, and wanted to know how the white delegates stood, saying that if they were not in favor of the civil rights bill, we must leave the party. A temporary organization was effected at noon with W. H. Wisener chairman.

The Republican State Convention completed a permanent organization this afternoon. The committee on resolutions were together three hours. A resolution dodging the civil rights question will probably be debated till late in the night. The negroes insist on square action. They don't ask for mixed schools or social equality, but they demand equal accommodations in hotels, cars, etc.

A substitute was finally adopted in favor of equal rights for the colored men, though expressing the belief that this should not be enforced by legislation. They favor free national banking, specie resumption, a new constitutional convention and public schools. Horace Maynard was nominated for Governor and accepted in a speech endorsing the civil rights bill as it passed the Senate.

Re-nominated for Congress.

UTICA, N. Y., 16.—E. H. Roberts to-day, was renominated for Congress by the Republicans of this district on a platform opposing a third term and favoring immediate steps toward specie resumption.

Barnum Married—The Irish Riflemen Arrived.

NEW YORK, 16.—P. T. Barnum was married this morning to the daughter of John Fisk, of Southport, England.

The steamer *Scotia* arrived today, bringing the Irish rifle team.

Twain's "Gilded Age."

Mark Twain opened the second season of the Park Theatre, in this city, by the production, to night, of his dramatization of the "Gilded Age." The weather was unpropitious for an opening night, but notwithstanding there was a good audience as to number, and a great audience as to quality. The proprietors of most of the theatres in the city were present, also numerous army officers and many artists. The play has five acts, to which Mark Twain added a characteristic speech making the sixth act, and a not incongruous one. Notwithstanding it was the first night, the play, machinery and all run smoothly, and John T. Raymond, in his great character of Colonel Mulberry Sellers, secured, as he merited, unbounded applause. Mark's reception before the curtain was most cordial and his speech was full of quaint compliments.

Unitarian Conference.

SARATOGA, 16.—The Unitarian Conference assembled this morning, and after the preliminary exercises was addressed by President E. R. Hoar. The report of the council of ten was read by Edward Everett Hale. The local reports were then heard, and the finances of the church were shown to be in good condition. Other statistical reports were submitted by the members during the afternoon.

Arrested.

PHILADELPHIA, 16.—Dr. Buchanan, of the Eclectic Medical College, implicated in the recent sale of diplomas, was arrested to-day for mal-practice on the wife of Isaac Vendergrift, who died from the effects of an operation performed by him.

State Convention.

LITTLE ROCK, 16.—The Republican State Convention finally organized and adopted a lengthy address to the people, declaring the State Constitutional Convention an illegal body, and its acts void, and announcing the belief that Congress will oust the Baxter administration; resolutions embodying similar statements were also adopted, but no nominations were made, as the convention holds that Brooks is still Governor.

Troops Ordered to New Orleans.

NASHVILLE, 16.—Brevet Major General Pennybacker, of the regimental staff, and the troops at Nashville Post were ordered to New Orleans to-day, to report to General Emery for duty.

Postmaster at Corinne.

WASHINGTON, 16.—The President has appointed Thos. J. Black, postmaster at Corinne, Utah.

Mail Communication Resumed —The Latest about China and Japan.

Mail Superintendent Sloanaker telegraphs to the Postmaster General from New Orleans to-day, that the interrupted mail communication had been resumed.

The latest rumor is that the Japanese are willing to vacate that part of the island of Formosa occupied by them on condition that the Chinese government will hold the people there under subjection, and acknowledge that the Japanese were justifiable in taking possession.

Released on Bail—No Bill Against Dana.

Michael Hayes, recently indicted as a safe burglar, was released on $4,000 bail to-day.

The grand jury find no bill against Dana, of the *Sun*, for the criminal libel charged by Alexander Sheppard.

Troubles for Louisiana.

The cabinet meeting to-day resulted in the following dispatch to Adjutant General Emery, commanding the federals in Louisiana:

"War Department, Washington, D. C.,
"September 16th, 1874.

"Under no circumstances recognize the insurgent government of Louisiana. Within five days from the date of the proclamation to the insurgents such action will be taken as the emergency may require.

"By order of the President.
"E. D. TOWNSEND,
"Adjutant General."

The Louisiana Question.

The President did not go to Long Branch last night, owing to events in Louisiana. A brief cabinet meeting was held this morning, at which Secretary Fish and Bristow, Attorney General Williams, P. M. General Jewell and acting Secretary of the Interior Cowan were present. They discussed the Louisiana question and, without definite action, adjourned until 3 o'clock to further consider the subject. The condition of affairs in Louisiana being novel, and the first case of the kind where State authorities, recognized by the President, have been ejected by force of the citizens, and other officers substituted, the question arises as to what shall be done by the federal power in the premises; in other words, whether Kellogg and his associates shall be reinstated, or the McEnery party permitted to retain possession of the State government. The effect of such a precedent as would be established by the proceedings in Louisiana is the subject of the most serious consideration, and it is believed that measures will be taken forthwith to reinstate the Kellogg administration with all the force at the command of the government.

The Cabinet Meeting and Louisiana.

The cabinet meeting this afternoon, lasted an hour and a half. Secretaries Fish and Bristow, Attorney General Williams and Postmaster General Jewell, were the only members present, the others were all absent from the city. So far as can be ascertained no more definite conclusion was reached than that already announced in the President's dispatches and orders to General Emery, that is, not to recognize the insurgent government, and to preserve the peace. The President has abandoned, for the present, his intention of returning to Long Branch, events in Louisiana detaining him in Washington. It is probable that should troubles increase in Louisiana, that State may be added to Lieut. General Sheridan's department, or General Terry may be ordered to New Orleans to rank General Emery in command. Though no vessels have as yet been ordered to New Orleans, those composing the North Atlantic squadron may soon appear in that vicinity. These things have been considered and a large number of available troops ordered to Louisiana. There is in the bank in New Orleans from $500,000 to $750,000, collected from the people to pay the interest on the Louisiana litigated bonds, which are owned at the north. The President has sent instructions to General Emery to guard the bank and, in no event, to permit the money to be drawn by any person connected with the Penn government.

Disappeared.

SHREVEPORT, La., 16.—The Kellogg government has disappeared without violence in North Louisiana; peace prevails and the people are more hopeful of a prosperous future.

$19,000 Fire—Renominated.

ST. LOUIS, 16.—Hendrick's and Crittenden's book store on Fifth Street, was burned to-day; loss $16,000, insured. Palmer & Wooster's music store was injured $3,000.

The Democrats in the seventeenth Illinois congressional district in east St. Louis, to-day, renominated R. W. Morrison.

Yellow Fever.

PORTSMOUTH, N. H., 16.—The U. S. steamer *Ticonderoga* has arrived with four cases of yellow fever on board.

Favor a Compromise.

CHICAGO, 16.—A Washington special this afternoon says of the Louisiana imbroglio, that Secretary Bristow and Postmaster General Jewell incline to favor a compromise with the rebels, now that they have succeeded in overthrowing the State government, while all the other members of the cabinet, as far as can be ascertained, favor the prompt enforcement of law and the protection of the citizens without regard to politics.

Bishop Elected.

The Episcopal convention of the diocese of Ills., in session here to-day, elected Dr. Seymour, rector of St. Mark's Church, New York, and professor of theological history in the General Theological Seminary of that city, Bishop of the diocese of Illinois, in place of the late Bishop Whitehouse. Dr. Seymour is understood to be extreme high church, although this was denied by his friends in the convention. The vote stood, clergy 34, laity 32 for, to clergy 28, laity 25 against. Two ballots of the clergy were taken, the opponents of Dr. Seymour voting on the first for Dr. W. S. Huntington, of Worcester, Mass., and on the second for the Rev. Edward Sullivan, of this city.

Democratic Convention.

SYRACUSE, 16.—The Democratic convention organized permanently to-night, by the choice of Gen. Lester B. Faulker for chairman, with the usual complement of officers. The convention remained in session until a late hour awaiting the report of the committee on credentials, the time being passed in listening to speeches from various members, the tone of all being in sympathy with the south and denunciatory of the course of the federal government towards the southern states.

Sympathy with Louisiana.

LOUISVILLE, 16.—A call was issued for a meeting to-morrow night, to express sympathy with the citizens of Louisiana in their opposition to Kellogg.

Will Sue Railway Companies.

MILWAUKEE, 16.—It is stated in the leading paper here that a number of heavy shippers in this city and vicinity have kept all the bills for freight paid since the Potter law went into effect, and now that the supreme court has affirmed the constitutionality of the act, they will proceed to sue the companies for the differences between lawful rates and those paid, and for penalties.

Schism.

RICHMOND, 16.—The republicans of the Third Congressional District, to-day, nominated Rush Burgess. Part of the convention split in favor of J. A. Smith, the present incumbent, and will hold a convention on Oct. 7th to nominate him.
