ter? Are too many personal friends An amusing story is now being told in London of the late Justice Maule's treatment on one occasion of those strong-minded ladies who are so fond involved? Would it be dangerous to certain parties to take a serious step in strong-minded ladies who are so fond of crowding into the law courts when-ever any particular sensation or horri-ble case is on trial. The counsel for the prosecution was about to examine a witness in detail on matters gene-rally mentioned in the press as "unfit for publication," when the judge asked the "ladies," of whom there were a large number present, to be so kind as to retire for a short space of time. Thereupon ensued a general uprisal and rustling of dresses, lasting for some minutes, after which it was seen that about one-half of the female aud-nence had left. "And now," said Jus-tice Maule, "that the ladies have re-tired—usher, clear these women out of the court."-Liverpool Mercury. that direction? The Marshal can swear to no end of affidavits that "Mormons" whom he has never seen are in the practice of unlawful cohabitation; the prosecuting officers are eager to pile up indictments against them; the District Courts are pleased to impose the severest penalties in their power. But not a case of the kind we have mentioned has been brought before commissioner, court or The officials who are invading homes
