BUSINESS NOTICES.

APPROPRIATED.—Milwaukee *Sentinel* says: "Dr. Price's Cream Baking Powder and Special Flax Seed Oil are the best, without exception, that are made. They are growing daily in popularity and in every case where they are used give decided satisfaction. We are using them in our household, and speak from a knowledge of the case. These articles are not put into the market to compete in price with those of a low grade and inferior quality; they claim purity and healthfulness. Let those who read give them but a single trial and be satisfied."
