

CANYON ROAD TO BE WIDENED.

Council Decides to Purchase a Strip of Land From the Wells Estate.

DR. WILCOX GETS AN ASSISTANT

Skidmore is Paid for Expert Services—Mayor's Veto of Hamilton's Bill Sustained.

The city council, at its meeting last night, transacted a lot of routine business which prolonged its session for three hours, and at the conclusion of the meeting an adjournment was taken until next Tuesday evening at 8 o'clock on account of Monday being Decoration day. One of the most important matters before the council was the widening and paving of Canyon road for a distance of 120 feet back from State street. The much needed improvement will be made in accordance with the petition of the property owners on that thoroughfare. The committee on streets recommended that the strip of land running back that distance from State street be purchased from the estate of Theresa C. Wells, deceased, for \$1,650 for the purpose of widening the road. The report was adopted by the council with the provision that the road be paved by the property owners, and that no poles be erected in the road. By the change proposed, Canyon road will be 35 feet wide at the opening on State street, but the widening will not run back as far as proposed by the city engineer, the council holding that the expense was too great, and that, practically the same results will be achieved by widening the road at the junction with State street.

Upon motion of Wells the city recorder was also authorized to at once advertise notice of intention to pave the street in accordance with the petition of the property owners.

ASSISTANT FOR DR. WILCOX.
Health Commissioner Wilcox requested authority to appoint an assistant health commissioner at a salary of \$50 per month. The commission guaranteed that he and his assistant would attend to all emergency cases of the city or pay for such medical attendance out of their own salaries. An ordinance was introduced by Hamilton creating the office of assistant health commissioner and fixing the salary at \$50 per month. The ordinance also provides that the appointment be made by the committee on improvements to make tests of the lighting service furnished the city. A number of councilmen objected to paying the bill until a report was received from Skidmore showing the result of his work. It was suggested by Martin that such a report had been made, but that some member of the committee had lost it. He said that he would secure a duplicate copy.

SKIDMORE'S BILL PAID.
After considerable argument the bill of Electrician O. H. Skidmore for \$150 "for services rendered," was ordered paid. Skidmore was employed by the committee on improvements to make tests of the lighting service furnished the city. A number of councilmen objected to paying the bill until a report was received from Skidmore showing the result of his work. It was suggested by Martin that such a report had been made, but that some member of the committee had lost it. He said that he would secure a duplicate copy.

MAYOR'S VETO SUSTAINED.
The necessary 10 votes to pass, over Mayor Morris' veto, the appropriation of \$500 to A. L. L. Smith, the balance due him on the Liberty Park green-house, were not forthcoming, so the veto was sustained. The mayor's veto was also sustained in regard to the permission granted the Salt Lake & Ogden Railway company to construct a spur track on Third West, just south of North Temple street. The mayor held that the permission should have been granted by franchise, and the company should have deposited the required \$200 with its application for the franchise.

POLICE APPOINTMENTS.
Chief of Police Lynch submitted the appointments of P. C. Howell, W. L. Goodsell and F. J. Lemon as special policemen at the Salt Palace to serve without pay from the city. The appointments were confirmed by a unanimous vote. The council also confirmed the appointment of Luther T. Wakeman as special policeman at the city cemetery and the appointment of W. R. Servis as special bicycle policeman, both to serve without pay from the city.

CHIEF OF THE FIRE DEPARTMENT.
The council received an invitation from the commercial travelers of this city to accompany them to Logan on June 1 to attend a game of ball between the commercial travelers and the Cache valley merchants. Upon motion of Black the invitation was accepted. In behalf of his motion he said that the commercial travelers would have their big annual outing on that day and would guarantee the council a good time. He said that a good ball team had been secured at a great expense, the line-up of which is as follows: Catcher, O'Neill; pitcher, Griffith; first base, Davis; Philadelphia; second base, Ferris; Boston; third base, Bradley; Cleveland; center field, Heidnick; St. Louis; left field, Lawler; St. Paul; right field, Dalany; Cincinnati.

CLAIM FOR DAMAGES.
A claim was presented to the council by Sophia Fredericksen of 227 east Second street, asking for \$25 damages for injuries sustained by her household goods by the overflow of water from the street gutters during the recent heavy rains. Mrs. Fredericksen stated in her petition that said water was on her floors six inches deep. The matter was referred to the committee on

Cochise County Sheriff Comes to Salt Lake for Requisition Papers.

Sheriff Lewis of Cochise county, Ariz., was in the city yesterday for the purpose of obtaining requisition papers for a man wanted in Arizona for horse stealing, now under arrest near the Utah-Arizona line. The sheriff is a noted thief-taker and his is a busy department. He claims that in the Cochise county jail at Tombstone there are 57 men awaiting trial on various charges, 14 on the charge of murder.

HEALTHY MOTHERS.
Mothers should always keep in good bodily health. They owe it to their children. Yet it is no unusual sight to see a mother, with babe in arms, coughing violently and exhibiting all the symptoms of a consumptive tendency. And why should a consumptive mother exist, dangerous alike to mother and child, when Dr. Boech's German Syrup would put a stop to it at once? No mother should be without this old and tried remedy in the house—for its timely use will promptly cure any lung, throat or bronchial trouble in herself or her children. The worst cough or cold can be speedily cured by German Syrup; so can hoarseness and congestion of the bronchial tubes. It makes expectoration easy, and gives instant relief and refreshing rest to the suffering consumptive. New trial bottles, 25¢; large size, 75¢. At all druggists.

TWENTY YEARS AGO TODAY.

(DO YOU REMEMBER?)

Fifty-three lives were lost in the sinking of the French brig, *Senorine*, at Grand Banks. Only ten passengers were saved. Tammany Hall held an enthusiastic meeting and declared for Tilden for president.

TEN YEARS AGO TODAY.

Governor West took steps to enjoin the Southern Pacific from bringing more Coxeyites into the state. Striking miners at Cripple Creek exploded a wagon load of giant powder against a shaft house, killing several non-union men at work inside.

FIVE YEARS AGO TODAY.

The Walker Bros' site was definitely chosen for the Federal building. Queen Victoria celebrated her eightieth birthday, all England rejoicing.

claims with the city attorney associated.

POE WILL BE HEARD.

S. Ira Poe requested permission to appear before the sanitary committee and refute the charges made against him before the committee last Wednesday night by Health Commissioner Wilcox to the effect that he was "no man" and "had left his family to be provided for by the county commissioners." His request to be heard by the committee was granted.

MISCELLANEOUS MATTERS.

Upon motion of Wells the sum of \$300 was appropriated to the credit of the mayor's contingent fund with which to defray the expense of delivering the city's bonds to Rollins & Sons in New York. It will cost about \$274 to express the bonds.

President Hewlett introduced a resolution authorizing the city engineer to expend \$2,500, or as much thereof as necessary, in the Utah lake improvements. The matter was referred to the special water committee, which may, or may not, be city engineer associated.

The request of City Attorney Day for an appropriation of \$500 for the purchase of law books for his office was granted by the committee on finance and council and that amount was placed on the appropriation list to the city attorney's credit.

Fred T. Kessler, former clerk of the board of public works, again submitted his claim for \$15, which he claims is due him for services rendered in completing the annual report of the board. The claim was received and filed.

A resolution introduced by Hobday was passed by which the sum of \$500 was appropriated for graveling the walks and drive-ways in Pioneer park.

FOR WEAK, LANGUID PEOPLE.

Weak, sickly, people often remark "if I could only get something that would nourish me and give me strength," they do not know why, but the food they eat is of no benefit to them, they gain no flesh and feel no stronger. The fact is the stomach is too weak to perform its work and the little appetite they have is of no use. The blood becomes more thin and watery, bringing on faint sick spells with loss of memory and ambition. There is a remedy for all this that acts in the right way. It is called Dr. Cassell's Food and Nerve Tonic, and is sold by all druggists for 75¢ per box, or 3 boxes for \$2. It turns the food you eat into rich, red blood, making flesh and strength, creating an appetite because the system demands sustenance.

Mrs. M. A. Jones, Alleged Wife of Confidence Man, Being Tried Today.

Mrs. M. A. Jones, said to be a crook and the wife of a confidence man, who was arrested several days ago by the police on the charge of grand larceny, is having a preliminary hearing before Judge Diehl today. It is alleged that the woman, in company with a man, who as yet has not been located, lured a Mrs. Anna Grieveldinger into a west side restaurant; drugged her, and then robbed her of \$8 in cash, a ring and a gold watch. The complaining witness identified Mrs. Jones as the woman, and the police found the stolen property at the prisoner's room shortly after she was arrested. The probabilities are that she will be held to await the action of the district court.

DESPERATELY ILL WITH KIDNEY CATARRH.

DOCTORS AND FRIENDS DESPAIRED—PE-RU-NA SAVED HIM.

MR. GEORGE KING.

Only recent medical investigation has revealed the fact that catarrh is responsible for most of the diseases of the kidneys. Many people don't get well because they fail to use the catarrh cure Peruna.

MR. GEORGE KING, Deputy Sheriff of Rensselaer Co., N. Y., for years was a well known merchant of Troy. In a letter from No. 45 King St., Troy, N. Y., he writes:

"Peruna cured me from what the doctors were afraid would turn into Bright's Disease, after I had suffered with catarrh of the bladder and kidney trouble."

"Peruna is a blessing to a sick man. Eight bottles made me a well man and were worth more to me than a thousand dollars to me. I cannot speak too highly of it. It is now four years since I was troubled, and I have enjoyed perfect health since."—George King.

Catarrh of the Kidneys Cured by Pe-ru-na.
Mr. J. G. Martin, 1229 St. Denis St., Montreal, Que., Clerk in the Custom House, and Solist Notre Dame Catholic Church, writes:

"I contracted a heavy cold last winter which settled in my kidneys causing me great pain and discomfort. At times

the pains in my back were unbearable. I would have a peculiar dizziness in the head, and altogether I was miserable. After trying many remedies, I finally took Peruna, and the way it took hold of my trouble was marvelous. It cured me so quickly that I am glad to be able to write you of it, and I certainly will speak a good word for Peruna whenever I can."—J. G. Martin.

Catarrhal inflammation of the mucous lining of the kidneys, also called "Bright's disease," may be either acute or chronic. The acute form produces symptoms of such prominence that the serious nature of the disease is at once suspected, but the chronic variety may come on so gradually and insidiously that its presence is not suspected until after it has fastened itself thoroughly upon its victim.

At the appearance of the first symptoms Peruna should be taken. This remedy strikes at once at the very root of the disease.
