

GRAIN DEALER GOES TO THE WALL

Sam Williamson in Bankruptcy
Court With Liabilities at
\$26,748.83.

FOREIGN CREDITORS IN IT.

Filling of Lucra Seed Contracts Cuts
Big Figure in the Failure—What
Mr. Williamson Says.

Sam Williamson, the well known
grain merchant, filed a petition
in bankruptcy this morning, showing
total liabilities of \$26,748.83, with assets
of \$50, in personal property.

Mr. Williamson, in taking this course,
is securing relief from obligations in-
curred in a large grain deal that turned
out unsuccessfully and which involved
some foreign creditors, as well.

The principal creditors in the case
are the following: Utah National
bank, in promissory notes, \$17,300; Texas
Seed and Floral company, \$675; Hall
Seed and Floral company, of Texas,
\$485; C. W. Fryar, of Soda Springs,
Ida., \$467; R. J. Leffert, of Chicago,
\$400; George Schlesinger, of Hamburg,
Germany, \$385; A. Dickinson & Co.,
of Chicago, \$300; Wellsville Co-op., \$250;
Wm. Cooper, of West Jordan, \$1,300;
Marquand, Jensen & Co., of Eliza-
ville, \$441; Richard Later, of Rigby,
Ida., \$557; Hobbs, Parson & Co., of Cal-
ifornia, \$600; Germain Seed Co., of Cal-
ifornia, \$225; C. McCullough, \$600;
Jona Mercantile Co. of Iowa, Ida.,
\$558; Nils Hoff Grain Co., of Idaho
Falls, \$425; Joseph Howell, of Well-
sville, \$725; Fremont Impement Co.,
Idaho, \$335; Jensen Bros., of Moroni,
\$941; Labor Exchange, of Lorenzo, Ida.,
\$935; Rexburg Milling Co., of Rexburg,
Ida., \$331; South Jordan Milling com-
pany, \$1,161; Wm. Abbott & Neman,
of Schuyler, Neb., \$1,590.

Mr. Williamson has been in business
for a number of years at 21 West First
South street, and among the best
known men in his line of trade.

When Mr. Williamson was seen this
afternoon he said that the compulsory
filling of lucra seed contracts cuts a
great personal loss on account of poor
crops was largely responsible for his
bankruptcy. He also said that it was
too early to say whether or not he
would resume business.

LEFT MONEY BEHIND HIM.

Strange Conduct of a Miner Who Was
Under the Influence of Liquor.

The day before Christmas a rugged
miner, slightly under the influence of
liquor, entered the Longmore cloth-
ing house on First South street, and
purchased a suit of clothes and some
underwear. The former he left for al-
terations and donning the latter he
emerged from the store announcing
that he would call later for the suit.
Shortly after Mr. Burrows, the prop-
rietor, found in the dressing room which
he occupied two bills of the denomina-
tion of \$10 each, as well as a dollar or
so in small change. Desirous of re-
turning the missing money, he dis-
patched a messenger for the stranger who
he traced him to a saloon nearby,
where he had evidently gone to quench
his thirst. Thinking that the man
would make good his promise Mr. Bur-
rows paid no further attention to the
incident until Saturday when the man
failing to appear he became somewhat
apprehensive and notified the police.
The latter did all they could to locate
him, but were unable to learn anything
of him, save to establish the fact that
he had been in the saloon referred to.
The stranger has not yet returned and
Mr. Burrows fears he may have been
unjustly dealt with and is anxious to
locate him in order to return the mon-
ey.

CHANGES IN THE FIFTEENTH WARD.

The Presidency of the Stake met with
the Saints of the Fifteenth ward in
their regular meeting yesterday even-
ing, for the purpose of changing the
boundaries of that ward and making
other necessary alterations, which had
become necessary through the sale of
the meeting house property, as well as
considerable private realty in that
ward, to the railroad companies, which
had resulted in the removal of many of
the Saints. Addresses were delivered,
of a timely character. The Saints in
the two tiers of blocks on the east side
of the Fifteenth ward, being all of the
blocks between Second and Fourth
West and South Temple and Third
South streets, were added to the Four-
teenth ward by unanimous vote. As
the Bishopric ward to meet in the
Fifteenth ward in making these changes,
the Bishop, Elder Joseph R. Morgan, an-
nounced his resignation, which was duly
accepted.

Bishop Edward T. Ashton was nomi-
nated by President Angus M. Cannon
as Bishop of the Fifteenth ward and
John W. Boud and James M. Chris-
tensen as his counselors, who were
unanimously accepted, and were set
apart under the hands of the Stake
Presidency. The Saints now in the
Fifteenth ward were directed to meet
next Sunday and thereafter with the
Fourteenth ward, and the members of
the Fifteenth ward to meet in the Four-
teenth ward chapel. The Bishopric
of the Fifteenth ward were directed to
arrange for a reorganization of the
auxiliary societies therein, and the re-
sulting Bishopric to settle tithing ac-
counts for the present year, and see
that the records of the ward are made
complete. A most excellent spirit pre-
vailed.

READ FILES ANSWER.

Denies the Charge of Desertion Made
Against Him by His Wife.

Charles Read today filed his answer
to the divorce complaint filed against
him in the district court recently by his
wife, Lila Read, in which he denies that
he deserted her on Oct. 21, 1902, as al-
leged in her complaint and denies that
he has failed to support her. He fur-
ther denies that she is in ill-health
and has no means of support or that
she has not sufficient funds to employ
counsel to prosecute her divorce action.
As a further answer to the complaint
he alleges that in the year 1898 he gave
her 19 shares of Daily-West stock which
is now worth \$1,800, and has given other
mining stock to her valued at about
\$115, making the total value of gifts to
her \$1,915. In addition to the above
he alleges that she is in receipt of an

as well as you do; they like the
moneyback business too.

income from said mining stock and the
rent of a portion of the house given
her. Since Oct. 21, 1902, he alleges
that she has received \$430 in dividends
on the stock and \$600 as rental from
the property. He has also contributed
to her support the total sum of \$841
since Nov. 8, 1902. Defendant claims
that he owns property of the value of
\$6,230 and only receives a salary of \$200
per month, and that he has a daughter
dependent upon him for support.

In the prayer to his answer he asks
that plaintiff be required to put all the
property which she owns in with all the
property owned by him, and that each
may be given an undivided one-half
thereof, and that he may have such
other relief as may be just and equit-
able.

VETERAN AT REST.

Friends Pay Glowing Tribute to the
Memory of Father Owen.

Funeral services over the remains
of Father W. D. Owen were held in the
Twentieth ward meetinghouse Sunday
at 11 a. m. Bishop George Romney pre-
siding. Touching and appropriate mus-
ic was furnished by the ward choir,
assisted by Sister Lena Riter, who sang
the solo, "Not half has ever been told,"
and by George D. Pyper, who rendered
the favorite hymn, "O my Father,"
with much pathos. The opening pray-
er was offered by Counselor J. F. Sim-
on, and the speakers were Elders
Charles W. Penrose, Hamilton G. Park,
C. H. Savage, Arthur Parsons, William
Spicer and Bishop Romney, all of whom
were well acquainted with the decess-
ed, some of them for over 50 years. The
speakers dwelt upon the faithfulness
and integrity of the departed and ex-
pressed the conviction that his reward
was sure. Six of Father Owen's grand-
sons acted as pall bearers, they being
W. S. J. D. Rulon, M. Moroni and
Reuben Owen and Ernest Forrest.
There were numerous beautiful floral
tributes, among them from the C. C.
M. I., where the deceased was formerly
employed. The benediction was pro-
nounced by Bishop M. S. Woolley of
the Twentieth ward, after which a
long cortege followed the remains to
the city cemetery, where the grave was
dedicated by Elder W. J. Tuddenham.

LIVED A GOODLY LIFE.

Friends Pay Tribute to the Memory of
William Rigby.

Funeral services over the remains of
Elder William Rigby were held in the
Seventh ward meetinghouse on Sunday,
Dec. 27. The house was crowded with
friends of the deceased, and the floral
offerings were numerous and beautiful.
The speakers were Bishop William
Thorn, Elders David McKenzie, Angus
M. Cannon and John Henry Smith, who
spoke of their intimate acquaintance with
the deceased for half a century
past, his honesty and integrity, and his
love and devotion for his family. Bishop
Harrison Sperry offered the opening
prayer and Elder William McLachlan
pronounced the benediction. A long
cortege followed the remains to the
city cemetery.

OTHER FUNERALS.

The funeral services over the remains
of the late Mrs. Mary Elizabeth Sa-
ville were held at the Eighteenth ward
cemetery yesterday at 11 o'clock. The
building was thronged with friends and
mourners, and a great profusion of
beautiful floral offerings adorned the
pulpit and the casket. The speakers
at the occasion were Elders Joseph
Patrick, John Nicholson, and Bishop
O. F. Whitney, all of whom testified
in feeling terms of the virtues of the
deceased. The prayers were uttered by
Elders W. S. Wells and Rudger Clav-
son, the music being furnished by
Messrs. Pyper, Whitney, Patrick, and
Spencer, with Prof. Giles at the or-
gan. At the grave the dedicatory
prayer was offered by Elder Wm. B.
Barton.

Funeral services were conducted at
the family residence, 122 Eleventh
East street, yesterday afternoon over
the remains of Mrs. A. R. Yates, who
died Christmas morning. Mrs. A. J.
McMullen and sister Mary Lucke Yates,
left with the remains for Dodgeville,
Wis., which was the former home of
the family.

Mrs. Yates, during her stay in Salt
Lake, made many warm personal
friends. She was noted for her many
charitable acts.

The funeral of Fred M. Maack, who
succeeded at Heber recently, was held
yesterday from the residence of his
brother, 718 east Seventh South street.
Rev. W. H. Fish, Jr., of the Unitarian
society and J. P. Meakin spoke, and
there was a delegation present from
the topographical union. The burial
occurred in the city cemetery.

her sanity today by County Clerk
James and Drs. Mayo and Odell and
was committed to the state mental hos-
pital. Mrs. Fones is 74 years of age
and resides at 216 West Fourth North
street. Her condition is said to be
due to old age.

All Humors

Are impure matters which the skin,
liver, kidneys and other organs can
not take care of without help, there is
such an accumulation of them.

They litter the whole system.

Pimples, boils, eczema and other

SMALL RIOT AT WINTER QUARTERS

Deputy Sheriffs Attempt to Evict
The Married Strikers But
Had to Get Help.

THEY CALLED ON THE SOLDIERS

Capt. Kanerman and Company F
Went to the Scene and Fought
Peace Reigning.

Yesterday at Winter Quarters deputy
sheriffs attempted to make evictions
among the married strikers, which ac-
tion was occasioned for a small-sized riot,
which grew to such proportions that the
deputies were forced to withdraw for
reinforcements. The latter they got
from Capt. Kanerman, commanding
company F, but by the time they ar-
rived on the scene the disturbances had
gone back to their homes and peace
reigned once again. Major Heywood,
commanding the detachment at Sco-
field, was sent up to investigate and re-
port.

WARRANTS FOR ORGANIZERS.

Complaints charging conspiracy have
been filed with the attorney of Car-
bon county against Geo. Kelliker and
Charles W. Penrose, Hamilton G. Park,
C. H. Savage, Arthur Parsons, William
Spicer and Bishop Romney, all of whom
were well acquainted with the decess-
ed, some of them for over 50 years. The
speakers dwelt upon the faithfulness
and integrity of the departed and ex-
pressed the conviction that his reward
was sure. Six of Father Owen's grand-
sons acted as pall bearers, they being

TENTS FOR STRIKERS.

The Fuel company officers report a
steady gain in the matter of employees
at all of the camps, the Clear Creek
camp now being entirely filled up. As-
tute Kelliker has shifted to the camp
a quantity of tents for the accommo-
dation of the strikers, but just how
they are going to stand it through all
the cold weather of the current winter
season, as they say as they will, is what
is puzzling the guessers.

ESTATE CONTEST MAY BE SETTLED.

Judge Hall this morning ordered
Mrs. Agnes Whitworth released from
the state mental hospital under a bond
in the sum of \$100. The order was
made upon the request of Mrs. Agnes
Lowry, a daughter of Mrs. Whitworth.
The latter's mental condition was the
cause of a contest being filed over the
administration of the estate of her hus-
band, Atkinson Whitworth, deceased.
She was named in the will as executrix
of the estate, but owing to her in-
ability to serve, her daughter filed a
petition asking that her husband be ap-
pointed administrator of the estate.

A protest was then filed by John
Whitworth, in which he asked that the
appointment of Lowry be set aside for
the reason that deceased left no will
naming his widow as executrix of the
estate. He asked that the will be ad-
mitted to probate; that Mrs. Whitworth
be appointed executrix and that he be
appointed guardian of her estate and
person. The release of Mrs. Whitworth
from the mental hospital may be the
means of declaring the contest off.

HUSBAND WAS CRUEL.

On That and Other Grounds Eliza Pearce
Gets a Divorce.

Cruelty and failure to support are
the grounds upon which Judge Hall to-
day granted Eliza Pearce a divorce
from Joseph Pearce. The parties were
married on June 11, 1895. On Aug. 17,
at Bingham canyon, Pearce cruelly as-
saulted and beat his wife, used vile and
abusive language toward her and then
took \$250 of her money and left her.
Since that time he has failed to support
her. On several other occasions she
said that he beat and abused her in a
cruel manner causing her much mental
anguish.

COURT NOTES.

Judge Hall will make a setting of
cases to file the equity division of the
district court on Monday, Jan. 4, trial
to commence on Jan. 11.

Judge Seward will call his law and
motion calendar on Thursday, Dec. 31,
and will make a setting of jury cases
for his division of court on Monday,
Jan. 11, 1904.

Judge Stewart today rendered judg-
ment by default in favor of plaintiff
in the case of the Granite Lumber com-
pany against Frank E. Dorrington for
the sum of \$1,127.50 and interest and
costs. The action was brought to re-
cover the above amount. Lumber sold
to defendant between Jan. 1 and
Sept. 13, 1903.

Suit has been filed in the district
court by R. G. Wilson against the
Idaho Gold Mining company to recover
the sum of \$1,115.50, alleged to be due

pended for defendant by Charles Mac-
der, who was formerly manager of the
company.

PREPARING FOR EVENTUALITIES.

Auxiliary Cruiser Dixie Leaves
League Island Navy-Yard En-
Route for Colon.

TAKES SIX HUNDRED MARINES.

Has on Board Five Months' Living
And Fighting Supplies for a
Thousand Men.

Philadelphia, Dec. 28.—The auxiliary
cruiser Dixie sailed from the League
Island navy yard today on route for
Colon, carrying 600 marines and five
months' living and fighting supplies for
1,000 men. Six companies of marines di-
vided into two battalions sailed on the
Dixie.

Company A is composed of men from
Boston; company B, Washington; com-
pany C, Annapolis; company D, Phila-
delphia, and companies E and F, Brook-
lyn.

EXECUTING "GENERAL POLICY."
Washington, Dec. 28.—It was stated
at the navy department today that the
removal of the marines from the Pacific
from Yaviza to Honolulu, a point on the
Panama railroad, is not in press
dispatches from Colon, is but a move-
ment directed by Admiral Glass in the
execution of a general policy and was
not directed from Washington. It
said further that the move is without
significance as suggesting any change
of policy here. Two dispatches received
from the isthmus advise the navy de-
partment that there is "no news" to
report. It is understood that a party
of 20 marines have been retained at
Yaviza for the purpose of observation.

MORE VESSELS FOR PANAMA.
Washington, Dec. 28.—The fleets of
warships on both sides of the isthmus
of Panama will shortly be re-enforced
by several vessels now on their way
to that quarter. The gunboat Topeka,
of the Atlantic training squadron, left
Key West yesterday for Colon by way
of Kingston a convoy of the torpedo
boat destroyers Truxton and Stewart,
which have been assigned to patrol
duty on the Caribbean coast of the
isthmus.

The gunboat Castine arrived at
Colon yesterday from Philadelphia
none the worse for her recent grounding
on a bar on the Delaware river. The
gunboat Kearsage has left Colon for
Colon with coal for the fleet. The con-
verted cruiser Dixie left League Island
today for Colon with the Panama ma-
rine brigade, numbering about 600 men,
in command of Brigadier General Eliot.

Naval movements in the direction of
the isthmus have been almost equally
active on the Pacific coast. The gun-
boat Petrel, bound for Panama, ar-
rived at Acapulco, Mexico, on the
26th instant, and undoubtedly has left
there by the time. The torpedo boat
York, the gunboat Bennington, the tor-
pedo boat destroyer Preble and Paul
Jones and the cutter Saturn have been
sent to the Pacific coast for service
in the vicinity of Panama and it is ex-
pected that all of them will start south
in a day or two.

NO ANSWER TO COLUMBIA'S NOTE

Washington, Dec. 2.—Although Secy.
Hay has not yet replied to the note
of Gen. Reyes, preparations are going
on rapidly for the closing of the Co-
lombian legation here, and the depart-
ure of Columbia's representatives for
home. It is clear that they do not
entertain very much hope of a satisfac-
tory response by this government. Al-
ready most of the legation files have
been packed and arrangements com-
pleted for placing them in storage here.
Gen. Reyes for several days has denied
himself to callers. It is believed that
while the note of Mr. Hay has not
been made, sufficient information has
been obtained by the Colombian repre-
sentatives in the interviews they have
had with the secretary to enable them
to forecast its conclusions. The prepa-
rations going on for closing up the
affairs of the legation would seem to
indicate that Gen. Reyes and Dr. Her-
nandez are awaiting only a matter of
form and diplomatic courtesy, the of-
ficial communication of Mr. Hay, setting
forth the reasons why this government
cannot accept their view of the Pan-
ama situation, before severing diplomati-
cally relations with the United States.

The Colombian note contains a state-
ment of the grievances which that
country has against the United States.
It discusses these grievances in a
calm and dignified tone and sets out
reasons which Gen. Reyes claims sup-
port the contention he has made. The
probability is there will be several di-
plomatic exchanges between Colombia
and the United States before anything
like a final settlement of the question
of the matters at issue is reached.

Drama Substituted for Services.

Baltimore, Dec. 28.—A play has been
produced in the Trinity German Luth-
eran church here. It took the place of
the usual Sunday night sermon and
prayer service. The play was produced
by the minister in charge of the church.
The tone of the drama, which was in
German, was highly religious.
Announcement of the unusual event
had attracted wide attention in church
circles and the admission fees paid by
an audience which packed the edifice
will be in aid of the poor.

Pneumonia in Chicago.

Chicago, Dec. 28.—With pneumonia
establishing a new death record in Chi-
cago and the county hospital so crowd-
ed that patients are sleeping on mat-
trasses on the floor and less serious
cases being turned away, a serious prob-
lem confronts the Chicago health au-
thorities.

The many varieties of weather from
which the city has suffered during the
last week is blamed not only for the
many pneumonia deaths but for the
crowding of the hospital in another
way. Within the last few days an un-
usual number of persons, injured by
falls on icy sidewalks, have been taken
to the county institution, and though
a new emergency ward has been opened
all cannot be cared for properly.

Last week's alarming increase in
deaths from pneumonia is made the
subject of the latest health bulletin.
During the seven days ending Satur-
day pneumonia claimed 139 victims in
Chicago, or 27 per cent of the total mor-
tality.

LATE LOCALS.

Atty. A. B. Edler has been admitted
to practise in the United States courts.
On Friday night next a leap year ball
will be given in the Twentieth ward
hall.

Today's bank clearings amounted to
\$577,161.90 as against \$660,685.55 for
the same day last year.

The funeral of Mrs. Mary Ann Ford
will take place at 12 o'clock noon to-
morrow at the parlors of Joseph E.
Taylor, 234 east First South street.
Friends are invited.

When James S. Morgan came out of
the Tabernacle yesterday afternoon,
he placed his hand where he had left
his wheel on entering the structure,
and it was not there. The bicycle had
been stolen. The man was reported
to the police headquarters.

Col. E. P. Holmes returned from
Cleveland this morning, where he went
to attend a launching. He found the
weather extremely cold, and the day he
left Chicago it was 18 below zero. He
noticed, however, that no snow had
fallen where it seems to be an open winter.

Capt. A. A. Smith of the Signal corps
will return to his command next Thurs-
day, at Sunnyside, by which time the
severest of the rush in the postoffice
will be over, and he can then be the
better spared. The captain wishes to
remain on duty as long as there is any
occasion for the services of the guard.

The rush continues at the Salt Lake
postoffice, and the Christmas packages
continue to pile up hills high all over
the interior of both floors. The em-
ployees labored long and hard all day
yesterday, and Saturday and last
night, and feel as though they would
like just a breathing spell.

There was not much mail matter for
the local banks this morning, as many
of the eastern banking institutions ob-
served as holidays, not only Friday
and Saturday, but Saturday also, and
consequently there was no correspon-
dence to mail during that period. How-
ever, by Thursday the eastern mail for
the home banks will be very heavy.

Steady winter weather is prevalent in
this latitude, and the mercury is tend-
ing downward. This morning the min-
imum thermometer was 14 below zero
in this city, and in the southern part
of the state it dropped to 4 below. The
cold is much more intense in the moun-
tain country—below zero a good deal
of the time. A heavy fog spread over
the town last night, and only partially
cleared up today. The weather office
predicts fair weather for tonight and
tomorrow.

The report of the seventh annual
meeting of the State Bar association of
Utah, held in this city, Jan. 12, 1903, has
just been published by J. Walcott
Thompson, the supreme court reporter,
and secretary of the association, and
copies are being mailed to the mem-
bers of the bar. The publication con-
tains the names of the officers and com-
mittees of the association from 1894,
the full address of President C. S.
Varian, and the constitution and by-
laws, in addition to the report of the
minutes of the regular and adjourned
meetings. The pamphlet is neatly got-
ten up and printed.

The Salt Lake Ministerial association
listened to a paper this morning, from
Rev. P. A. Simplin on "Are Our
Churches producing Sabbathly Char-
acters?" The essayist held that
"they are doing this, that they are
bringing out beautiful lives. At the
same time," he said, "it is true of our
age and time that the world is coming
into the church, and the church is
reabs of that richer measure of
growth that ought to be our own. The
saintly character is not the great in-
dust, necessarily, but rather, the char-
acter that lives a quiet, steady, Chris-
tian life." This morning's meeting was
largely attended.
