ADAMS, N. Y., Jan. 30, 1882.

DR. B. J. KENDALL & Co., Gents—Having used a good deal of your Kendall's Spavin Cure, with great success, I thought I would let you know what it has done fur me. Two years ago I had as speedy a colt as was ever raised in Jefferson County. When I was breaking him, he kicked over the cross bar and got fast, and tore one of his hind legs all to pieces. I employed the best farriers, but they all said he was spoiled. He had a very large thorough-pin, and I used two bottles of your Kendall's Spavin Cure, and R took the bunch entirely off, and he sold afterwards for 1,800 dollars. I have used it for bone spavins and wind galls, and it has always cured completely and left the leg smooth.

It is a splendid medicine for rheumatism. I have recommended it to a good many, and they all say it does the work. I was in Witherington & Kneeland's drug store, in Adams, the other day, and saw a very fine picture you sent them. I tried to buy R, but could not; they said if I would write to you that you would send me one. I wish you would, and I will do you all the good I can.

Very respectfully, E. S. LYMAN.
