In yesterday's game between Salt Lake and Ogden, Tozer and Hoon pitched winning ball but were accorded most miserable support.

Had Tozer been properly supported he would have won his game hands down. The event was full of good, bad, very bad and indifferent work on both sides.

At that, the Reilliyites had the game won until the last half of the ninth when Carney fumbled Clark's fly and Herwig bumped out a long low drive that brought in the run that won. About 50 fans saw the game, and their cheers, jeers and yells of displeasure indicates the character of the thing.

Gimlin led in the batting, as usual, but good work was done by Leahy, O'Brien, Herwig, Clark, Baer and Bresino.

In the eighth, with two men on bases, Tozer walked Gimlin and Fulmer tied the score with a hit. The detailed score follows:

You Never Know The Moment When This Information May Prove Of Infinite Value.

It is worth considerable to any citizen of Salt Lake City to know how to be cured of painful, annoying and itching piles. Know then that Doan's Ointment is a positive remedy for all itchiness of the skin, for piles, eczema, etc. One application relieves and soothes. Read this testimony of its merit:

James L. Hutchinson, retired, of 357 west Fifth South, says: "I have had attacks of itching hemorrhoids, commonly known as piles, for seven years. In that time I can safely say I have used more than fifty different kinds of salves and ointments, and I can also say that any benefit received from them was very transitory. Like a great many other preparations which I noticed advertised I came across Doan's Ointment and with every expectation that it would turn out as all others I had used, I went to the F. J. Hill Drug Co.'s store for a box. Now it is over four months since I stopped using Doan's Ointment and there has not been a return of the old annoyance."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

GETTING READY FOR JULY THE FOURTH.

Many Fast Horses Will be Here On That Date for Big Events.

THE GOOD ONES ARE WORKING.

Predicted That Local Horsemen Will Witness the Greatest Meet Ever Pulled Off Here.

The only sporting event in the future that local horsemen can see, is the big race meet to take place on July Fourth at the state fair race track, under the management of W. S. Jones of this city. Mr. Jones is working hard to make the event a complete success, and that he will succeed there can be no doubt. All that he asks for is a nice clear day and a fast track.

The crowds will be there because there will be no other event of like importance to draw the crowds away. The horses will be there, and some mighty fast ones, too. They are coming from various parts of the state and from Colorado. Some are already here from California. Horses that are now winning big purses on the western circuit will be onhand to compete for the big purses offered by the local association. The track, the grandstand and the stables are now in tiptop shape, and a great time for horsemen is now assured.

For several days past Salt Lake horse owners and trainers have had their favorite animals down at the track almost daily working them out and getting them in shape for the various events, running and harness races. Paul Hammer, Jr., has gone to Denver to follow the circuit there for a couple of weeks, and when he returns he will bring with him some speedy animals to race here.

Among the horses that have been training this week are Osmont, Laura Spurr, and Alpha W. These fast ones will be entered in the free-for-all, and their owners have their eyes set longingly on the $900 purse. It will be a great race between them. Although Laura Spurr beat the field in the free-for-all on Decoration day, the other horses mentioned above are doing great work in the try outs, and Alpha W will make Laura go pretty fast to win on July Fourth. Two other noted horses that will be seen in the races will be Tom McCoy's Cavalier, and Henry Howell's Willett.

Then there will be the Wentworth's stable of fast ones and N. A. Dickey's horse from Albion, Idaho, will be there.

There will be at least four harness events, and two running races, the latter consisting of a five-eighths and a three-quarter mile.

ROWAN VS DAVIS.

Title Fellows to Battle at Bingham Tomorrow Evening.

There is a great deal of interest in the fight scheduled for tomorrow night at Bingham between little Terry Davis and Silent Rowan. This pair is scheduled to weigh in at 127 pounds ringside, and then battle in a twenty-round Marquis of Queensbury argument. Both boxers have been training for a long time, and Davis declares that he will not lose this time on a foul. He thinks he will be able to knockout Rowan.

BIG SUBURBAN TODAY.

There Are Twelve Starters in the Great Turf Events.

New York, June 14.—Sheepshead with the green stretches and splendid racing courses reaching almost to the seashore, will witness the twenty-second running of the greatest of American handicaps tomorrow, The Suburban. Bright skies are forecasted, a fast track has been prepared, and a goodly field of thoroughbreds will contend for the $20,000 stakes, all of which gives promise of a record-breaking crowd.

Though only twelve horses are carded to go, it is a well matched field, with the possible chance of any one of the number reaching the wire in the lead, from Delhi, who carries the heaviest imposition to the lightly weighted Ostrich, with the feather Grimming on his back.

Once more the Keene and Belmont stables have given of their best, and Delhi, who carried the colors of James R. Keene to victory in the last Brooklyn handicap, and whose winnings the previous year were greater than any other horse in the east, and Beldame, August Belmont's splendid little mare, who in the name of Newton Bennington last season won twelve of her fourteen starts, will divide public favor. Which of the two will be installed the actual money favorite at post time is problematical, though Delhi on form would seem to have a call. Delhi's clever winning of the Brooklyn with 124 pounds would seem to outweigh the mare's victory in the Standard stakes a week ago over Curmgorm. Though the greatest filly of last year, greater even than famous Old Imp., Beldame this year seemingly had not up to recent days rounded into form.

The Whitney stable will have no candidate in the suburban this year, Irish Lad, an idol of the public in his day, has gone bad and been withdrawn. The Pickett, too, who figured prominently in the winter books, will be absent when the barrier goes up.

The western candidate, Proper, is always fit and always dangerous. With the burst of speed that several times he has given evidence of possessing at the end, his chances of reaching the wire first, if he is with the leaders in the stretch, are by no means slim, and English Lad, Fred Cook's entry, is now well thought of, although his price will be long. John E. Madden's Adell is to be reckoned with, as well as the lightweight Jacquin, an added starter who romped away with the Myrtle stakes at Gravesend today, negotiating the mile and seventy yards in 1:48 3-5, and winning by half a dozen lengths vased up.

Ostrich, carrying ninety-two pounds, may do as well as he did in the Brooklyn, when he gave Delhi a hard race, but he has not been in good temper of late, and will need clever handling. Among the others are Grazialio, a long shot that frequently has carried off the money at an unexpected moment and First Mason, a stable mate of Colonial Girl, neither of whom it would be well to overlook.

The entries with the probable betting are:

Starters.	Jockeys.	Weight.	Betting
Delhi	Burns	126	2 to 1
Beldame	O'Neil	123	3 to 1
First Mason	Booker	118	20 to 1
English Lad	Nichol	117	10 to 1
Bad News	C. Kelley	116	10 to 1
Alan-A-Dale	Lyne	112	15 to 1
Grazialio	Odom	110	15 to 1
Adell	L. Smith	109	8 to 1
Proper	M. Knapp	109	6 to 1
Miss Crawford	Baird	100	50 to 1
Ostrich	Crimmins	92	8 to 1
Jacquin	J. J. Walsh	100	10 to 1

mid-summer meeting at Brighton beach. It is said the old rates of $2 for grandstand and 75 cents for field stand tickets will then be resumed.

The advance to $3 was made at the beginning of the Gravesend meeting which closed yesterday. Results on the whole were far from what the track owners had anticipated. Thousands of persons who visit the tracks daily and formerly paid $2 willingly for grandstand tickets took to the field where the cost was only $1, and, excepting on half holidays, the crowds have not been uncomfortably large.

"PENNY" GOSSIP.

"Schreck came here to box Fitzsimmons. He is still here, is Schreck, and he will remain here and weigh in at 165 pounds on the night of July 3. He is still training. If Fitz does not show up then, we will claim the forfeit and the light-heavyweight and heavyweight championship." So spoke Billy Hogan to the "News" today. "Fitz has welched," he continued, "I will let the public judge as to which is to blame." Manager Willard Bean is now doing all in his power to fill the date, and there is a chance that he will get Dave Barry, from the coast, to take Fitzsimmons' place.

There will be doings at Ogden next Monday night when Billy Sift and George Gardner will have their twenty-round tilt. There is a great deal of interest in the coming contest, and opinion is about evenly divided here as to which man will win the contest. Gardner is perhaps a favorite in Ogden, but Sift has many admirers both here and there.

Well, our ball team, after trying hard for a couple of weeks has got down to that good old .333 again.

Word has been received here that Pitcher Durham has been released by the Salt Lake club. Durham never seemed able to get into proper form this season.

Paul Hammer, Jr., has gone to Denver to witness the circuit races there which will be on for two weeks. He will bring back with him some fast horses.

There was a meeting of league directors yesterday at which were present Prest. Bishel, C. H. Williams, Frank Gimlin and Secretary Shepard. It was ordered that the purse proposed shall be paid. President Bishel's resignation, the Carney matter and other business went over until the next meeting.

The organization of the state amateur ball league is now in a fair way to consummation. The league will be composed of Eureka, Bingham, Murray and Park City. A constitution and by-laws has been drawn up, and series of three games each has been called for. Each town has a strong team and good backing.

Baltimore, June 14.—On behalf of Kid Sullivan of Washington, his manager, Al Herford of this city, has accepted the offer of the Hayes Valley Athletic club of San Francisco of a purse of $5,000 for a twenty-round fight with Jimmy Britt in that city, July 4. The question of weight seems to be the only important one yet to be agreed upon. Sullivan and Herford will leave for the coast next week.

GOOD BLOOD TELLS ITS OWN STORY

And tells it eloquently in the bright eye, the supple, elastic movement, the smooth, soft skin, glowing with health, a body sound and well, an active brain, good appetite and digestion, refreshing sleep, energy to perform the duties and capacity to enjoy the pleasures of life. The blood is the most vital part of the body; every organ, muscle, tissue, nerve, sinew and bone is dependent on it for nourishment and strength, and as it circulates through the system, pure and strong, it furnishes to these different parts all the healthful qualities nature intended. When, from any cause, the blood becomes impure or diseased, it tells a different story, quite as forceful in its way. Itching, burning skin diseases, muddy, sallow complexions, disfiguring sores, boils, carbuncles, etc., show the presence, in the blood, of some foreign matter or poison. Rheumatism, Catarrh, Contagious Blood Poison and Scrofula, are effects of a deeply poisoned blood circulation. These may either be inherited or acquired, but the seat of trouble is the same—the blood. S. S. S., a purely vegetable blood remedy, cleanses and purifies the circulation and makes it strong and clean. Under its purifying and tonic effects all poisons and impurities are expelled from the blood, the general health is built up, all disfiguring eruptions and blemishes disappear, the skin becomes soft and smooth and robust health blesses life. Rheumatism, Catarrh, Scrofula, Contagious Blood Poison and all diseases of the blood are cured by S. S. S.
