Dr. Hall relates the case of a man who was cured of biliousness by going without his supper and drinking freely of lemonade. Every morning, says the docter, this patient arose with a wonderful sense of rest and refreshment, and a feeling as though the blood had been literally washed, cleansed and cool. literally washed, cleansed and cooled by the lemonade and the fast. His theory is that food will be used as a remedy for many diseases sucas a remedy for many diseases suc-cessfully. As an example, he cures cases of spitting blood by the use of salt; epilepsy and yellow fever by watermelons; kidney affec-tions by celery; poisons, olive or sweet off; erysipelas, pounded cma-berries applied to the parts affected; hydrophobin, onions, &c. So the way to keep in good health is really to know what to eat—not to know. to know what to eat-not to know
