MOLUTHOUR, Six arabergs Lun,
Sweden, April 18th, 1897.
The the Editor
A finer day could not have been drained than we seem stayoned with on the occasion of control to the control of the

set. Unrived confirmers in the district of the

and recover that comes a like a large department of the large and prayer by the same partment of the large and prayer by the same partment of the large and prayer and the large and the all ing notes. The set week the been all in root week I seev spont. I have gained sense standale apprisence, and it has been clearly demonstrated to me that traveling subscott pursue or see p in the second sense of the seed of the see

seed to spend a whou in recitations and bongs and to bid the unisonaries good-bye. Elder Land, left for Copenhagen at \$23.4 m., I conday down to the harden and took the stemminate Cops for Kirppon, where an old first was once altituded the conner was varied and designful as we stook said watched this steam's slying here and bore, and recambath dating, between them, ing at the other above, the first of the conner was and the city to mother. So you have we had a good time all around turing conference, and one that well over close to our memory offer the control of the conference, not return exet fall laden with tidings of having rolled the little zone still farther, and atopical away sheaves in the treasure hours of the Lord.

WILLIAM ANDERSON.

## INDIAN TERRITOR RISSION, Breezy of From Encouraging Late.

Extract conference.

Elour John H. Ivretroon, Piggott, Aviantos, writes, expiresing hit kind decings to conflict the returning president, and says: Your instructions while with instructions to the conflict the return of the conflict the virtue fluer into time, have come to use with the force of impiration. Not united on have I readly appreciated the virtue fluer is in fasting, coupled with corners prayer, although I have more based to character the regular Part the R. V. college. I have realized many historic fluer in the fasting for the fasting coupled with the R. V. college. I have realized many historic fluer in the fasting of the realized many historic fluer. It is not claumed upon my minor that that saus not sacrifice senon, h, and that the life of a missionary, a writer with the realized many in the conflict of t the reponent to a scircular interesent out to the Educe laboring in the various of the Educe laboring in the various convertions, approxing them of his release, and the appointment of Elder W. T. Jack, the Elder's have written, and other laboring the secretary of the mission, after concluding his riverily expressions to be departing president, asys. It gives me great pleasure to report to you the flait range greatest asys. It gives me great pleasure to report to you the flait range greatest asys. It gives me great pleasure to report to you the flait range sinceres the Elders are having in the mission sinceres are not to the place where the rocks cans from the claim of the mission sinceres are not pleasured to the place where the rocks cans from the claim of the mission sinceres are not pleasured to the mission sinceres are not pleasured to the mission sinceres are not pleasured to the mission of a few weeks age locked on with asset and admiration and said nobling.

\*\*All the co-interaction of the mission of a few weeks age locked on with asset and admiration and said nobling.

\*\*All the co-interaction of the mission of a few more laptions already interaction of a few weeks age locked on with asset and admiration and said nobling.

\*\*All the co-interaction is larger than there were during the whole of the flow of the mission of the mission. He for the mission of th
