Brooklyn Boy Sent Champion to the Floor in First and Last Rounds -Asks for More.

San Francisco, April 28.-Referee Eddi Graney declared Jimmy Britt the winner of one of the fastest and best fights ever seen in San Francisco. Willie Fitzgerald of Brooklyn, N. Y., was the man who put up the good contest against the California wonder. Britt was the cleverer and faster of the two men and landed two As the mail was coming into town last blows to Fitzgerald's one. With the ex-

Britt's superiority was manifest during the entire fight. In the first round Fitzgerald sent Britt down, but the Californian was at no time distressed. He knew exactly what he was doing and when he got op he started at Fitz as if the fight had jus' com-menced. Fitzgerald had the advantage of Britt in height, reach and muscular development, but he was not nearly his adversary's equal in speed or eleverness. Britt's ducking of right and left swings constituted some of the prettiest work ever seen here. Britt devoted most of his attention to Fitz's stomach and land-ed numerous left punches that took the steam out of the Brooklyn boy. Britt occasionally landed on Fitz's jaw, gen-erally at the close of the round, but neith-er man was apparently able to seriously punish the other. Fitz showed that he could punch hard with either hand and could take lots of punishment. Britt demonstrated that he is one of the fast-est, coolest and most scientific men that has ever appeared in the ring.
