To Owners of Bad Breath-- Foul Odor of Indigestion, Smoking, Eating or Drinking Stopped At Once With Stuart's Charcoal Lozenges.

Trial Package to Prove It Sent Free. Bilious breathers, onion eaters, indigestion victims, cabbage consumers, smokers, drinkers and those with gas on the stomach are invited to try for themselves, distinguished by a powerful bad breath.

They all breathe, and as they breathe, they whiff out odor which makes those standing near them feel clean inside, in disgust. The pitiable part of it is that these victims do not realize what a sickening thing a bad, offensive breath is to others.

Charcoal is a wonderful absorber of gases and odors. It absorbs 100 times its own volume of gas. Stuart's Charcoal Lozenges will put a stop to your bad, offensive breath, and to your belching, whatever the cause or source, because the charcoal quickly absorbs all noxious, unnatural odors and gases.

If you suffer from indigestion and belch gas as a result, Stuart's Charcoal Lozenges will absorb all the gas and make you stop belching.

If on getting up in the morning you have such a bad, bilious breath that you can almost smell it yourself, Stuart's Charcoal Lozenges will get rid of it for you quickly.

If you have been smoking or chewing or have been eating onions or other odorous things, Stuart's Charcoal Lozenges will make your breath pure and sweet.

Charcoal is also the best laxative known. You can take a whole boxful and no harm will result. It is a wonderfully easy regulator.

And then, too, it filters your blood--every particle of poison and impurity in your blood is destroyed, and you begin to notice the difference in your face first thing--your clear complexion.

Stuart's Charcoal Lozenges are made from pure willow charcoal, and just a little honey is put in to make them palatable, but not too sweet.

They will work wonders in your stomach, and make you feel fine and fresh. Your blood and breath will be purified. You will feel clean inside.

We want to prove all this to you, so just send for a free sample today. Then after you get it and use it, you will like them so well that you will go to your druggist and get a box of these Stuart's Charcoal Lozenges.

Send us your name and address today and we will at once send you by mail a sample package free. Address: F. A. Stuart Co., 209 Stuart Bldg., Marshall, Mich.

Accordingly, it is not claimed that Syrup of Figs and Elixir of Senna is the only remedy of known value, but one of many reasons why it is the best of personal and family laxatives is the fact that it cleanses, sweetens and relieves the internal organs on which it acts without any debilitating after effects and without having to increase the quantity from time to time.

It acts pleasantly and naturally and truly as a laxative, and its component parts are known to and approved by physicians, as it is free from all objectionable substances.
