The Ball Telephone.

CINCINNATI, 22.-The count of this ounty, as it will stand unless changed NEW YORK, 22 .- The Post's Washby the action of the courts, was fin-ished this afternoon by recording the vote of precinct E of the Eighteenth ward. Judge Buckwater, in deciding ington special says: There is great activity at the Patent Office on the part activity at the Patent Office on the part of the companies which are antagon-istic to the Beli company to secure a report from the Commissioner of Patents to the Attorney-General, which the mandamus case for that precinct, and that as Thompson, the Republican will warrant the latter in authorizing frustrated through the action of the judge, did not witness the count, the the use of the name of the United loyal troops, who fired upon him when court cou'd not compel him to certify States in the suit for the cuncellation of the Bell patent. Three such appli-i cations are pending before the Com-missioner, one by the Pan-Electric Company, one by the Baltimore and Washington Telephone Company, and t the third, which has just been filed, by the Clober Telephone Company, and to its accuracy. The other judges had made a count and had delivered their return in an improper form. He would require them to present their return in the usual and proper form, taking care to show the date at which it is made. As to the proof of fraud, the court said the fact that 69 more vetes were said the fact that 69 more votes were cast than there were voters registered, was conclusive that there had been illegal voting, but it was not clear that these illegal voters could not be demorning without recovering conscions-ness. The case is now generally be-lieved to be one of suicide. The only tected by a contest. The court's order Commissioner Montgomery in his replausible theory as to the cause for the act is that Whitely, being newly mar-ried and finding hims. If out of employ-ment and money, became despondent, and induced his wife to join him in anding their troubles with morphine. Only fifty cents was found in Whitely's clothes, and it is known that he had to the judges did not indicate what to the judges did not indicate what port as to these several applications should be done with the returns, as the will not undertake to go into the genequestion was not presented by the proral question of the scientific character of the inventions, but will confine himself to the report of facts as he finds them in the seconds of the Patent eeding. When the judges presented their amended returns in the afternoon, Justice Sanderson, a member of the canvassing board, couldn't be found. Another justice of the peace, was called to act in his piace. The official factings complete make Office. clothes, and it is known that he had recently borrowed money of his ac-

proceedings (the mundamus before the Circuit Courc), for the reason that but two of the Judges are here. They called the case and wet its hearing for Monday The Grant Fund. NEW YORK, 22.--A meeting of the subscribers to the \$250,000 fund, which was raised for the benefit of General Grant, and which at the suggestion

and on the guarantee of ex-Governor Morgan was invested in Wabash bonds, was held here this afternoon. There were present Jay Gould, Oliver Hoyt, John Sherwood, Judge Nosh Davis, George Jones, Henry Day, John T Terry, Russell Sage, Mr. Wheeler and Sidney Dillon.

Mr. Jones asked to be relieved of the fund on account of criticisms which had been publicly made. The circum-stances and manner in which the fund was invested were explained by Mr. Hoyt, who said \$216,000 had been inthe heated political campaign, and assures them that he stands ready to vested in Wabash bonds at \$115, and the remainder of the fund (which had never quite reached \$250,000 owing to the failure to collect some of the sub-scriptions) had been loaned upon protect them from all harm aimed at them because of refusal to bow to po-
