the tile of it years, was gathered around bine.

A but, imbigue youth about 10 years of arregated to inneed the piece of the pi

case. "On that is only a prick of minut" lampled Da Maurier. "I have started again on a many arrival prick of minute and the same arrival prick of the same and the first I know it should be suitable agreement only beginning congression." Agreement Queen.

Do you know what an emulsion is?" It is when each drop of the oil is broken us not minute drops, so small you can hardly see them with the microscoper so minute that they pass at once through the thouses into the circulation. Scot's Emphion does not disturb digestion, is not unpleased. unpleasant to take, and does not fail to do its work be-cause digestion can deal with it at once. You may be able to disguise the tasts of raw oil and ger it past the palate. You can't cheat your stomach with it. with it.

Read These A's and Q's

Q. When you are sick and require the services of a physician, do you get entimore many several and engage the lowest bidder?

Q. When a triend of yours takes sick in a distinct city and you sent to get to his helpide, do you take a item that stops at every little station?

Q When about to engage in a boweat, do you procure hids from verious lawyers, duringerd ability and price, and engage the lowest indice?

Q. When you are reching a good invest-ment, do you select stocks and real greate for the least moury, with latte or or re-gard for value?

Q When you are having printing door, is your method consistent with the answers green or for previous queening?

A NO REGIST THRREETS WHERE YOU make your mistake. The best drawof good for homeowers of all kinds a good printing in all that the world imply. There is barmain between 1500 percent and on the good overcommaning that you should not disrugard.

Deseret News

ger When you want (500D more rail or address in. No jub too large) more too shall, prices right; printing "eth edge." Only fest-class workness engaged in our effice onen acquaints) with the very latest and has styles.

Publishing Company.

Then Mind Your P's and Q's

A Not much. You're milder the most this full as being none too good; you went think not of price, but engage him.

A No. You trust your case only in the hands of one you are sure will rander you immediate and valuable service.

A No. You get prices to so printers who on GOOD work and trum those who so INTERIOR work and area accept the lowest bot.
