

OVARION FOR CHOIR ALL ALONG LINE

Salt Lake Singers Showered
With Honors and Flowers
At Nampa.

WARM WELCOME IN OREGON.

Citizens' Committee Extends Greetings
At La Grande—Standing Room
Sold for Concert.

(Special Correspondence.)
La Grande, Or., Aug. 23.—The departure of the tabernacle choir from Salt Lake City on the evening of Aug. 21, was marked by a scene of animation, not to say excitement, such has never been seen at the new Oregon Short Line depot before. Such gatherings and even larger ones, may be seen there in the future but it is doubtful whether anything will eclipse the joyousness of last Saturday's departure.

At 8:15 the jolly crowd started on its way, housed in 10 elegant Pullmans and a day coach, and drawn by one of the railway company's most powerful engines. Engineer Frank Smith was at the throttle and was assisted by Fireman James Sinipa. In addition to the above cars there was a baggage car, which had been arranged in sections for the bags and suitcases, by H. E. Clough, baggage agent, under the direction of Dan S. Spencer. The conductor was J. L. Chardard. Brakemen Lee and Packard were on duty with W. B. Ferron as conductor of the Pullmans.

No run to Ogden was made just under the hour. Here another Pullman was attached, and the total passengers on the train was increased to 445. A very enthusiastic reception was given by the people of Ogden. Short stops were also made at Willard and Brigham City, after which the passengers settled down for the night. Breakfast was served at 1:30 a. m. and a number of letters and telegrams were received urging the choir to go to Boise, but as other arrangements had been made, the invitations had to be declined.

CREWS AND CAPTAINS.

In addition to the train crew each car had a captain appointed from among the passengers, whose duty it was to look after the people in his car. The names of the captains and the cars of which they had charge are as follows:
No. 1 car, Durban, with 53 people from Ogden with white badges inscribed "Ogden"; George Shorten, captain.
No. 2 car, Aurora; Sam Winter, captain.
No. 3 car, Columpi; George Midgley, captain.
No. 4 car, Colorado; James Hurst, captain.
No. 5 car, Chicago; Calvin S. Smith, captain.
No. 6 car, Jarama; L. R. Miller, captain.
No. 7 car, Cossack; George Margates, captain.
No. 8 car, St. Petersburg; Sid R. Phillips, captain.
No. 9 car, Schenectady; H. J. Smith, captain.

HONORS AT NAMPA.

After a hot and oppressive night during which many found it almost impossible to sleep, Nampa was reached at 10 a. m. Aug. 22. A committee of citizens, headed by Mayor Dewey, and N. Jenness, president of the chamber of commerce, met the train and escorted the choir to the Dewey Palace hotel, where several numbers were sung. President Jenness made a speech of welcome, at the same time presenting huge bouquets of flowers to Prof. Evan Stephens and Prof. J. J. McCallan. Mr. Blakeslee, who has until recently lived in Salt Lake, was also very enthusiastic in his welcome of the choir. Mr. Blakeslee is contemplating building a conservatory of music at Nampa for the near future.

WELCOME IN OREGON.

After a pleasant stay of three hours the train pulled out of Nampa at 1 o'clock, the departure being witnessed by nearly the whole city. On reaching Baker City, the choir was also warmly received and several selections were sung in front of the Crabb hotel. La Grande was reached at 10:30, and at 7 o'clock next morning, Bishop C. J. Black and C. P. Ferron, of the citizens' committee, came to the train and distributed badges among members of the choir. Breakfast was furnished at the amusement hall where tables were set for 200 people. This part of the program of entertainment was under the direction of Maud Schofield, president of the Mutual Improvement association, assisted by the following young women: Nell Garrick, Susie Carbine, Emma Hall, Lamon, Shumway, Isabel Shumway, Rosalva Wilson, Esther Wilson, Ethel Bean, Louise Pierce, Clara Carbine, Gussie Hiatt, Emma Washburn, Mattie Schofield, Jennette Stoddard, Imber Christensen, Edna Hale, Mildred Lindsey, Dollie Lindsey, Nell Price, Katie Carbine and Jennie Carbine.

The arrival of the choir special was heralded by the morning papers devoting columns of space to it and the concert, which occurs tonight. After the concert the journey will be resumed to Portland. During the afternoon automobiles and carriages were placed at the disposal of the choir members, and many of them have been taken for rides to Perry, Palmer's sawmill and other places. Everything possible has been done to insure a good time. The house is all sold out for the concert tonight, and standing room, it is said, will be at a premium.

LOWER COURT REVERSED.

The supreme court of Utah yesterday reversed a verdict obtained in the Fifth district court before Judge Greenwood against the Fillmore Roller Mills by Fillmore City for \$203.00, and remanded the case for a new trial. The suit was originally brought for one-third of the cost of rebuilding a dam and building a canal for the use of company and city in common after a freshet had destroyed the old one. The judgment was reversed on the grounds that the complaint alleged an implied agreement for maintenance of the property but the trial court allowed evidence to show an express agreement.

HEROINE OF AUTO FIRE.

With Rare Presence of Mind Maiden Saves Passenger-Laden Train.

The heroine of the railroad track who saves passenger-laden trains by

throwing her red flannel undershirt to the winds, had her river in Salt Lake last night, only it was a "go-devil" instead of a train and a white instead of red skirt.

With the reticence of the true heroine, however, she prefers to remain unknown. "She" was taken out by J. P. Reeves for a spin in the motor-car last night, and in some way the car took fire. Mr. Reeves' first thought was to call the fire department, but even while he was doing this "she," with rare presence of mind and recalling former deeds of her sisters, hastily tore off her undershirt, swung it in a near by ditch—and quenched the fire before the fire department even got started. The damage to the automobile amounted to about \$15 and the skirt. The accident occurred near the corner of Fourth South and Main streets.

CHOLERA INFANTUM CURED.

"Something like two years ago my baby, which was then only a year old, was taken seriously ill with cholera infantum, vomiting and purging profusely. I was told to give him Chamberlain's Colic, Cholera and Diarrhoea Remedy. I did what I could to relieve him, but did not get good, and being very much alarmed, I went for a physician. He failed to find one, so I came back by Elder Bros. & Carter's store and Mr. Chamberlain's Remedy. I gave him a dose of the remedy. It relieved him in 15 minutes and soon cured her entirely." For sale by all druggists.

World's Greatest Drummer.

Wait for the big I X L auction sale commencing September 7 at 10 a. m.

REAL ESTATE ASSOCIATION.

Results of G. A. R. Encampment Discussed at Regular Meeting.

At the regular semi-monthly meeting of the Salt Lake Real Estate association, which was held yesterday afternoon at the Commercial club, the members discussed the results of the G. A. R. encampment recently held in the city. Although it is too early to see any particular results of the gathering the opinion was almost unanimous that good could come from the visit of the veterans.

Dealers report many inquiries from prospective buyers, and Secretary J. L. Perkins stated that he is daily receiving letters of inquiry from all parts of the country, all of which he has promptly answered. Those present at the meeting were J. L. Perkins, William R. Jones, Jr., A. E. Peterson, E. Butterworth, R. A. Ranck, W. E. Hubbard, W. G. Tuttle, A. H. Parsons, George M. Cannon, M. Settle, E. H. Hill, W. E. Baird, R. E. Baird and J. P. Mahan.

AMUSEMENTS.

Orpheum—There was a crowded audience again last night at the Orpheum theater, and the current week's bill is giving good satisfaction. The business done so far this week has been unprecedented considering the early opening and should continue so for the remainder of the week, as the orders which are coming in to the box-office for seats are heavy. There will be the usual matinees every day (except Sunday) at 2:15.

Grand—The engagement of "Girls" ended last evening. Mr. Pelton of Denver is still in Salt Lake closing up the final details for the opening of the house by the Mack company next week. The attraction with which the season will open will be a dramatization of Bert Hall's famous story entitled "Salome Jane" with Miss Blanche Douglas in the title role, and Mr. Mack in the leading male part. For the coming season Mr. Pelton will provide a distinct novelty in the way of a Ladies Orchestra under the direction of Miss Cecile Hoggan.

Colonial—The new season opens Monday and the attraction will be one of Cohan & Harris' bill entitled "Fifty Miles From Boston." The New York company, headed by Richard Bartlett and Miss Grace King furnish the entertainment.

Bungalow—The Arlington Stock company is actively rehearsing for its opening bills at this house. The first bill however, will be rendered at the Colonial on Labor day, as the Bungalow is not ready. They play will be "The Love Route."

OXEN FOR BIG EXPOSITION.

A heard of thirty oxen owned by a man in southern Idaho has been offered to the officials of the Inland Empire Exposition for use in the great "Battle of the Plains," which will be the big feature of the fair. The big battle will require a setting showing scenes from early days and the presence of the oxen will add very much to the picture. President J. G. McDonald who has taken a personal charge of this event is arranging to have a scene on the plains reproduced as near to life as possible and the entire state is being scoured for any kind of relics of pioneer days that will be available for use in the big spectacle.

The Indians from the reservation who will take part in the "battle" will bring with them a full equipment and will establish a camp on the grounds. Some of the Indian fighters of early days are being engaged to assist in preparing the details and unless present plans miscarry, the public will be treated to one of the most realistic spectacles ever seen in the west.

THREE REASONS.

Each with Two Legs and Ten Fingers.
A Boston woman who is a fond mother writes an amusing article about her experience feeding her boys.

Among other things she says: "Three chubby, rosy-cheeked boys, Bob, Jack and Dick, aged 6, 4 and 2 years respectively, are the cause of our reasons for using and recommending the food, Grape-Nuts, for these youngsters have been fed on Grape-Nuts since infancy, and often between meals when other children would have been given candy."

"I gave a package of Grape-Nuts to a neighbor whose 3 year old child was a weakened little thing, ill half the time. The little tot ate the Grape-Nuts and cream greedily and the mother continued the good work and it was not long before a truly wonderful change manifested itself in the child's face and body. The results were remarkable, even for Grape-Nuts."

"Both husband and I use Grape-Nuts every day and keep strong and well and have three of the finest, healthiest boys you can find in a day's march."

Many mothers instead of destroying the children's stomachs with candy and cake give them Grape-Nuts. It is full of Grape-Nuts when they are begging for something in the way of sweets. The result is soon shown in greatly increased health, strength and mental activity.

"There's a Reason."
Look in pkgs. for the famous little book, "The Road to Wellville."

Ever read the above letter? A new one appears from time to time. They are genuine, true, and full of human interest.

Removal of Unsightly Poles Makes Improvement in Streets

A forest of unsightly poles is being removed rapidly from the streets of Salt Lake in a general cleanup plan inaugurated by the public service companies. In the business district 930 steel poles have been erected by the Utah Light and Railway company. Of this number 445 have been installed this year by the company and 482 were set last year. It is probable that 300 more steel poles will be erected this year.

Each steel pole takes the place of three poles in the business district and leaves the streets in a beautiful condition. The tangle of overhead wires is rapidly disappearing. They are being placed in conduits. It is estimated that fully 1,500 wooden poles have come down and about as many more will be displaced by the end of the year.

The Rocky Mountain Bell Telephone company is moving its poles which cluttered the streets. This company has removed upwards of 1,000 wooden poles from the middle of the streets and placed its wires underground.

Within the business radius, 10 miles of cables have been laid in the conduits by the Utah Light and Railway company. An equal number of miles have been laid by the telephone companies and the work is being pushed on all streets.

The pole nuisance which has attracted the attention of visitors to the city, is now being abated. The wonderful strides of the public service companies in eliminating poles shows the growth of the city in a material way.

Main street was cleared in time for the G. A. R. parade and was hailed by the visitors as one of the most beautiful business streets in the country. Besides Main street, South Temple street is clear of poles from the Oregon Short Line depot to Federal Heights. First South and Second South are cleared of poles east of Main street. Seventh East and Third East, Fourth East, Fifth East, Sixth East and Twelfth East streets are also cleared, from three blocks south of South Temple street. First avenue is clear of poles for several blocks and a number of other short streets have been attended to.

WORK ON STATE STREET.
Work is now under way on State street. The cables have been laid and many of the poles are out. This street,

SOCIAL AND PERSONAL.

Mr. and Mrs. B. G. Thatcher of Logan are in Salt Lake, guests of Mr. and Mrs. Rulon S. Wells. They are on their way to Holland, where Mr. Thatcher will preside over that mission. Last evening, Mr. and Mrs. Thatcher were the guests at a reunion of the Beale family, given in their honor by Mr. and Mrs. Wells at their home on Second avenue.

Mr. and Mrs. Selden I. Clawson and children leave today for a short vacation in southern Idaho.

Mr. and Mrs. George T. Badger will leave the last of the week for southern California, to be gone a week or 10 days.

Miss Winifred Brice was hostess at a delightful luncheon at the Country club Wednesday afternoon, given in honor of Miss Prudence Trimble of Kansas City, Mo., who is visiting in this city.

Miss Maybelle A. Crowley and William A. Silk of New York were married at St. Mary's cathedral Wednesday evening. Father W. K. Ryan officiated. Miss Kathryn Wall was bridesmaid and Mr. Arnold Wall of Los Angeles acted as best man. Mr. and Mrs. Silk left immediately after the ceremony for New York, their future home.

A pleasant outing was enjoyed yesterday by the officers and teachers of the Twenty-second ward Sunday school. After partaking of a picnic luncheon the attractions of the resort were visited, and through the courtesy of the management everything was made pleasant for this group of pleasure seekers.

CLERKS WILL TAKE PART.

At a Meeting Held Last Night It Was
Decided to Join Parade.

Plans for the parade of the Salt Lake Retail Clerks on Labor day were discussed last night at the rooms of James Kerch, on West Temple street. It was decided that the Retail Clerks association will do all in its power to make the parade on that day a success. The crusade in favor of Sunday closing was also discussed and a number of members expressed themselves as well pleased with the good results obtained. A. Martin, secretary of the association, stated that the association is keeping watch and the first infraction of the Sunday closing law will be prosecuted.

The meeting last night was attended by about 25 clerks, and 15 new members were admitted during the evening. A number of applications are said to be awaiting action by the officers of the association.

It was stated that the association will form in the seventh division of the procession and all the clerks who can get off for an hour or two to take part in the parade were invited to do so.

DIARRHOEA.

For a quick cure without any unnecessary loss of time take Chamberlain's Colic, Cholera and Diarrhoea Remedy. One or two doses is sufficient to effect a cure in any ordinary case. It can always be depended upon and is equally efficient for children and adults. For sale by all druggists.

BURIAL OF C. L. MAXWELL.

A Dozen Persons Attend Last Rites
Over Dead Outlaw.

With about a dozen persons about him, who had known him in his life, C. L. Maxwell, the bandit and outlaw, known as "Gunplay" Maxwell, who was shot and killed Monday afternoon in Price by Deputy Sheriff Edward Johnson, was buried yesterday afternoon in the city cemetery. The funeral was held at Eber W. Hall's undertaking parlors. Mrs. Bessie Seaman or Maxwell, the second wife of the dead man, and her three daughters by a former marriage, were present. Mrs. Ada Maxwell, the first wife, was not at the funeral. Four carriages followed the hearse to the cemetery, and no religious services of any kind were held. Several beautiful floral pieces were placed on the grave of the man who had led a sensational life, to mark his last resting place.

People with chronic bronchitis, asthma and lung trouble, will find great relief and comfort in Foley's Honey and Tar, and can avoid suffering by commencing to take it at once. F. J. Hill Drug Co. ("The Never Substitutors.")

WHEN HER BACK ACHES.

A Woman Finds All Her Energy
and Ambition Slipping
Away.

Salt Lake City women know how the aches and pains that come when the kidneys fail make life a burden. Backache, hip pains, headaches, dizzy spells, distressing urinary troubles, all tell of sick kidneys and warn you of the stealthy approach of diabetes, dropsy and Bright's disease. Doan's Kidney Pills permanently cure all these disorders. Here's proof of it in a Salt Lake City woman's words:

Mrs. Joseph Slater, 552 West Third South Street, Salt Lake City, Utah, says: "The recommendation which I gave Doan's Kidney Pills about a year and one-half ago was true in every particular and I can recommend them. I had attacks of backache and other symptoms of kidney trouble which were very annoying and distressing. A friend advised me to try Doan's Kidney Pills and I procured a box at the F. J. Hill Drug Co. They acted up to their representations in my case, and in a short time I was rid of every symptom of the trouble. Whenever I feel any symptom of a return I appeal to Doan's Kidney Pills and they always give me relief."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for United States.

HENAGER'S BUSINESS COLLEGE

Moved to 49 So. Main St.

We desire to announce to the public that we have moved into new quarters at the Hooper-Eldredge Block, 49 South Main street, in order to secure room enough to accommodate our rapidly increasing enrollment. The building has been remodeled and especially arranged for school purposes; more teachers have been added, new equipment has been purchased and our facilities have been increased in every way.

Henager's Business College is entirely different from any other school in Salt Lake City. You owe it to yourself to investigate before entering elsewhere. You positively can not get the same instruction in any other school.

Thirty calls for stenographers and bookkeepers in the past ten days. We filled them of them.
