LOCAL AND OTHER MATTERS.

THERMOMETER 58 degrees F. in the shade, at 1 p.m. to-day. Fine day.

THEATRE.—There was a good house last evening to see the play of "Stage and Steam," and the performance passed off creditably.

For this evening there is a fine variety bill, consisting of the farce of "Smashington Gout," Ballad by Miss A. Park; Sketch of New York life, "Mose and Lize," and the mirthful illusion of the "Shadow Pantomime" Misses Walters and Simons, and Messrs. Graham, Thorne, Harris and Dudley in the principal characters.

To-morrow evening the "Mountain Sylph," an "Olio," and the "Widow's Victim," for the benefit of Mr. Henry Malben, one of the oldest members of the local dramatic fraternity.

On Saturday a grand matinee for the children and ladies.

ACCIDENTALLY SHOT.—A boy, named Geo. Simms, who resides in the 7th Ward, shot himself accidentally on Sunday while out hunting. We understand the wound is a severe one.

SICKNESS AT PROVO.—We learn from a gentleman who resides in Provo that there have been lately several cases of severe illness among the people there. The symptoms are those of a powerful fever. Some persons have died of the disease recently.

FINE STOCK.—It will be seen by an advertisement, under the head of special notices, that Mr. E. W. Van Ettan has for sale, at the Tithing Office corrals, a number of head of imported stock. A good chance for those who wish to invest in this direction.

PERSONAL.—We were called upon this morning by Samuel Stone and S. T. Atwater, Esqrs., both of Chicago, who are on a trip to the west. They leave by the afternoon train. Mr. Stone is connected with the Historical Society of Chicago, and when the building of the society was burning, at the great fire, he was the last to leave it, in his attempt to save the "amnesty proclamation."

GONE EAST.—Theodore McKean Esq., left for the east this morning to purchase material for the city water works. He will be gone several weeks.

BENEFIT.—To-morrow night Mr. Henry Malben takes a benefit, and he has provided a very excellent bill for the occasion. "The Mountain Sylph" will be the first piece performed, and it will be followed by a mixed or olio entertainment, consisting of singing, dancing and instrumental music. The whole to conclude with the most delectable of farces, "The Widow's Victim."

Mr. Malben is a member of the old Deseret Dramatic Association, has done much towards amusing the public at various times, has many friends, and deserves, and for these and many other reasons is likely to have, a bumper house. Aside from other considerations the bill should draw well.

EDUCATIONAL.—The sessions of the Territorial Teachers' Association adjourned last night till the first week in October next. The sessions were not as numerously attended as was expected, especially when the important character of the objects of the Association are taken into consideration.

It is most essential that Utah should have an educational system unsurpassed in any other part of the country and even of the world, and that very desirable object cannot be attained without the hearty co-operation, in an organized capacity, of all who take part in educating the young.

Brother W. N. Dusenberry, President of the Association, who has been most indefatigable in his exertions in the cause of education, is of opinion that there are in this Territory the elements, in a fragmentary condition, from which could be formed one of the best educational systems in existence, and that what was wanted was a co-operative association in which every teacher in the Territory would take a lively interest, that each might contribute his or her portion of experience and wisdom towards the construction of a complete system of education. This was the object in view in organizing the Territorial Teachers' Association, and if the teachers would manifest greater interest in this organization than has yet been shown some very beneficial results would flow from it. This has been the case already, to some extent but the benefits will increase in proportion to the interest taken in the matter.

It is to be hoped that those who have manifested so much energy and perseverance in this direction will continue their laudable endeavors until the object of their exertions is accomplished. All who labor in so excellent a cause are real benefactors of the people.

ST. MARK'S HOSPITAL.—The following has been handed to us with a request to publish:

SALT LAKE CITY, April 10th, 1873.

The following named gentlemen have been appointed to serve as trustees of St. Mark's Hospital, for the ensuing year:

Bishop Tuttle, Ex-officio, Rev. M. M. Kirby, Warren Hussey, Edmund Wilkes, John F. Taggart, M. D., John T. Lynch, John Tienan. Signed,

R. M. KIRBY, Secretary.

A BEAVER FUR CAPE was lost, in the 7th Ward, last Saturday morning. The finder will confer a favor on the owner by leaving it at this office, or at the residence of Charles Lambert, 7th Ward.

Deseret Teacher's Association.

APRIL 9th, 2 p.m.—The association met, Dr. Park in the chair. The report of the Committee on unfinished business, which embraced several resolutions on the subject of education, having for their object the improvement of our public schools, after a protracted discussion, was adopted and the subject matter referred to the committee of six, with power to act. A resolution of condolence expressive of sympathy with Mr. W. N. Dusenberry, president of the association, in his bereavement, caused by sickness and death was adopted. After the transaction of other business and benediction by Supt. Campbell, the meeting adjourned till the first week in October.

GAS.—The work of laying the gas mains is progressing rapidly. Present prospects indicate that the principal buildings and stores will soon be lighted with gas.

SUNDAY LIQUOR SELLING.—Hochgurtel and Lamer were fined $100 this morning for selling liquor on Sunday. For the same offence T. N. Sacket was fined in a similar amount. The two individuals first named have been arrested again on another charge of the same nature. Joseph Duddler has also been arrested for the same thing and both the latter cases will soon be heard before Justice Clinton. Yesterday C. T. Dolberg handed over $100 for a similar breach of the liquor ordinance.

A number of other liquor dealers will probably be required to have an interview with Justice Clinton with regard to the same subject.

CALL FOR THEM.—There are messages at the Deseret Telegraph office for Henry Simons, A. J. Harmer, J. S. Wing, W. N. Dusenberry, Miss Bella Wallace, S. D. Huffaker and C. W. Penrose.

NEW BRICK YARD.—We are informed that a few persons purpose establishing a brick yard north-east of the city, in the neighborhood of what is known as Butchersville. That's right. Nothing like plenty of building material. Competition in this line of business will probably tend to cheapen brick, which is a very desirable result now, when it costs $20 a thousand at the yards.

DIED.

In the 8th Ward of this city, on the evening of the 9th of April, of ulceration of the bladder, Elder WILLIAM SHIRES, aged 48 years, 5 months and 4 days.

The deceased had for quite a number of years filled various offices of responsibility and trust in the Ward in which he lived, and in all the walks of life his deportment was that of a faithful Latter-day Saint and good citizen.

His funeral services will be held in the 8th Ward meeting house, at 2 o'clock tomorrow. Friends are invited.

At Sittingbourne, Kent, October 31, 1872, CAROLINE, wife of Elder A. Brenchley, in her seventieth year. She was baptized Dec. 22, 1870, and lived and died a faithful Saint.—*Mill. Star.*

Of consumption, at Dunfermline, March 5, MARGARET, daughter of Thomas and Catherine Spowart, aged 18 years, 3 months and 9 days.—*Mill. Star.*

Of bronchitis, at Paisley, Feb. 25, SUSAN THOMSON, aged 25 years and 1 month.—*Mill. Star.*

☞ READ.—S. L. City, U. T., April 5, '73. *Mr. C. W Stayner* — Having an experience of 31 years as a musician, a great share of which time I have been leader of Orchestras and Choirs in Europe and America, and being solicited by you to pass my judgment on the "Estey" "Organ" for which you are agent, and having tried and examined them thoroughly, I confidently recommend them to the citizens of this Territory *for their superior tone*,—the Vox Jubilante being a fine imitation of the pipe organ—their nice smooth action and delicate touch, excellence of workmanship in their construction and their general reliability, making them all that can be desired in organs either for church or parlor.

Yours Respectfully,
C. J. THOMAS,
Conductor of The trical Orchestra.

We propose to select our Organist; are willing to accord the same privilege to the contestant, and therefore shall not be subject to any Organist in America performing on the Estey, not excepting Mr. Estey himself.

Judges, selected in equal numbers by ourselves and the contestant, and an Umpire to be agreed upon by both parties shall decide upon the merits of the Organs.

We would suggest the Music Hall, 14th Ward, as a central, convenient place in which to have the Organs tested.

HERBAL MEDICINE STORES,

10th Ward—E. L. PLANT.

Composition Essence.

"Essence" is extensively used and much valued in Colds, Influenza, Sick Stomach and Bowels, Bowel Complaints, Cold Feet, Cold Sweats, &c., &c. As a general remedy it is a sure preventive of Colds, if taken freely; and will be found a substitute for Rum and Whiskey, and instead of brandy or such liquors, after dinner or supper, who find it much better than these stimulants, and without any of the bad effects intoxicating drinks produce.

The "Essence" makes a much more agreeable tea than the "Powder"—agrees better with the stomach, does not require boiling water, is made ready at once, and will keep any length of time. Families will do well to keep it useful a remedy by them for a time of need. Prepared and tested only by E. L. PLANT.

Pulmonary Lozenges.

Nothing that has yet been discovered can be compared with these Lozenges in their beneficial action upon all diseases of the respiratory organs. They are so pleasant to be administered with the most perfect safety to the youngest children, yet sufficiently strong to arrest the progress of many of the most formidable pulmonary complaints, whether cough, croup, hooping cough, pneumonia, pleurisy, asthma, difficulty of breathing, and that fell disease, Consumption; of which over 60,000 die annually in England.—10, 25 and 50 cts. per package.

Plant's Waterdock and Bilious Pills.

As a remedy for loss of appetite, flatulency, sick headache, giddiness, acid eructations, costiveness, languor, heavens debility, heartburn, waterbrash, oppression after eating, depression of the mind, and all the distressing symptoms dependent upon indigestion, they stand as a remedy never before presented to the public.
