Beauty

Is desired and admired by all. Among the things which may best be done to enhance personal beauty is the daily use of Ayer's Hair Vigor. No matter what the color of the hair, this preparation gives it a lustre and pliancy that adds greatly to its charm. Should the hair be thin, harsh, dry, or turning gray,

Ayer's Hair Vigor will restore the color, bring out a new growth, and render the old soft and shiny. For keeping the scalp clean, cool, and healthy, there is no better preparation in the market.

"I am free to confess that a trial of Ayer's Hair Vigor has convinced me that it is a genuine article. Its use has not only caused the hair of my wife and daughter to be

Abundant and Glossy,

but it has given my rather stunted mustache a respectable length and appearance."—R. Britton, Oakland, Ohio.

"My hair was coming out (without any assistance from my wife, either). I tried Ayer's Hair Vigor, using only one bottle, and I now have as fine a head of hair as any one could wish for."—R. T. Schmittou, Dickson, Tenn.

"I have used Ayer's Hair Vigor in my family for a number of years, and regard it as the best hair preparation I know of. It keeps the scalp clean, the hair soft and lively, and preserves the original color. My wife has used it for a long time with most satisfactory results."—Benjamin M. Johnson, M. D., Thomas Hill, Mo.

"My hair was becoming harsh and dry, but after using half a bottle of Ayer's Hair Vigor it grew black and glossy. I cannot express the joy and gratitude I feel."—Mabel C. Hardy, Delavan, Ill.

THE PATENT

Wire Gauze Oven Door

IS THE LATEST IMPROVEMENT ON THE

It Produces Practical Results in Baking and Roasting never before attained in any Cooking Apparatus, and will

Revolutionize the Present Methods of Cooking

ITS THEORY

is that all Food Baked or Cooked, should be cooked in fresh air freely admitted to the oven. This is done by discarding the close oven door heretofore used, and substituting for it a door containing a sheet of Wire Gauze nearly as large as the door itself.

Through this Gauze door the air freely circulates, facilitating the process of cooking, and producing food that is unequalled in flavor and nutrition, and actually cooked with less consumption of fuel than in an oven with a closed door.

It makes an enormous saving in the weight of meat.

It also produces larger Loaves of Bread, requires less attention from the cook, and promotes the health of the family by the SUPERIOR QUALITY OF THE FOOD COOKED IN IT.

OPINION OF AN EXPERT.

MRS. MARY B. WELCH, Teacher Domestic Economy, Iowa State University, says: "My deliberate judgment is that the oven of the Range, as compared with others, is not only more equally heated in every part, front and rear—but as a result of its superior ventilation the food placed therein is better cooked, while retaining a sweeter flavor, and a larger proportion of its best juices. I find also the consumption of fuel in this Range much less than any other for same work.

EVENING NEWS.

Wednesday, - Sept. 19, 1888.

TELEGRAPHIC NEWS.

Continued from First Page.]

Harrison's Busy Day.

INDIANAPOLIS, Sept. 18.—This was one of General Harrison's busy days. In the afternoon and evening he received and addressed three visiting delegations.

The first one came from Dansville and other points in Vermillion County, Illinois, numbering from 1200 to 1500. General Harrison made a brief address.

Delegates from Louisville and Covington, Kentucky, about 800 in number, arrived at 4 o'clock, and were received at University Park. Their enthusiasm ran very high. A. Wilson, of Louisville, spoke briefly in behalf of Kentuckians. General Harrison said:

"It has been quite one thing to be a republican in Illinois and quite another to be a republican in Kentucky. Not the victors only in the fight deserve a crown, but those who fight well and are beaten and fight again, as you have done, deserve a crown. Though victory never yet has perched on your ner, your history is very full of romantic and thrilling adventures and instances of individual heroism. Your people have always been proud and brave. In the late war for the Union, in spite of distraction and defection, Kentucky stood by the old flag, and now that the war is over and its bitter memory is forgotten, there is not one I hope within all your borders, who does not bless the outcome of that great struggle; and now what hinders that Kentucky shall step forward in the great industrial rivalry between the States? Is there not as your spokesman has suggested, in the early and thorough instruction which the people of Kentucky received from the mouth of your matchless orator Henry Clay, a power that shall, and speedily, bring back Kentucky to the support of our protective system? Can the old whigs who reverently received from the lips of Clay the gospel of protection, much longer support the revenue policy that they know to be inimical to our national interests? If when Kentucky was a slave state, she found the protective tariff promoted the prosperity of her people, what greater things will the same policy not do for her as a free state? I remember that Kentucky agitated for seven years and held nine conventions before she secured separate statehood. May I not appeal to the children of those brave settlers to show their chivalry and love of justice uniting with us in the demand that Dakota and Washington shall be admitted? We look hopefully to Kentucky, the state of Henry Clay and Abraham Lincoln. I believe Kentucky will place herself soon upon the side of truth upon the great question.

Maine's Official Returns.

AUGUSTA, Me., Sept. 18.—The official returns of the Maine election have been received from all voting places, save a few remote and unimportant plantations. The roll gives Burleigh (Rep.) for governor, 70,813; Putnam (Dem.), 61,018; republican plurality on gubernatorial vote, 18,495.

The pluralities for Congressmen are: First district, Reed, 2,437; second district, Dingley, 5,473; third district, Milliken, 6,633; fourth district, Boutelle, 4,810.

The republicans have 31 Senators to none for the democrats, and 125 representatives to 26 for the democrats.

Of 99 county offices, sheriffs, probate judges, county attorneys, etc., the republicans elected 96 and the democrats three.

A Doctrinal Dispute.

MINNEAPOLIS, Sept. 18.—The doctrinal snarl in which the American theological professors have become involved with the school at Krupp, Germany, was still the theme of discussion at the meeting of the Lutheran conference this morning. A resolution was adopted, the gist of which was that the missionaries in the field for America should receive their theological education in the school at Philadelphia. The complaint made against the missionaries in Germany was that they did not understand American institutions and were not able to enter into the spirit of American life.

A letter from R. Gellen, an absent delegate from the Pacific slope, was read, praying that an English general council minister be sent to California at once.

A Question of Contempt.

NEW YORK, Sept. 18.—A motion was argued today in the supreme court chambers, to have Elijah Smith, president of the Oregon Railway & Navigation Company, W. Smith, its treasurer, and Dillon and John H. Hall, defendants in the suit of Brayton Ives, punished for contempt of court, in continuing the building of branch lines and a bridge over Snake River, and for transferring $1,200,000 from the Farmers' Loan and Trust Company, despite an injunction issued by the supreme court. Judge Barnett decided the order of injunction could not prevent the construction of branch lines and decided to appoint a referee to consider the question of contempt in the disposition of the money.

Ex-Prisoners of War.

INDIANAPOLIS, Sept. 18.—One hundred delegates attended the sixteenth reunion of the National Association of ex-prisoners of war. General W. H. Howell, of Belleville, Illinois, is president, and Major L. P. Williams, of South Bend, Indiana, secretary and treasurer. Committees were appointed and General John Coburne delivered the address. The secretary has enrolled during the year 24 new associations and 148 individual members. In the afternoon the delegates called on General Harrison, and at night a campfire was held.

The following officers were chosen: President, Thomas N. McKee, Washington, D. C.; secretary and treasurer, L. P. Williams, Washington, D. C.

Dillon at Liberty.

LONDON, Sept. 18.—Parnell, in a congratulatory telegram to Dillon says:

"Your triumph over the brutalities of imprisonment is a great victory for Ireland, and a signal discomfort for Balfour's coercion."

The *News* says: We believe there does not exist a man in the kingdom, not excepting even Balfour or Goschen who does not hope earnestly that Dillon has been released in time. He was released because had anything happened to him in jail, Balfour's official existence would not be worth a fortnight's purchase.

Chinese Naturalization.

ST. LOUIS, Sept. 18.—Judge Barclay, of the St. Louis circuit court, refused to grant naturalization papers to Argo Konnhume, a Chinaman. The judge takes the ground that under the existing laws a Chinaman cannot become an American citizen, and declares that the latest legislative definition of the naturalization law of 1882 is to the effect that no state or United States court shall grant citizenship to Chinese. Konnhume has resided here ten years and says he will carry his case to Congress.

Odd Fellows.

LOS ANGELES, Sept. 18.—The Sovereign Grand Lodge of Odd Fellows now in session in this city elected officers for the ensuing term today. The only changes were the election of General Underwood, of Kentucky, the present Deputy Grand Sire, to the position of Grand Sire, and Charles M. Busbee, of Raleigh, N. C., to the position of Deputy Grand Sire. The parade of visiting Odd Fellows this afternoon was very imposing.

Political Notes.

NEW YORK, Sept. 18.—The democrats of Brooklyn listened to Roger Q. Mills at a mass meeting tonight, and on this side of the river the republicans filled Cooper Union and listened to Hon. Warner Miller.

James Langdon Curtis, of this city, today issued his letter of acceptance of the presidential nomination tendered him by the convention of the American party.

The use of calomel for derangements of the liver has ruined many a fine constitution. Those who, for similar troubles, have tried Ayer's Pills testify to their efficacy in thoroughly remedying the malady, without injury to the system.

DIAMOND WORDS.

★ "There are a few things that I believe in with all my heart, and it affords me pleasure to tell of one of them." The speaker was Ex-Senator Albert Merritt, head of the large fruit firm, 82 Park Place, N. Y., and the scene his office. "I was sick, and feared that I had become fated to endure the tortures of dyspepsia and a dangerous affection of the kidneys. A relative said to me: 'Why don't you try Dr. Kennedy's Favorite Remedy?' I did so. I grew steadily better, could eat, digest, sleep, work with a clearer head, and the yellow color of my skin had given place to the tones

That Announce Pure Blood,

and every organ of the body in healthy action. Dr. Kennedy's Favorite Remedy is entitled to the credit of saving my life. If any one has a doubt about the truth of my statements let him write to me. I can give you the names and addresses of fifty persons who affirm, as I do, that Favorite Remedy, made by Dr. David Kennedy, of Rondout, N. Y., has been to them a help

And A Blessing

in time of need." Mr. A. DeRevere, Tarrytown, N. Y., says: "For a long time I was troubled with severe attacks of Dizziness and Blind Sick Headache. I thought it was due to impure blood and disordered state of the system. I was advised to try Dr. Kennedy's Favorite Remedy. I did so, and have been completely cured. It's the best thing I ever heard of for any disorder of that nature, and I've recommended it to many with like success." Mr. Daniel Fitts, Taunton, Mass., says: "I recommend Dr. Kennedy's Favorite Remedy for Dyspepsia and Sick Headache. I suffered for many years with these complaints and was cured by Dr. Kennedy's Favorite Remedy." Mrs. S. C. Dougherty, Millville, N. J., says—"I had been a sufferer from Dyspepsia since I was sixteen years old. I could find relief, and had almost given up in despair, when Dr. Kennedy's Favorite Remedy was recommended, which I tried and am now cured. It is the best medicine I know of."

CHATTANOOGA, TENN., June 27, 1888—Swift's Specific Co., Atlanta, Ga.—Gentlemen: In the early part of the present year, a bad case of blood poison appeared upon me. I began taking S. S. S. under advice of another, and to-day I feel greatly improved. I am still taking the medicine and shall continue to do so until I am perfectly well. I believe it will effect a perfect cure. DOC. P. HOWARD, 111 West Sixth St.

COLUMBIA, S. C., July 7, 1888—The Swift Specific Co., Atlanta, Ga.—Gentlemen: I was a great sufferer from muscular rheumatism for two years. I could get no permanent relief from any medicine prescribed by my physician. I took over a dozen bottles of your S. S. S., and now I am as well as I ever was in my life. I am sure your medicine cured me, and I would recommend it to any one suffering from any blood disease. Yours truly,

O. E. HUGHES, Conductor C. & G. R. R.

WACO, TEXAS, May 9, 1888—Gentlemen: The wife of one of my customers was terribly afflicted with a loathsome skin disease, that covered her whole body. She was confined to her bed for several years by this affliction, and could not help herself at all. She could not sleep from a violent itching and stinging of the skin. The disease baffled the skill of the physicians who treated it. Her husband began finally giving his wife Swift's Specific, and she commenced to improve almost immediately, and in a few weeks she was apparently well. She is now a hearty fine-looking lady, with no trace of the affliction left. Yours, very truly,
