

## DIVORCE CALL ENDS BRISKLY

Beginning of a Dull Day in Judge  
Morse's Court Develops Un-  
expected Climax.

### ATTORNEYS INDULGE IN TILT.

Alleged Failure to Pay Alimony in Di-  
vorce Case Causes Scene—Three  
Decrees Granted.

The divorce call in Judge Morse's court yesterday afternoon promised to be rather dull up to the very last case when a tilt between Attorneys Matheson and Thomas and Soren X. Christensen unfolded matters a little bit and made a very strong climax to the session. Mr. Thomas represented Nora E. George, who was given a divorce from Edward E. George some time ago by the court and was also allowed \$30 per month alimony and \$100 as attorney's fees. George was before the court yesterday to show cause why he had not paid the alimony. Mr. Christensen appeared as his attorney and filed an affidavit showing that he had never been served with the amended complaint in which the alimony and attorney's fees were asked; hence the alimony and attorney's fees were stricken from the decree by Judge Morse.

**OFFICE ON THE CURB.**  
Mr. Thomas filed an affidavit to the effect that he had tried to find Mr. Christensen in order to serve the amended complaint, and in his search had visited several cigar stores, the police station and several other places, but could not locate him. He further stated that as far as he knew, Mr. Christensen had no office except on the curb, and hence he could not locate the amendment at his office. He declared in his affidavit that on the day the decree was signed he called Mr. Christensen up by telephone and informed him of the alimony matter, and Mr. Christensen agreed to it. An proper service of the amended complaint had not been made, Judge Morse set aside the alimony and attorney's fees.

**BACK AT THOMAS.**  
Mr. Christensen made a very sarcastic reply to the affidavit of the attorney, and both insisted on talking at the same time, and had to be stopped by the court. Mr. Thomas then filed a motion to set aside the decree and reopen the case, so that his amended complaint may be properly considered. The motion will be argued on next Friday.

**THREE DIVORCES GRANTED.**  
Three divorces were granted by the court during the hearing. Hilda Hodder was divorced from George A. Hodder on the grounds of desertion and non-support. They were married on June 20, 1902, and defendant deserted plaintiff two years ago, and has ever since failed to support her. She was awarded the custody of their child and allowed to resume her maiden name, Hilda Carstensen.

Desertion and failure to support are the grounds upon which Minnie Smith was divorced from Andrew A. Smith, whom she married on April 12, 1898. She testified that her husband left her several years ago and had been compelled to support herself and two children ever since. She was given the custody of the children.

Sarah Jenkins was granted a divorce from Walter R. Jenkins, whom she married at Farmington on March 10, 1905. She declared that he had not supported her at all since their marriage. She was allowed to resume her maiden name, Sarah MacGinnis.

**ELKS' AUTO PARADE.**  
Preliminary Procession Promises to be Interesting Affair.

The Elks' parade of next Wednesday evening, preliminary to the Purple Day outing at Saltair the following day, will be an elaborate affair, the largest and most interesting yet undertaken. If the scheduled program is carried out, the last evening many owners of autos met at the Elks' club and arranged details of the lineup. The start will be made at 6 o'clock, the forming of the parade taking place on east Second South street, hence it will proceed to Second South and Third South; thence to Third South; on Third South to Main; thence northward in Main to Brighton; thence eastward to Fifth East; thence returning to Main; thence to Market; thence to West Temple; thence to Second South; thence to Sixth East and thence back to the Elks' club.

Tonight at 8 o'clock, the children who are to take part in the Elks' minstrel show, will meet at the residence of Mrs. C. C. Robinson, Corey flats, to rehearse their parts.

**KIMBALL REUNION.**  
Interesting and Impressive Gathering Held Yesterday by Descendants.

The Kimball reunion of yesterday, in commemoration of the one hundred and sixth anniversary of the birth of the honored head of the Utah branch, Heber C. Kimball, was the most interesting and impressive yet held by the family. The exercises of the forenoon were carried out in the parlors of Hon. Joseph Kimball, 777 Seventh street, and were in the nature of a religious gathering. Sacred songs were sung, and the remarks were entirely lacking in frivolity and light-mindedness. Indeed, so manifestly spiritual and enjoyable were the services that it was at the machine gun of all present that in the future the natal day of President Kimball be devoted

entirely to similar exercises, rather than to excursions as heretofore. The hymn "O Ye Mountains High," sung by the assembly, after which Joseph Kimball, of the pioneer, Solomon P. Kimball made the opening address, dwelling upon the life and labors of him who was the right hand man of Pioneer Brigham Young. Interesting reminiscences were told of President Kimball, as showing his faith, zeal and integrity.

Edward P. Kimball sang "O My Father," after which Joseph H. Wilford, A. Kimball made brief remarks. Mrs. Florence M. Dinwoody sang "The Unknown Grave." Mrs. Pearl Kimball Davis sang "Storm and Sunshine," and Mrs. Dinwoody and Edward P. Kimball rendered the duet "Eye Hath Not Seen."

The picture of President Kimball, reproduced in yesterday's "News" was taken in 1852, when the subject was 51 years of age. The photograph was taken by the first time yesterday. The original is in possession of Solomon P. Kimball, and is highly prized by him.

**MERCURY DOES NOT CURE BLOOD POISON**  
While Mercury and Potash may mask the disease in the system and cover up the outward symptoms for awhile, they cannot cure Contagious Blood Poison; when the treatment is left off, the disease will return worse than before. Mercury and Potash eat out the delicate lining of the stomach and bowels, produce chronic dyspepsia, cause the teeth to decay, make spongy, tender gums, affect the bones and nerves, and often cause Mercurial Rheumatism, the most hopeless form of this disease. Thousands have taken the mineral treatment faithfully for years to find, when it was left off, that the disease had only been smoldering in the system, and the old symptoms of ulcerated mouth and throat, falling hair, copper-colored spots, swollen glands, sores and ulcers, etc., would return in all their hideousness, and they were no nearer a cure than when they first commenced the treatment. S. S. S. is the only certain, safe and reliable treatment for Contagious Blood Poison. It is the one medicine that is able to go into the blood and cure the disease permanently, and without injury to any part of the system. S. S. S. does not cover up anything, but so completely removes the poison that no trace of it is ever seen again. This medicine will also remove entirely of roots, herbs and barks; we offer a reward of \$1,000 for proof that it contains a particle of mineral in any form. Write for our some treatment book, and if you desire special medical advice, our physicians will be glad to furnish it, as well as the book, free of charge.
