St. John's Conference.

The quarterly conference of the St. John's Stake of Zion convened at St. John on December 19th. Present on the stand: the presidency of the Stake, High Councilors, Bishops, etc. The reports of the Bishops showed that the people in the various wards are being well and enjoying a good degree of the spirit of the Lord. The crops are good in all the wards except St. John, where great loss in both hay and grain have been suffered by the ravages of the grasshoppers.

The instructions given were strictly practical and simple and most practical of the three. The Stake was exhorted to be diligent in all their duties, temporal as well as spiritual.

After the conference, a meeting was held, presided over by Apostle John Henry Smith and Elder John Morgan, whose remarks (as they always are) were full of encouragement and good instruction.

A week before the conference we were visited by Dr. Karl G. Maier, superintendent of Church schools who gave much information concerning the condition of the schools. The Stake was exhorted to be diligent in all their duties, temporal as well as spiritual.

After the conference, a meeting was held, presided over by Apostle John Henry Smith and Elder John Morgan, whose remarks (as they always are) were full of encouragement and good instruction.
