Envy shooteth at others and woundeth herself.

Love those who advise, but not those who praise you.

Frowns blight young children as frosty nights blight young plants.

A cheerful face is nearly as good for an invalid as healthy weather.

To have ideas is to gather flowers. To think, is to weave them into garlands.

The way for a desolate old bachelor to secure best quarters, is to take a "better half."

The first book read, and the last book laid aside by every child, is the conduct of its parents.

The wealth of a man is the number of things which he loves and blesses, and which he is loved and blessed by.

The worthiest people are most attacked by slanders; as we usually find that to be the best fruit, which the birds have been pecking at.

A soul without prayer is like a solitary sheep without its shepherd. The tempter sees it, and lures it away into his snare.

The Russian eagle had two heads when this war began. He now has three. The Turk put the other head on him.—Boston Times.

If God has chosen your way, depend upon it, it is the best that could be chosen; it may be rough, but it is right; it may be tedious, but it is safe.

No man can make a right out of a wrong, any more than he can paint a piece of cork so like a stone that it will sink to the bottom when it is thrown into the water.

Wealth ill-used is as the net of the spider, entangling and destroying; but wealth well-used, is as the net of the sacred fisher who gathers the souls of men out of the deep.

These are hard times and it is essential that the most rigid economy must be practised, and when, in the spirit of retrenchment, the girls of this fair State persistently turn their backs upon the allurements of two-cent chewing gum, and cut off quids from the heels of their rubber shoes, let no man laugh them to scorn.—Hawkeye.

A man not a thousand miles from Lancaster recently wrote the officials of the Boston, Concord and Montreal Railroad "for a chance to run on the road." He was told he could "run on the road" as much as he liked, if he would only keep out of the way of the trains.

Henceforth no man need labor through life under the burden of an ill-shaped nose. A London philanthropist advertises a "nose machine," which, "applied to the nose for an hour daily, so directs the soft cartilage of which the member consists that an ill-formed nose is quickly shaped to perfection."

"She was ironing, when her sister came in with the news that an uncle was dead. 'Dead!' she gasped, nearly dropping the iron from her hand. Her face was very pale, as was that of her sister, as they both stood there looking at each other with that awe struck expression which a death leaves upon the faces of the living. 'Dead!' she repeated in a faltering voice. 'It doesn't seem possible. It is so sudden, so unexpected, so dreadful, that I can scarcely realize it. What are you going to wear?'" —Danbury News.

A Dutch seaman, being condemned to death, had his sentence commuted to banishment for life upon St. Helena. On being landed there he stole a coffin, and, having made a rudder of the lid, ventured to sea in it. When his guards on the ship, which had become becalmed within a league and a half of the island, saw the strange craft floating slowly over the water, they at first imagined a spectre, but, on recognizing the fugitive, they took a vote of the officers and crew, and it was decided to show mercy to the courageous fellow. He was picked up, taken to Holland, and supported by the crew until pardoned through the intercession of the late Queen.

Painful question in the Chicago Times: "What shall it profit a man if he gain the whole world and put it in a savings bank?"

TWO SIDES.—Remember that all questions have two sides; one is the right side, the other is the wrong side; one is the side of justice, the other injustice. If you take the right side, the just side, ultimately men, however much they may oppose you and revile you, will come to your support. Earth, with all its powers, will work with you and for you, and heaven is pledged to conduct you to complete happiness. If you take the other side, there is no power in earth or heaven that can lead you through successfully, because it is appointed in the counsels of heaven that justice and truth alone can prevail.

When a Swiss hotel keeper gets hold of an American newspaper, he runs his eye eagerly over the list of new bankrupts, to see who will probably be his most liberal guests in a few weeks.—Chicago Journal

A Sure Cure for the Piles.

A sure cure for the Blind, Bleeding, Itching and Ulcerated Piles has been discovered by Dr. Williams (an Indian remedy), called Dr. Williams' Indian Ointment. A single box has cured the worst old chronic cases of 25 and 30 years standing. No one need suffer five minutes after applying this wonderful soothing medicine. Lotions, instruments and electuaries do more harm than good. Williams' ointment supports the tumors, gives instant and painless relief, and is prepared exclusively for Piles, and nothing else. Over 20,000 cured Patients attest its virtues and Physicians of all schools pronounce it the greatest contribution to medicine of the age.

WENT TO THE NOTED HOT SPRINGS.

Cleveland, O., Dec. 27, 1876. DEAR SIR:—I suffered more or less for years with the itching or ulcerated Piles. I tried remedy after remedy advertised in the newspapers, and consulted physicians in Philadelphia, Louisville, Cincinnati, Indianapolis, and this city, and spent hundreds of dollars, but found no relief and comfort until I obtained a box of Williams' Indian Ointment some four months ago, and it has cured me completely. I had a part of the box left which I gave to a friend of mine who had doctored with many physicians without relief, and as a last resort went to the noted Hot Springs, of Arkansas, for treatment. He informs me that the Indian Ointment has also cured him of the piles. It is certainly a wonderful discovery and should be used by the many thousands who are now suffering with that dread disease. JOSEPH M. RYDER.

For more certificates of cures see large circular around each box of ointment.

Centaur Liniments

Have been sold the last year, and not one complaint has reached us that they have not done all that is claimed for them. Indeed, scientific skill cannot go beyond the result reached in these wonderful preparations. Added to Carbolic, Arnica, Mentha, Seneca-Oil, and Witch-Hazel, are other ingredients, which makes a family liniment that defies rivalry. Rheumatic and bed-ridden cripples have by it been enabled to throw away their crutches, and many who for years have been afflicted with Neuralgia, Sciatica, Caked Breasts, Weak Backs, etc., have found permanent relief.

Mr. Josiah Westlake, of Marysville, O., writes: "For years my Rheumatism has been so bad that I have been unable to stir from the house. I have tried every remedy I could hear of. Finally, I learned of the Centaur Liniment. The first three bottles enabled me to walk without my crutches. I am mending rapidly. I think your Liniment simply a marvel."

This Liniment cures Burns and Scalds without a scar, extracts the poison from bites and stings. Cures Chilblains and Frosted-feet, and is very efficacious for Ear-ache, Tooth-ache, Itch and Cutaneous Eruptions. The Centaur Liniment, Yellow Wrapper, is intended for the tough fibres, cords and muscles of horses, mules, and animals.

READ! READ! Rev. Geo. W. Ferris, Manokill, Schoharie Co., New York, says:

"My horse was lame for a year with a fetlock wrench. All remedies utterly failed to cure, and I considered him worthless until I commenced to use Centaur Liniment, which rapidly cured him. I heartily recommend it."

It makes very little difference whether the case be "wrench," sprain, spavil or lameness of any kind, the effects are the same. The great power of the Liniment is, however, shown in Poll-evil, Big-head, Sweeny, Spavin, Ring-bone, Galls and Scratches. This Liniment is worth millions of dollars yearly to the Stock-growers, Liverymen, Farmers, and those having valuable animals to care for. We warrant its effects, and refer to any Farrier who has ever used it.

Children.

A complete substitute for Castor Oil, without its unpleasant taste or recoil in the throat. The result of 20 years practice by Dr. Sam'l Pitcher, of Massachusetts.

Pitcher's Castoria is particularly recommended for children. It destroys worms, assimilates the food, and allows natural sleep. Very efficacious in Croup and for Children Teething. For Colds, Feverishness, Disorders of the Bowels, and Stomach Complaints, nothing is so effective. It is as pleasant to take as honey, costs but 35 Cents, and can be had of any Druggist.

This is one of many testimonials: "CORNWALL, LEBANON CO., PA., March 17, 1874.

"Dear Sir,—I have used your Castoria in my practice for some time. I take great pleasure in recommending it to the profession as a safe, reliable, and agreeable medicine. It is particularly adapted to children where the repugnant taste of Castor Oil renders it so difficult to administer. E. A. ENDERS, M. D."

Mothers who try Castoria will find that they can sleep nights and their babies will be healthy. J. B. ROSE & CO., New York.
