TO THE BISHOPS AND PRE-SIDING ELDERS IN ALL THE SETTLEMENTS OF THE LAT TER-DAY SAINTS.

DEAR BRETHREN: It is our desire to commence again to assist the scattered poor of God's people in gathering to Zion. To aid in the accomplishment of this pur-

pose we request the Bishops and Presiding Elders in the various settlements to give especial atten-

tion to the collection of the debts due to the Perpetual Emigration the shade at I p.m. to-day. Snow-Fund from those who have been

assisted in past years. In view of the near approach of the season

of the year when our emigration leaves the shores of Europe, we desire that our brethren give this matter their immediate attention, that we may be enabled to do as much good as possible 'this present year.

It is the duty of all the Saints who have the means to assist in the gathering of these of their brethren and sisters who are still scattered in Babylon, and we should be pleased to have the local authorities solicit donations from those who are not in debt to

the P. E. Fund, and who are able and willing to do their part for the gathering of scattered Israel. Your Brethren, BRIGHAM YOUNG,
