[SPECIAL TO THE "NEWS."] Provo. Dec. 12 -- It is reported here

hat the Rio Grande Western Railway ompany is contemplating making a rather unusual Improvement. It is said to be the intention of the company to plant rows of shade trees on either side of the track all along the line from Grand Junction to Ogden, and along the branch lines in this State. In some places where the right of way is wide, several rows of trees will be planted on ither side of the roadbed. Some ornamental tree such as Catal-a speciosa or western Catalpa will be

selected. This tree has a beautiful foliage, with flowers which appear in mmense panicles, white with yellow enters, and in addition to its beauty. is of rapid growth and the wood is aluable. In a few years it is expected sufficient timber can be grown in this way to supply the road with ties. Regardless of the value of the timber the enterprise of the company is expected er traffic by an appreciative public, which will be eager to take advantage of the opportunity to travel for hunireds of miles through an avenue of

Big Improvements to be Inaugurated by the R. G. W. in Salt Lake.

Consulting Engineer N. W. Sample f the Rio Grande Western came to own yesterday afternoon from Denver, was closeted with Master Mechanic John Hickey in the latter's private of-dice. Electrical Engineeer R. F. Hay-ward of the Utah Light and Power company was also present, and the hree gentlemen spent considerable lima in discussing the erection of a big plant and shops, the machinery in which will derive their motive power by the means of electricity.
It is said that the result of the meet-

ing will soon be made manifest by the erection of a big \$250,000 mechanical plant adjacent to the present shops of the Rio Grande Western here. No plans be ready by the end of next month. If they are acceptable, work will be commenced upon the big im-provements as soon as spring opens

These improvements will mean much o this city, as, of necessity, with en-arged shops, the erection of a new arged says, the effection of a new round house, paint shops and other adjuncts to an up-to-date railroad system will necessitate the employ-ment of additional skilled labor and nechanics when the shops are finally

Unique Claim.

The St. Louis Republic tells of a singular case involving the rights of a holder of a half-fare, unlimited ticket which developed recently on the Santa Fe line. t was on an eastbound from gan Francisco, and conductor, walle collecting tickets, was given the return portion of a halffare, or child's excursion ticket from Kansas City to San Francisco. The holder of the teket was a young man about 22 years of age. The conductor-looked at him smiled, and asked: You don't expect to ride on this

"Why not? It is an unlimited ticket and I bought it in Kansas City eleven

The conductor examined it more carefuly and found that it bore the stamp of the santa Fe office at Kansas City and was dated April 12, 1889, It was, moreover, as the young man had said, an unlimited ticket. "I don't doubt what you say about buying it," the conductor said, "but you were a kid then and now you're a
